Dear Ms. Varnasidis:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Pinedale, Wyoming, scheduled for August 8 to 10, 2023, sponsored by American Exploration and Production Council, Jonah Energy LLC, and PureWest Energy. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

WHO IS AXPC?

The American Exploration & Production Council (AXPC) is a national trade organization representing the largest independent natural gas and oil exploration and production companies. For more than 18 years, AXPC has hosted an annual Policymaker Field Tour of exploration and production operations in various basins across the US.

This year, we will be touring Jonah Energy and PureWest's operations in the Green River Basin in Wyoming. The field tour continues to be one of the finest ways for energy policy professionals to view operations from drilling, to completion, to production and learn about the impact our industry makes on communities across the country.

WHAT ABOUT EXPENSES?

AXPC, in compliance with all regulations and reporting requirements, will cover all field trip travel and meal expenses with the exception of Tuesday's dinner. Or if you prefer, we will work with you on the documentation needed to self-pay.
