Mr. Jay Kronzer
Office of the Honorable Mark E. Green
2446 Rayburn House Office Building
Washington, DC 20515

Dear Mr. Kronzer:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Israel,¹ scheduled for July 29 to August 6, 2023, sponsored by American Israel Education Foundation.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$480] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

9:45-12:45 AM **Strategic Survey of Jerusalem: The Historic and Holy Basin**
Guided survey of the Old City of Jerusalem:

- City of David
- Robinson's Arch
- Western Wall
- Church of the Holy Sepulchre

Throughout its 4,000-year history, the city of Jerusalem has changed hands many times. As home to the world's three great monotheistic religions — Judaism, Christianity and Islam — Jerusalem is probably the most disputed city in history. Today, the status of Jerusalem remains the most contentious issue in the Arab-Israeli conflict. Jerusalem has been at the heart of all Israeli-Palestinian negotiations. To understand the current political issues, it is critical to understand Jerusalem's history and the role it has played in shaping the Middle East. This seminar will include site visits to various locations in and around Jerusalem to give participants a first-hand look at the historic significance of the city, as well as its geographic layout.

The Old City of Jerusalem is home to the holiest shrines of the three monotheistic religions, including the Temple Mount, the Church of the Holy Sepulchre, and the Al-Aqsa Mosque. The Holy Basin is the historic location of Jerusalem and refers to the land surrounding the Old City, including the Mount of Olives, believed to be the departure point for Jesus' final entry into

Jerusalem and the cemetery where Jews have been burying their dead for 2,500 years. The Holy Basin also includes the Western Wall, Judaism's holiest site, and the Temple Mount (Haram al-Sharif), sacred ground for Jews, Muslims, and Christians. Control over these sensitive areas remains among the largest disputes in the Middle East. The professionally guided survey will walk through all of these sites and others, educating trip participants on their historical impact and their role in today's political discussions.

Jerusalem's City of David, more than any other site, represents the complexity of the Arab-Israeli conflict. The City of David is the site most archeologists agree to be the ancient city of Jerusalem that later became the capital of the united Israelite tribes under King David. This area is one of the most intensively excavated sites in the wider region. To Jewish Israelis, the site represents the beginning of their physical and emotional attachment to Jerusalem that has continued for over three thousand years. At the same time, much of the site is located in the predominantly Arab neighborhood of Silwan. The residents of Silwan, and the Palestinian Authority leadership are opposed to the archeological efforts being carried out in the City of David. In several instances, homes in Silwan were purchased and then destroyed to open up more areas for excavations. Palestinian leadership has denied the existence of any Jewish connection to Jerusalem.

3:15-4:15 PM **Strategic Survey of Jerusalem: Post-1967 Neighborhoods**

When Jerusalem was reunified in 1967, following 19 years of division, the State of Israel extended the city's boundaries to include the strategic hills surrounding Jerusalem. These hills served as launching pads between 1948 and 1967 for sniper and mortar attacks on Israeli parts of the city by the Jordanian Army. Since 1967, these hills have become vibrant neighborhoods, fully integrated into the fabric of Jerusalem. It is vital for those discussing the issue of Jerusalem to

understand these neighborhoods' strategic importance and their relationship to the areas in the immediate vicinity.

- 8:30-10:30 PM **The Significance of the Holocaust in Israeli Society**
Visit to Yad Vashem Holocaust Memorial and Museum

One cannot understand Israel's worldview without understanding the trauma of the Holocaust. Israelis view threats to its destruction in light of the events of the 1930s and 1940s, when the

German government's threats to exterminate the Jewish people were not taken seriously by the international community. This museum provides an important reference point as to how Israelis interpret the threat of an Iranian nuclear program and Iranian leaders committed to Israel's destruction. Yad Vashem has become a symbol of the Jewish people and its transformation from total helplessness to self-reliance and strength. Thus, a visit to Yad Vashem provides a historical context for the Jewish state. The museum's professional docent will guide the delegation through the main exhibit hall and the children's memorial.

