Ms. Elizabeth Mount
Republican Conference
543 Cannon House Office Building
Washington, DC 20515

Dear Ms. Mount:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to South Korea,¹ scheduled for October 7 to 13, 2023, sponsored by the Woodrow Wilson International Center for Scholars and Carnegie Corporation of New York.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$480] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

A handwritten signature in blue ink that reads "Michael Guest". The first letter "M" is large and loops around the start of the name.

12. For *each* sponsor required to submit a sponsor form, describe the sponsor's interest in the subject matter of the trip *and* its role in organizing and/ or conducting the trip:

The Wilson Center is the sole organizer of the trip. The Wilson Center is a Trust Instrumentality of the US government and was established by an Act of Congress in 1968. The Carnegie Corporation of New York funds the Foreign Policy Fellowship, but plays no role in choosing participants, selecting the destination, or designing the itinerary.

The Wilson Foreign Policy Fellowship Program aims to educate congressional staffers on foreign policy issues critical to U.S. national security, as well as to foster bipartisan working relationships. The trip supplements the work of the program's six-week seminar series, providing fellows with an opportunity to gain first-hand understanding of the policy challenges and opportunities discussed in the seminars. This study trip to Seoul, South Korea will focus on nuclear deterrence, the U.S.-ROK strategic alliance, China's ambitions in the region, semiconductor manufacturing abroad and the economic partnership between the U.S. and South Korea. Participants will be briefed by U.S. Ambassador Philip Goldberg, visit Hyundai and Samsung Electronics headquarters, and receive briefings from top U.S. military officials, the Korean National Intelligence Service and the Ministry of Foreign Affairs.

The Wilson Center's goal is to promote a first-hand understanding of policy issues on the legislative agenda through exposure to the perspectives of key stakeholders. The goal of the fellowship program is deeply rooted in the Wilson Center's mission to "unite the world of ideas to the world of policy by supporting preeminent scholarship and linking that scholarship to issues of concern to officials in Washington."

The Carnegie Corporation supports the Wilson Foreign Policy Fellowship Program with a grant aimed to educate Congressional staffers. The Carnegie Corporation shares the Wilson Center's interest in fostering bipartisanship in Congress, as well as in educating lawmakers on critical foreign policy issues.

15b (2) Provide reason for selecting the location of the event or trip.

Seoul, South Korea was selected as the location of this trip because of the importance of the region to the legislative agenda. Nuclear deterrence against North Korea, managing China's influence in the region, and strengthening the U.S.-ROK alliance are in U.S. interests. It is important for Congressional staffers to meet with stakeholders on the ground to learn first-hand of the present challenges and opportunities in the region.

18. Identify Specific Nature of "Other" Expenses (e.g, taxi, parking, registration fee, etc.)

The \$200 per person transportation cost is for a charter bus that will bring participants to and from site locations, briefings, and airport transfers.

About: The Korean Demilitarized Zone (DMZ) is a strip of land running across the Korean Peninsula that serves as a buffer zone between North and South Korea. The DMZ is a de facto border barrier, which runs in the vicinity of the 38th parallel north — which divides the Korean Peninsula roughly in half. The 38th parallel was the original boundary between the United States and Soviet brief administration areas of Korea at the end of World War II. Upon the creation of the Democratic People's Republic of Korea (DPRK) and the Republic of Korea (ROK) in 1948, it became a de facto international border and one of the most tense fronts in the Cold War.

About: The Korean Demilitarized Zone (DMZ) is a strip of land running across the Korean Peninsula that serves as a buffer zone between North and South Korea. The DMZ is a de facto border barrier, which runs in the vicinity of the 38th parallel north — which divides the Korean Peninsula roughly in half. The 38th parallel was the original boundary between the United States and Soviet brief administration areas of Korea at the end of World War II. Upon the creation of the Democratic People's Republic of Korea (DPRK) and the Republic of Korea (ROK) in 1948, it became a de facto international border and one of the most tense fronts in the Cold War.
