Ms. Shaina Zarkin-Scott  
Legislative Assistant  
Office of Congresswoman Marie Gluesenkamp Perez  
1431 Longworth House Office Building  
Washington, DC 20515

Dear Ms Zarkin-Scott,

I am writing to invite you to attend an MIT seminar for senior Congressional staff. The seminar, **“Addressing climate change: Challenges and opportunities,”** will take place on the MIT campus in Cambridge, MA from October 10-12, 2023. To allow for robust discussion, invitations are being extended only to senior Congressional staff who work on energy-related policy areas.

We are able to cover the cost of travel and hotel accommodations and are carefully following House and Senate Ethics Committee requirements. The necessary ethics approval forms will be provided to you should you apply to attend.

As you will see in the agenda below, the seminar will include sessions with MIT faculty on a range of technologies and policy issues, as well as tours of Commonwealth Fusion

Systems and Boston Metal, which is decarbonizing steel production.

The seminar, which is sponsored by my office, was organized by the MIT Energy Initiative (MITEi) and the MIT Washington Office. If you would like to attend, please apply no later than close of business on Wednesday, September 6 by [CLICKING HERE](#). This will allow sufficient time for filing the necessary paperwork with your Ethics Committee by Monday, September 11. Spaces are limited, so early application is strongly suggested.

If you have received this invitation in error and the seminar is not relevant to your portfolio, please feel free to forward it to a colleague who focuses on energy and/or climate issues.

Helen Haislmaier in the MIT Washington Office will be happy to answer any questions, and she can be reached at (202) 789-1828 or at [helenh@mit.edu](mailto:helenh@mit.edu).

Sincerely,

A handwritten signature in black ink, appearing to read 'MTZL' with a long horizontal flourish extending to the right.

Maria T. Zuber