10:30-11:00 AM **Israel's Narrow Waistline – Strategic Concerns**
Briefing at Alfei Menashe

Alfei Menashe is a Jewish community located on the western edge of the West Bank. Less than 10 miles from the Mediterranean Sea, Alfei Menashe provides a unique vantage point to discuss Israeli settlement policy, the routing of the security barrier, as well as Israel's narrow waistline. The sliver of Israeli land west of the West Bank is often referred to as the Hadera-Gadera rectangle, with the city of Hadera denoting the northern point, and the city of Hadera the southern point. The Hadera-Gadera rectangle is home to over 50 percent of Israel's population, as well as civilian infrastructure. The area is also home to Israel's "silicon valley", as well as Ben Gurion international airport. The discussion at Alfei Menashe will allow participants to see firsthand the proximity of Jewish and Arab neighborhoods in both Israel and the West Bank; as well as the strategic threats faced by the Israeli population living in Israel's narrow waistline.

11:15 AM Depart for lunch

12:45-2:00 PM **Minority Rights in Israel**
Lunch with Mohammad Darawshe
Director of Planning, Equality and Shared Living
Givat Haviva Educational Institute
-at Tanduka

Approximately 22% of Israeli residents are part of the non-Jewish minority, which includes, among others, Muslims, Christians, and Druze. As a liberal, democratic state, Israel is rooted in liberty, the rule of law, free and fair elections, and full civil rights for all citizens. Our speaker, Mohammad Darawshe is currently the director of planning, equality and shared living at Givat Haviva Educational Institute—a non-profit organization founded in 1949 as the national education center of the Kibbutz Federation in Israel. His focus throughout his career is promoting

coexistence and quality among Israel's Jewish and Arab-Palestinians citizens. He will discuss the current challenges facing minority groups in Israel, as well as ways the government of Israel and NGOs seek to address these challenges.

2:15 PM Depart for Zarit

3:00 – 4:00 PM En route briefing: The Jezreel Valley and Upper Galilee

Our tour guide will spend an hour during the drive from Israel's center to the north to provide the delegation a briefing on the Jezreel Valley and the Upper Galilee and the challenges facing these regions of the country. For thousands of years, the Jezreel Valley served as a land bridge linking Africa, Asia and Europe, and serving as a thoroughfare for ancient caravans and, more frequently, armies. In 1948, following Israel's establishment, the combined forces of Iraq and Jordan attempted unsuccessfully to capture the valley in order to split the just-born Israel into two parts. In the early 20th century, after decades of neglect, Jewish pioneers drained the swamps in the valley, transforming this region into Israel's "breadbasket" known for wheat, cotton, sunflowers and fish ponds. The Jezreel Valley is also home to historical and biblical sites including Tel Megiddo and Nazareth.

Today it is an important symbol of Israel's complex and diverse political reality. The Jezreel Valley, together with the areas of the Lower and Upper Galilee, is home to the majority of Israel's Arab citizens. A survey of this area provides an opportunity to discuss and learn about Israel's Arab citizens – 20 percent of the population – each of which has full democratic, social and welfare rights, the right to vote and serve in the Knesset, and the opportunity to serve on Israel's Supreme Court.

The Upper Galilee is home to the largest variety of ethnic communities in Israel including Druze, Circassian, Arab Muslim and Arab Christian villages. The Galilee is also home to ancient Jewish and Christian holy sites that provide additional historical and political context to regional tensions. Just as in the case of the Jezreel Valley, the area illustrates the role of minorities in Israel. At the same time, the Upper Galilee is home to some of the most prominent industrial hubs.

4:30-5:00 PM Visit to Hezbollah Terror Tunnel
-at Zarit

Virtually all southern Lebanon is a maze of underground bunkers, rocket-launching sites, and interconnected tunnels built by the Iranian-backed Hezbollah terrorist organization. Hezbollah is the most powerful terrorist organization in the world, stronger than most national armies. They receive around \$700 million annually from Iran, along with advanced weapons, training, and political support. During this visit, the delegation will have the opportunity to go into a Hezbollah tunnel discovered by the Israel Defense Forces (IDF), to see firsthand the threat this terrorist army poses to Israel and the region. Hezbollah has created a network of tunnels hundreds of kilometers long to enable terrorists to stage an infiltration attack on military and civilian targets

in northern Israel. The IDF conducted Operation Northern Shield between December 2018 and January 2019, to locate and destroy the tunnels. In January 2020, the IDF began installing a series of underground sensors along the northern border to detect any new subterranean tunnels being dug into Israeli territory from Lebanon. Participants will hear from an IDF officer who will guide them through the opening of the tunnel, and share the anti-tunneling technology Israel is using to detect new tunnels.

