Ethics Question #12

[US-Ireland Partnership for Growth](#) was established last year to facilitate more continuous engagement between U.S. and Irish business interests and political decision makers, with a primary economic focus.

Our Inaugural STAFFDEL to Ireland will provide a range of educational opportunities to further the understanding of the symbiotic economic relationship between the United States and Ireland. Our program during our trip will include education roundtables with Irish business and political leaders. The goal of the program is to provide Congressional Staff with a deeper awareness of the challenges, opportunities and growth drivers shaping the future of the US-Ireland economic relationship which is valued at an estimated \$825 billion.

The US-Ireland Partnership for Growth facilitates engagement between businesses with operations in both the United States and Ireland, and government leaders dedicated to promoting shared economic opportunity. The Partnership curates' programs that help multinational corporations remove barriers to grow and fuel a symbiotic economic relationship between the United States and Ireland.

Amid an increasingly complex global economic and political landscape, the Partnership recognizes Ireland as a critical economic partner for the United States and its most reliable gateway to the European Union.

Through policy driven advocacy and programs, the Partnership is committed to building on decades of progress to expand economic opportunity in both countries. The US-Ireland Partnership for Growth has organized and planned the trip with the professional guidance of our Executive Director, Ben English and our Senior Advisor, Andrea Mietus.

Ethics Question #15-2

The [US-Ireland Partnership for Growth](#) was established last year to facilitate more continuous engagement between U.S. and Irish business interests and political decision makers, with a primary economic focus. We believe this would be a great opportunity to kick off our Inaugural program with a trip to Dublin to showcase and provide U.S. Congressional Staffers leading their offices as policymakers, and leaders an opportunity to engage with Irish business and political leaders on issues affecting both the U.S. and Irish economies. As we look to bridge the gap and develop ongoing opportunities to share economic growth and prosperity to highlight more robust opportunities to do so. This small, curated bipartisan delegation will have an opportunity to focus on developing ways and opportunities to increase shared economic growth and prosperity while obtaining a greater understanding of the ways in which Irish leaders are addressing the challenges facing their nation.

Mr. John Barton Reising
Office of the Majority Leader

Dear Mr. Reising:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Ireland,¹ scheduled for February 25 to 29, 2024, sponsored by US-Ireland Partnership for Growth.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$480] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Michael Guest
