Dear Tim,

As a reminder, you are invited to be the special guest of the Consumer Technology Association (CTA)<sup>®</sup> for our Leaders in Technology (LIT) program at **CES 2024**, taking place in Las Vegas, Jan. 9-12, 2024.

This is a limited, non-transferable invitation and **we ask that you reply by Nov. 29.**

With an anticipated 130K+ attendees and 3500+ exhibitors, CES 2024 will be the largest in-person, independently audited tech event in the world.

You'll have the opportunity to hear directly from industry visionaries about how policy affects the cutting-edge tech that's fueling our nation's economy and job growth.

The program is also designed to meet the requirements of the ethics committee of the U.S. House of Representatives for privately-

sponsored travel. Pursuant to the rules, we are permitted to pay for no more than two nights and one day, subject to approval. The program, including guest rooms and the Leaders in Technology registration suite, is headquartered at the Encore at Wynn Hotel.

CTA is offering to provide your roundtrip coach airfare, lodging, transportation in Las Vegas from and to the airport, as well as the show sites and group meals during your stay in Las Vegas. You are only allowed to attend CES on Friday if accompanying your member.

Please find the required [Private Sponsor Certification Form and list of House staff invitees for your review here](#). This form will need to accompany your request to the U.S. House Selection Committee on Ethics for approval of privately-sponsored travel. CTA is not a lobbying firm, but does employ federal lobbyists.

**Register today using this email address —**

We hope that you will be able to join us for the Leaders in Technology program at CES 2024 — the global stage of innovation.
