House staff were invited because of their work on education, workforce development, and social welfare issues. All have responsibility for these federal issues in their offices. The site visit will highlight the successes and challenges of education, workforce, and human services programs in Delaware.

Question #12 Interest and Role of Sponsors:

Jobs for the Future (JFF) identifies sites of interest and priority topics to set the direction for site visit programming, including featured programs and initiatives based on their evidence base, scalability, and quality. JFF develops and executes the agenda, coordinates logistics for the trip, and serves as the point of contact for staff. JFF uses grant funding from the Bill & Melinda Gates Foundation to support the Congressional Staff Network and its site visits.

Question #15 (B) Part 2, Explanation of Location Choice:

JFF selected Wilmington, Delaware for this site visit because of the innovative workforce and economic development, education, and community revitalization efforts happening on the ground, as well as the unique challenges the region faces in terms of retaining talent and engaging young people.

The site visit will highlight Delaware's secondary-to-postsecondary education pathways system, which is among the strongest in the country. Sessions will explore industry-higher education partnerships to help incumbent workers advance economically, create on-ramps to high-demand, high-wage jobs in biomanufacturing, and facilitate wealth-building in low-income communities. Staff will also learn how a workforce intermediary organization organized stakeholders in the tech industry around a new sectoral partnership strategy to diversify the tech talent pipeline.

During each session, speakers and staff will reflect on how federal policy can help scale, replicate, and better support these innovative state- and local-level strategies. Programming will explore federal levers to promote effective support strategies and career pathways for people who have not historically received equitable investment from the public or private sector.

Question #18 Total Expenses for Each House Participant (Good Faith Estimates):

Transportation: Round trip train from Washington, DC (WAS) to Wilmington, DE (WIL) = \$180 per person. On the ground transportation via chartered coach bus in Wilmington = \$115 per person. Total transportation expenses = **\$295 per person.**

Lodging: Lodging at the Hotel Du Pont for one night = **\$131.00 per person** (in line with the government per diem rate of \$131 per night)

Meals: Meals for two days = **\$96.00 total/\$48 per person per day** (in line with GSA per diem rates for first and last day of travel)

CONGRESSIONAL STAFF NETWORK

FOR ECONOMIC ADVANCEMENT

Dear CSN members,

I am writing to invite your participation in an upcoming Congressional Staff Network (CSN) site visit to **Wilmington, Delaware on Tuesday, August 22 – Wednesday, August 23.**

In Delaware, staff will hear from the architects of a unique sectoral workforce development strategy in the tech industry, as well as several innovative public higher education-private industry partnerships designed to expand on-ramps to quality jobs in high-growth fields. Educators will discuss the implementation of Delaware's exemplary secondary-to-postsecondary pathways system, which launched in 2014 and now enrolls three-quarters of the state's high schoolers. Attendees will also learn about The WRK Group's efforts to revitalize Wilmington's Riverside neighborhood by eliminating the barriers of systemic racism and revolutionizing community engagement.

Each session will address the federal policy implications of these evidence-based, cross-sector efforts to drive inclusive economic growth. ***Please confirm your participation by Wednesday, July 12.*** Once you confirm your plans to participate, our team will share final information for the trip, including the agenda and the necessary ethics documentation.