He was the first IDF officer to be seconded to the UN Headquarters in New York where he provided strategic analysis for UN peacekeeping. He has extensive hands-on experience with international media, think-tanks, NGOs, legislators, militaries, industries and institutions. He will brief the delegation on security threats coming from the Lebanese border, and the role Iran plays in supporting Hezbollah terrorism against Israel.

10:00 Overnight at the Magdala hotel, Tiberias

Friday, August 4, 2023

6:00 AM-7:00 AM **Optional: Magdala's Ancient Ruins**
with Father Kelly, Vice Director, Magdala
-at Magdala Hotel

The ancient town of Magdala was established in the Hellenistic Period and grew to a thriving fishing village by the time the Romans invaded the Galilee in 67 AD. Situated on the shores of the Galilee along a major commercial trade route, the Via Maris, and on the way from Nazareth to Capernaum, Magdala was an active city filled with fishermen, shopkeepers and townspeople. Providentially uncovered in 2009, archaeological discoveries indicate the presence of an observant Jewish Community in Magdala, as is evidenced in its First Century Synagogue. This synagogue is one of seven in the world and the best preserved today. In the center of the synagogue archeologists found the Magdala Stone, a discovery they have quoted to be, "one of the most significant finds in the past 50 years." It is in Magdala where Jesus likely taught the multitudes and healed the afflicted including a woman who made her hometown famous, Mary Magdalene.

7:15-8:00 AM Breakfast on own
-at the hotel, main dining hall

8:00 AM Depart for Christian sites

8:30-10:15 AM **Historical Significance of the Sea of Galilee**
Survey of historical and religious sites around the Sea of Galilee

- Mt. of Beatitudes – Sermon on the Mount
- Capernaum – Jesus' Village

As part of the seminar's focus on the complex religious fabric of Israeli society, the delegation will be visiting several of the most sacred sites for Christians in the Holy Land. Included is a guided survey and discussion of some of the most important events in the life of Jesus by the Sea of Galilee. Just as strategic surveys in Jerusalem focused on Jewish, Muslim, and Christian history and claims to the land, the site visits to the Christian sites help provide context for the competing religious narratives for the land of Israel. For example, we will be visiting the Mount of Beatitudes, where Jesus delivered the Sermon on the Mount, the most studied and read speech of any religion in history. Our guide will also lead discussions through Capernaum.

10:30 AM Depart for the Golan Heights

11:15 AM-1:15 PM **Israel's Northern Border Concerns II: Syria**
Strategic survey of Israel's border with Syria
With Capt. (Res.) Ilan Shulman
-at Ein Zivan

Captain (Res.) Ilan Shulman, a disabled IDF veteran, divides his time guiding geopolitical tours on the Galilee and Golan Heights, lecturing to students, giving geo-political briefings for delegations through various Israeli foreign ministry programs, and fulfilling his IDF reserve duties in the Northern Command's intelligence unit. Shulman was raised in Kibbutz Merom Golan near Israel's border with Syria, where one of his favorite jobs was herding the kibbutz cattle. Shulman served in the IDF's paratrooper's unit, rising to the position of company commander. He holds a BA in Israel and Middle East Studies. During this session he will take participants to the border between Israel and Syria and provide an overview of the Syrian civil war.

| 2:45 PM | Depart for Jerusalem |
| 3:00 – 4:00 PM | En route briefing: Israeli-Jordanian Strategic Cooperation |

The tour guide will spend approximately an hour during the drive through the Jordan Valley to explore several topics related to Israel's eastern neighbor: specifically, Israeli-Jordanian strategic cooperation, as well as the implications of the Syrian civil war on the Kingdom. The Hashemite Kingdom of Jordan became the second Arab country after Egypt to recognize Israel when it signed a comprehensive peace agreement that ended nearly five decades of warfare. Shepherded by United States President Bill Clinton, the accord signed on Oct. 6, 1994, marked the onset of a new era of economic, cultural, and political dialogue and cooperation between the two countries.

