Mr. Jonathan Hefner
Office of the Honorable Steve Scalise
2049 Rayburn House Office Building
Washington, DC 20515

Dear Mr. Hefner:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Belgium and Finland,¹ scheduled for February 17 to 24, 2024, sponsored by Center for Strategic and International Studies and Carnegie Corporation of New York.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$480] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

12. For **each** sponsor required to submit a sponsor form, describe the sponsor's interest in the subject matter of the trip **and** its role in organizing and/or conducting the trip:

The CSIS Congressional Foresight Initiative aims to enhance staff members' understanding of long-range trends and global challenges affecting national security. This trip was organized by CSIS to provide the travelers an opportunity to explore how foresight is integrated across the European Union and NATO, with a specific focus on the future of the transatlantic relationship.

The Carnegie Corporation of New York has funded projects at think tanks and research centers to provide authoritative, fact-based knowledge and analysis, placing a special emphasis on Congressional education. Carnegie supports CSIS's Congressional Foresight Initiative to expand the understanding of critical international peace and security issues among congressional staffers. Carnegie funds this project in full, but does not have any role in selecting speakers or Congressional staff participants.

15. I represent that:

b. The trip involves events that are arranged specifically *with regard* to congressional participation. If "b" is checked:

1) Detail the cost *per day* of meals (approximate cost may be provided): \$130.00 per person

2) Provide the reason for selecting the location of the event or trip: Brussels is home to both EU and NATO decision making. Finland is NATO's newest member and has a proven record of implementing foresight into government planning.
