Subject: ITIF Education Series Staff Trip Invitation
Date: Friday, June 30, 2023 10:28:05 AM

Sierra,

Greetings, hope you're well. I'm writing to invite you to join Congressional staff colleagues and ITIF experts on our next Education Series Staff Trip to **California's Bay Area Wednesday, October 11 through Friday, October 13, 2023.**

For over a decade we've been hosting groups of roughly 15 Hill staff on visits with key players in a range of science and technology fields. These trips are great opportunities to meet the engineers, scientists, investors and entrepreneurs pushing the frontiers of knowledge and bringing new innovations to market. Attendees have found the engagement with leading technology executives, prominent venture capitalists and academic leaders informative and thought-provoking as they grapple with the public policy challenges and opportunities in the innovation economy.

The timing of this trip is particularly auspicious given the transformative impact of current advances in AI, immersive tech, autonomous technologies, life sciences and related fields. We anticipate a packed schedule, likely to include stops at Apple, Amazon, Meta, Toyota, Adobe, Genentech, Grail and others, along with roundtable dinner discussions both nights.

Below is a tentative schedule:

Wednesday, October 11: Morning flight from Dulles International (IAD) to San Francisco (SFO) followed by lunch, site visits in San Francisco, and a roundtable dinner discussion. Overnight in Silicon Valley.

Thursday, October 12: Site visits throughout the day in Silicon Valley, to include lunch and dinner discussions. Overnight in Silicon Valley.

Friday, October 13: Final site visits in the morning ahead of an early afternoon flight from SFO to IAD.

All travel expenses and meals are paid for by ITIF and the trip complies with House and Senate rules governing privately sponsored travel. We will provide ethics documents in advance of the deadline once the itinerary is finalized.

Please let me know by July 20 if you can participate, and be sure to CC our event producer, Lauren Comito (lcomito@itif.org). If you're unable to participate but would recommend a

colleague, feel free to let us know.

We hope you can join us!

ATTACHMENT 2 – Question 12:

ITIF is a 501(c)(3) nonprofit organization founded in 2006 whose mission is to formulate and promote public policies to advance technological innovation and productivity. Recognizing the vital role of technology in ensuring American prosperity, ITIF focuses on innovation, productivity and digital economy issues. Our interest in the trip is to help staff better understand how new technologies and technology applications are developing and what the trends are likely to be in the future, so that they can better understand and respond to the technological challenges facing our nation.

ITIF is co-chaired by former members of Congress Susan Davis and Phil English and governed by a board of distinguished IT and innovation policy leaders and experts. Senators Chris Coons and Todd Young are the Foundation’s Honorary Senate Co-Chairs, and Congresswoman Suzan DelBene and Darrell Issa are the Foundation’s Honorary House Co-Chairs.

This trip is part of the “ITIF Education Series” – a set of regular trips with Members of Congress and/or senior House and Senate staff to high-tech and innovation hubs around the country to hear from company leaders about new developments and issues, and to participate in educational forums on IT and innovation policy issues.

ITIF is the sole sponsor and is organizing and executing all aspects of this trip.
