Committee on Oversight and Accountability  
2157 Rayburn House Office Building  
Washington, DC 20515

Dear Ms. Mortier:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Ireland,¹ scheduled for May 28 to June 1, 2024, sponsored by Global Women’s Innovation Network.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than $480 from a single source on the “Travel” schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts “of minimal value [currently $480] tendered as a souvenir or mark of courtesy” by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee’s review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department’s Smart Traveler Enrollment Program at https://step.state.gov.
If you have any further questions, please contact the Committee’s Office of Advice and Education at extension 5-7103.

Sincerely,

Question 4: GlobalWIN Staff Delegation Invitees

The Congressional delegation of staffers joining us are senior female staff from both Republican and Democratic offices with wide-ranging work portfolios, complementing our schedule of programming. Each of these staffers were offered to participate based on the range of issues that they work on, including issues related to workforce development, AI, manufacturing, healthcare, small business development, female leadership, and innovation in tech. They are also great examples of women in leadership on Capitol Hill, as they are some of the highest-ranking female staffers in Congress.

Question 12

GlobalWIN highlights women leaders and connects the public and private sector through our programming that includes networking receptions, policy roundtables, career workshops, and educational trips in the United States and abroad. Our stay in Dublin will combine all tiers of GlobalWIN programming and provide all participants a rare opportunity to learn about other governments and industries while connecting with experts and leaders outside of the U.S. GlobalWIN has organized and planned the trip with the professional guidance of our GlobalWIN President & Co-Founder, Helen Milby, Angela Chawla our Executive Director and Andrea Mletus our Senior Advisor.

Question 15-A

GlobalWIN has chosen to host our annual Staff Delegation Education Trip to Dublin, Ireland because of its unique location as the economic center of Ireland and a hub for global pharmaceutical, information and communications technology companies. Dublin is Ireland's vibrant capital city and provides a gateway between the EU and the US. While we are in Dublin, we plan to focus on a number of themes or policy initiatives in Ireland by visiting companies like, Amazon, Amgen, Esty, GM, Mastercard, Meta, Oracle, and Salesforce. With these meetings the focus will be on workforce development, AI, manufacturing, healthcare, small business development, digital commerce, female leadership, and innovation in tech. The Parliament of Ireland (Oireachtas) will also be in session during our visit, which will give our delegation the opportunity to likely meet with Irish government officials and learn about Ireland’s innovation and trade policies.

Dear Ms. Mortier,

The Global Women’s Innovation Network (GlobalWIN) invites you to join us for a staff educational delegation trip to Dublin, Ireland. We will depart from Washington, DC on Tuesday, May 28th, and programming will begin midday upon arrival on Wednesday, May 29th, followed by two full days of meetings with senior women in the Irish government and the US Embassy, as well as a series of receptions and cultural events, before departing Dublin to return to Washington, DC on the morning of Saturday, June 1st. Although we are in the planning stages of this trip, we are in the process of confirming meetings with government officials and their staff members, as well as sessions with corporate executives to discuss issues such as workforce development, AI, manufacturing, healthcare, small business development, female leadership, and innovation in tech. Your work on these topics will be a great asset to our delegation.

GlobalWIN was founded in 2009 as an educational nonpartisan 501(c)(3) non-profit organization. Honorary Co-Chairs Senators Shelley Moore Capito (R-WV) and Maggie Hassan (D-NH), Congresswomen Cathy McMorris Rodgers (WA-05) Debbie Wasserman Schultz (FL-23), Chrissy Houlahan (PA-06), and Young Kim (CA-35), GlobalWIN provides a dynamic forum for women executives and thought leaders in academia, government, and business who are passionate about innovation and its potential to advance critical policy issues. GlobalWIN is dedicated to helping women in these fields and related policy debates by providing opportunities to: 1) recognize their contributions to innovation and related policy debates; 2) share their views & engage publicly; 3) access resources that might not otherwise be readily available to accomplish these objectives; 4) broaden their network across areas of expertise and beyond our borders.

Please make sure you file your ethics no later than April 29th or sooner. If you have any questions in regard to programming, please contact our Executive Director, Angeli Chawla at angeli@globalwin.org. If you have any questions about logistics or your ethics filing, please reach out to our Senior Advisor, Andrea Mietus at andrea@mietusevents.com

Sincerely,

Helen Milby  
Executive Director, GlobalWIN

Question 4: GlobalWIN Staff Delegation Invitees

The Congressional delegation of staffers joining us are senior female staff from both Republican and Democratic offices with wide-ranging work portfolios, complementing our schedule of programming. Each of these staffers were offered to participate based on the range of issues that they work on, including issues related to workforce development, AI, manufacturing, healthcare, small business development, female leadership, and innovation in tech. They are also great examples of women in leadership on Capitol Hill, as they are some of the highest-ranking female staffers in Congress.

Question 12

GlobalWIN highlights women leaders and connects the public and private sector through our programming that includes networking receptions, policy roundtables, career workshops, and educational trips in the United States and abroad. Our stay in Dublin will combine all tiers of GlobalWIN programming and provide all participants a rare opportunity to learn about other governments and industries while connecting with experts and leaders outside of the U.S. GlobalWIN has organized and planned the trip with the professional guidance of our GlobalWIN President & Co-Founder, Helen Milby, Angela Chawla our Executive Director and Andrea Mleku our Senior Advisor.

Question 15-A

GlobalWIN has chosen to host our annual Staff Delegation Education Trip to Dublin, Ireland because of its unique location as the economic center of Ireland and a hub for global pharmaceutical, information and communications technology companies. Dublin is Ireland’s vibrant capital city and provides a gateway between the EU and the US. While we are in Dublin, we plan to focus on a number of themes or policy initiatives in Ireland by visiting companies like, Amazon, Agen, Esty, GM, Mastercard, Meta, Oracle, and Salesforce. With these meetings the focus will be on workforce development, AI, manufacturing, healthcare, small business development, digital commerce, female leadership, and innovation in tech. The Parliament of Ireland (Oireachtas) will also be in session during our visit, which will give our delegation the opportunity to likely meet with Irish government officials and learn about Ireland’s innovation and trade policies.
