Dear Ms. Gasper:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Cambridge, Massachusetts, scheduled for October 10 to 12, 2023, sponsored by Massachusetts Institute of Technology.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Michael Guest

Ms. Noelle Gasper
Senior Legislative Assistant
Office of Representative Rick Larsen
2163 Rayburn House Office Building
Washington, DC 20515

Dear Ms. Gasper,

I am writing to invite you to attend an MIT seminar for senior Congressional staff. The seminar, “**Addressing climate change: Challenges and opportunities**,” will take place on the MIT campus in Cambridge, MA from October 10-12, 2023. To allow for robust discussion, invitations are being extended only to senior Congressional staff who work on energy-related policy areas.

We are able to cover the cost of travel and hotel accommodations and are carefully following House and Senate Ethics Committee requirements. The necessary ethics approval forms will be provided to you should you apply to attend.

As you will see in the agenda below, the seminar will include sessions with MIT faculty on a range of technologies and policy issues, as well as tours of Commonwealth Fusion Systems and Boston Metal, which is decarbonizing steel production. The seminar, which is sponsored by my office, was organized by the MIT Energy Initiative (MITEi) and the MIT Washington Office. If you would like to attend, please apply no later

than close of business on Wednesday, September 6 by [CLICKING HERE](#). This will allow sufficient time for filing the necessary paperwork with your Ethics Committee by Monday, September 11. Spaces are limited, so early application is strongly suggested.

If you have received this invitation in error and the seminar is not relevant to your portfolio, please feel free to forward it to a colleague who focuses on energy and/or climate issues.

Helen Haislmaier in the MIT Washington Office will be happy to answer any questions, and she can be reached at (202) 789-1828 or at helenh@mit.edu.

Sincerely,

4:00-5:15 pm

Short-term pollutants

The focus in mitigation discussions is often focused on CO₂, but there are shorter term greenhouse gases, like methane, that present significant global warming impacts. Additionally, there are gases, like hydrogen, that are projected to play much bigger roles as energy carriers in the future that have poorly understood potential impacts on warming. The goal of this session is to inform staffers about the key technical issues in reducing the emissions of the pollutants and removing them from the atmosphere.

- **Moderator: Jennifer Morris**, Principal Research Scientist, MIT Energy Initiative and MIT Joint Program on the Science and Policy of Global Change
- **Desirée L. Plata**, Associate Professor, MIT Department of Civil and Environmental Engineering
