Ms. Brooke Oliver
Office of the Honorable August Pfluger
1124 Longworth House Office Building
Washington, DC 20515

Dear Ms. Oliver:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Japan,¹ scheduled for May 25 to June 1, 2024, sponsored by United States Association of Former Members of Congress and Sasakawa Peace Foundation USA.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$480] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Primary Trip Sponsor Form Addendum

4. This study tour is intended for current Chiefs of Staff at offices of current Members of the United States Congress; FMC invited Chiefs of Staff who have previously expressed interest in Japan and U.S.-Japan relations – in particular, security, energy, trade, and social issues – and serve Members who sit on committees relevant to the trip’s issue areas. Please find enclosed a list of all invitees.

12. The Congressional Study Group on Japan is among the largest and most active parliamentary exchange programs between the U.S. Congress and the legislative branch of Japan. The Study Group creates constant channels of communication and dialogue between American legislators and their counterparts in the Japanese Diet through regular roundtables in Washington, DC throughout the year in addition to trips such as the 2024 Chief of Staff Study Tour to Japan. It offers senior congressional staff a unique educational forum to examine issues including the U.S.-Japan security alliance, energy policy, bilateral and multilateral trade agreements, and social issues such as women in the workforce and demographic change. FMC’s Congressional Study Group on Japan is responsible for organizing the program, arranging meetings, and inviting expert speakers to the study tour. FMC is solely responsible for all invitations to and communications with trip participants, as well as the budget for the 2024 Chief of Staff Study Tour to Japan.

Sasakawa Peace Foundation USA (SPFUSA) awards grant monies to fund the year-round programming of The Congressional Study Group on Japan as a part of their mission of promoting understanding between the U.S. and Japan. Sasakawa USA staff assists FMC in securing meetings in Tokyo.

15. b. 2) Tokyo is the financial and political hub of Japan, and the delegation will meet with high level government officials, journalists and experts on issues ranging from security, women’s status to energy policies. Additionally, through meetings with cultural figures as well as a visit to Sensoji Temple, participants will gain a holistic understanding of Japan’s rich history, culture, and religion.

Kobe is the capitol of Hyogo Prefecture in central Japan, and part of the Keihanshin metropolitan area along with Osaka and Kyoto. When Japan opened to trade with the West towards the end of the Edo Period, Kobe was a designated port and today remains one of twenty “designated cities” outside of Tokyo that are significant economic and population centers. Kobe hosts one of the busiest container ports in Japan and is a critical center for energy supply, which Japan is almost entirely reliant on imports to sustain. Participants will learn of central Japan’s importance to the US-Japan relationship, as well as its unique culture within the country.