In recent years, the two countries have worked together to combat the increased threat from terrorism by coordinating their security efforts and preventing infiltrations across their shared border. Today, Jordan hosts hundreds of thousands of Syrian refugees. Following our briefing on Israel's border with Syria, our guide will address how threats in the region impact Jordan internally, as well as relations and further potential for strategic partnership between Jordan, the United States, and Israel.

Traditional Sabbath evening dinner |

Israel, the only Jewish country in the world, boasts the unique tradition of honoring the Jewish Sabbath from Friday sundown until Saturday sundown. 80 percent of the Israeli population will commemorate the Sabbath, in various forms, which typically include a family dinner and special blessings. The Sabbath is especially significant in Jerusalem, home to the holiest site for Jews

worldwide - the remains of the First and Second Temple. The dinner will include a discussion on the importance of Jerusalem to the Jewish, Christian and Muslim populations; the potential for a final status agreement on Jerusalem (arguably the most sensitive final status issue); and the diplomatic challenges faced by Israel and the United States regarding Israeli urban development in the area.

7:30 AM Depart

8:00 – 9:00 AM En route briefing: Jericho Road and the E-1 Corridor

Our tour guide will spend approximately one hour on the drive from Jerusalem to Masada – including the Jericho road – to discuss the strategic importance of the area east of Jerusalem. In 1948 and in 1967, the Jordanian army attacked Jerusalem from the east – the 1948 attack resulted in the city's division that lasted until 1967. Since then, Israel has established the City of Ma'ale Adumim east of Jerusalem, today home to some 40,000 residents. To the Palestinians, however, Ma'ale Adumim is the largest settlement on the West Bank. When Israel attempted to expand Ma'ale Adumim's boundary, into an area known as "E-1", the U.S. State Department stepped in and asked that no construction take place there. The issue needs to be examined with those discussing the future of Jerusalem in the context of the Israeli-Palestinian negotiations.

9:00- 10:30 AM **History and Geopolitics of the Roman Empire**
Guided survey of the National Archeological Park at Masada

Masada, which was excavated in the 1960s, is considered one of the most important archeological sites in Israel, indeed in the whole world. Masada was the site of the last stand of the Jews in Israel after the Romans destroyed Jerusalem and the Holy Temple in 70 A.D. A group of Jewish zealots fled to the Judean Desert and lived in the former mountaintop fortress of King Herod known as Masada for two years resisting the onslaught of the most powerful army in the world. Determined to break the resistance, the Romans finally scaled the mountain to capture and enslave the Jewish rebels. However, when they finally arrived, they found that all the men, women and children had killed themselves as a last act of defiance. The delegation will visit the magnificent ancient excavations; learn the narrative of Jewish resistance to the Romans backed by the archeological and historical evidence; and discuss the importance of the Masada story to the contemporary Middle East and the threats in the region.

10:30 AM Depart for the Dead Sea

11:15 AM-2:00 PM **Exploration of the Dead Sea Region**
Lunch
-at Herbert Samuel hotel

During our drive to and from the Dead Sea area, as well as during our visit to the Dead Sea, our tour guide will discuss a variety of issues integral to understanding this desert region, and relations with both the Palestinians and Jordanians. For decades, Israel has been developing the agricultural potential of the desert. While the Middle East is suffering from water shortages, Israel, through modern technology and water conservation policies, including the recycling of over 80 percent of water used for domestic purposes and transferring it to agriculture, has literally "made the desert bloom." The key regional players also face serious environmental issues in the Dead Sea region. One of the major environmental concerns is the receding of the Dead Sea and the appearance of sinkholes, which cause the earth above to collapse. Roads, fields and buildings have collapsed due to this phenomenon, and experts are concerned the tourist infrastructure along the Jordanian and Israeli shores of the Dead Sea are in danger. This issue has led to unprecedented cooperation between Israelis, Jordanians and Palestinians and serves as a model for regional cooperation.

We will process the range of topics explored, including the U.S.-Israel strategic partnership, prospects for Arab-Israeli peace, the experience of minorities in Israel, as well as greater existential threats throughout the region. Participants will also have the opportunity to share their takeaways, and ask any lingering questions that weren't covered during the week.
