2078 Rayburn House Office Building
Washington, DC 20515

Dear Ms. Castro:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Japan,¹ scheduled for May 25 to June 1, 2024, sponsored by Japan Center for International Exchange.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$480] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Ms. Adrienne Castro
Senior Legislative Assistant, Office of Rep. Mark Takano
2078 Rayburn House Office Building
Washington, DC 20515

Dear Ms. Castro,

On behalf of the Japan Center for International Exchange (JCIE/USA), it is my great pleasure to invite you to participate in JCIE's 2024 US Congressional Staff Exchange Program in Japan. This intensive weeklong study program will be held in Japan on May 27-May 31, 2024, and will involve a diverse set of meetings with leaders from government, business, media, and civil society as well as briefings from leading policy experts and practitioners in Japan. We are also excited that, this year, the group will have an opportunity to visit Kumamoto, which has been rebuilding as a technology and business hub since the 2016 earthquake.

We ask that participants arrive in Tokyo by Sunday, May 26, which requires departing from Washington, DC on Saturday, May 25. The program will end on Friday, May 31, 2024, and participants are expected to depart Japan on Saturday, June 1 and arrive in Washington DC on the same day. JCIE will make all of the necessary travel arrangements. As a program participant, round-trip airfare between the US and Japan, domestic travel in Japan, lodging, meals, and all other program-related expenses will be covered by JCIE.

During the program, please ask a lot of questions and engage actively in conversations with the Japanese speakers. We also request that you follow proper business etiquette. To go over some of these expectations and to provide insights from DC-based Japan experts on current developments in Japan and US-Japan relations, we will bring together all the participants for a pre-departure lunch briefing. Our target date will be in the week of May 13, and we will be in touch shortly to decide on the specific time.

JCIE, a US 501(c)(3) nonprofit organization, is the sponsor of the program. The program is made possible by grants from the Japan-US Friendship Commission, a US federal agency. Our Program Assistant, Kevin Bayes (kbayes@jcie.org), will be in touch with you regarding ethics forms, travel arrangements, and other details. In the meantime, please do not hesitate to contact us if you need additional information.

We are delighted to have you on this program, and look forward to your active participation throughout the trip.

Sincerely,

Kazuyo Kato
Executive Director
