Mr. John Myron
Office of the Honorable Rosa DeLauro
2413 Rayburn House Office Building
Washington, DC 20515

Dear Mr. Myron:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Kenya,¹ scheduled for February 17 to 22, 2024, sponsored by World Food Program USA.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$480] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

4. Provide names and titles of ALL House Members and employees you are inviting. For each House invitee, provide an explanation of why the individual was invited:

The following individuals have been invited to participate in this learning trip to Kenya because they work directly on issues related to global food security and agricultural development:

- Brandon Ramsay, Staff Director, House Foreign Affairs Committee Global Health, Human Rights, and International Organizations Subcommittee, Minority
- John Altendorf, Legislative Assistant, Office of Representative Brad Finstad (R-MN)
- Joseph "Bubba" White, Legislative Director, Office of Representative David Rouzer (R-NC)
- Disha Banik, Policy Advisor, Rep. Hakeem Jeffries (D-NY)
- Alison Slagell, Deputy Chief of Staff, Office of Representative Frank Lucas (R-OK)
- John Myron, Legislative Assistant, Office of Representative Rosa DeLauro (D-CT)
- Elizabeth Mount, Policy Analyst, House Foreign Affairs Committee

12. Description of the sponsor's interest in the subject matter of the trip and its role in organizing and/or conducting the trip:

World Food Program USA (WFP USA) is a U.S.-based nonprofit organization dedicated to building support within the U.S. for the United Nations World Food Programme (WFP). World Food Program USA works with U.S. policymakers, corporations, foundations, and individuals to help provide financial and in-kind resources to develop policies needed to alleviate global hunger, particularly in extremely food insecure countries such as Kenya.

The United Nations World Food Programme (WFP) in Kenya receives considerable support from the U.S. Agency for International Development (USAID) and the U.S. department of Agriculture (USDA). This trip will allow delegates to see a wide range of WFP programming in the field, from general food distribution to school feeding to support to refugees. WFP USA is the sponsor of this trip, organizing all aspects of the program and logistics in addition to handling all outreach to Congressional offices and is the contact for planning purposes.

13b/c. Class of Travel:

Within Kenya, the delegation will be traveling one-way between Nairobi and Kakuma, Kakuma to Isiolo and Isiolo to Nairobi via chartered United Nations Humanitarian Air Service (UNHAS) flights. This is the only way to travel between these destinations on the given dates. UNHAS, which is managed by the U.N. World Food Programme, offers safe, reliable, cost-efficient, and effective passenger and light cargo transport for the wider humanitarian community to and from areas of crisis and intervention. UNHAS responds to the need for access to the world's most remote and challenging locations, often under precarious security conditions, where no safe surface transport or viable commercial aviation options are available. UNHAS only offers coach travel classes. World Food Program USA will reimburse UNHAS for full cost of this transportation service.

15b2. Provide the reason for selecting the location of the event or trip:

A decade of rapid economic growth, the inclusion of food and nutrition security in the government's 'big four' priorities, constitutional changes that devolve administrative responsibilities to county governments and the country's openness to innovation offer opportunities for the achievement of Sustainable Development Goal 2 on Zero Hunger and improved nutrition in Kenya. However, even

though the country has recently acquired lower middle-income status, the increased wealth has not benefited all Kenyans equally. Over one third of the population still lives under the international poverty line and social, economic and gender disparities remain. Access to adequate quantities of nutritious food remains a challenge for many, especially in arid and semi-arid regions which make up 80 percent of the country's land area. The friendship between the Republic of Kenya and the United States dates to the dawn of Kenyan independence. As an important partner in East Africa, Kenya is a significant recipient of U.S. foreign assistance. For nearly 60 years, USAID has worked closely with the Kenyan government, Kenya's private sector, and the Kenyan people to achieve humanitarian and development outcomes. The United Nations World Food Programme is a major partner of the United States in implementing international food assistance and agricultural development programs in the country. It offers delegates an opportunity to see a wide range of humanitarian and development initiatives in one place.
