Ms. Chelsea Brossard
Office of the Honorable Josh Gottheimer
203 Cannon House Office Building
Washington, DC 20515

Dear Ms. Brossard:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Israel,¹ scheduled for May 26 to June 3, 2024, sponsored by American Israel Education Foundation.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$480] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Michael Guest

Strategic Survey of Jerusalem - Part I: The Origin Stories

- City of David
- Robinson's Arch
- Western Wall
- Church of the Holy Sepulchre

The City of David

Jerusalem's City of David, more than any other site, represents the complexity of the Arab-Israeli conflict. The City of David is the site most archeologists agree to be the ancient city of Jerusalem that later became the capital of the united Israelite tribes under King David. This area is one of the most intensively excavated sites in the wider region. To Jewish Israelis, the site represents the beginning of their physical and emotional attachment to Jerusalem that has continued for over three thousand years. At the same time, much of the site is located in the predominantly Arab neighborhood of Silwan. The residents of Silwan, and the Palestinian Authority leadership are opposed to the archeological efforts being carried out in the City of David. In several instances, homes in Silwan were purchased and then destroyed to open up more areas for excavations. Palestinian leadership has denied the existence of any Jewish connection to Jerusalem.

Old City of Jerusalem & the Holy Basin

The Old City of Jerusalem is home to the holiest shrines of the three monotheistic religions, including the Temple Mount, the Church of the Holy Sepulchre, and the Al-Aqsa Mosque. The Holy Basin is the historic location of Jerusalem and refers to the land surrounding the Old City, including the Mount of Olives, believed to be the departure point for Jesus' final entry into Jerusalem and the cemetery where Jews have been burying their dead for 2,500 years. The Holy Basin also includes the Western Wall, Judaism's holiest site, and the Temple Mount (Haram al-Sharif), sacred ground for Jews, Muslims, and Christians. Control over these sensitive areas remains among the largest disputes in the Middle East. The professionally guided survey will walk through all of these sites and others, educating trip participants on their historical impact and their role in today's political discussions.

It is critical for trip participants to understand the parliamentary system in Israel. Professor Hazan explains how the parliamentary party system works, how coalitions rise and fall, and how Israeli politics differ from American politics. Since the delegation will be visiting with government officials throughout the week, we believe it's important to provide this overview early in the seminar.

 -at the hotel dining hall
- 8:30 AM Depart for Yad Vashem
- 9:00 – 11:00 AM **The Significance of the Holocaust in Israeli Society**
 Guided visit to the Yad Vashem Holocaust Museum

One cannot understand Israel's worldview without understanding the trauma of the Holocaust. Israelis view threats to its destruction in light of the events of the 1930s and 1940s, when the German government's threats to exterminate the Jewish people were not taken seriously by the international community. This museum provides an important reference point as to how Israelis interpret the threat of an Iranian nuclear program and Iranian leaders committed to Israel's destruction. Yad Vashem has become a symbol of the Jewish people and its transformation from total helplessness to self-reliance and strength. Thus, a visit to Yad Vashem provides a historical context for the Jewish state. The museum's professional docent will guide the delegation through the main exhibit hall and the children's memorial.

- 11:30 AM–12:45 PM **Paying Tribute to Israel's Fallen Soldiers**
 A visit to Har Herzl, military cemetery

A critical piece of understanding Israeli society and culture, is the role of the Israel Defense Forces (IDF), mandatory army service, and veterans. Mount Herzl is the site of Israel's national cemetery, named after Theodor Herzl, the founder of modern political Zionism. Israel's leaders and fallen soldiers are buried there. Every plot section in Mount Herzl has a broad plaza for memorial services. Most state memorial ceremonies for those killed in war are conducted in the National Military and Police cemetery. This visit will highlight the way Israel remembers its fallen and relates to the role of the military in as part of the fabric of the Jewish State. Since the massacre on October 7th and the ensuing war, the cemetery has seen many funerals in recent months and visiting now will help participants understand the current Israeli psyche.

As part of the seminar’s focus on the complex religious fabric of Israeli society, the delegation will be visiting several of the most sacred sites for Christians in the Holy Land. Included is a guided survey and discussion of some of the most important events in the life of Jesus by the Sea of Galilee. Just as strategic surveys in Jerusalem focused on Jewish, Muslim, and Christian history and claims to the land, the site visits to the Christian sites help provide context for the competing religious narratives for the land of Israel. For example, we will be visiting the Mount of Beatitudes, where Jesus delivered the Sermon on the Mount, the most studied and read speech of any religion in history. Our guide will also lead discussions through Capernaum.

Our speaker, Mohammad Darawshe is currently the director of planning, equality and shared living at Givat Haviva Educational Institute –a non-profit organization founded in 1949 as the national education center of the Kibbutz Federation in Israel. His focus throughout his career is promoting coexistence and quality among Israel’s Jewish and Arab-Palestinians citizens. 1:45 PM Depart for Tel Aviv

2:00 – 3:00 PM **Briefing en route: Jordanian-Israeli Relations**

The tour guide will spend approximately an hour during the drive from the North to explore several topics related to Israel’s eastern neighbor: specifically, Israeli-Jordanian strategic cooperation, the implications of the Syrian civil war on the Kingdom, and Jordan’s response to post-October 7th threats. The Hashemite Kingdom of Jordan became the second Arab country after Egypt to recognize Israel when it signed a comprehensive peace agreement that ended nearly five decades of warfare. Shepherded by United States President Bill Clinton, the accord

signed on Oct. 6, 1994, marked the onset of a new era of economic, cultural, and political dialogue and cooperation between the two countries.

In recent years, the two countries have worked together to combat the increased threat from terrorism by coordinating their security efforts and preventing infiltrations across their shared border. Our guide will address how threats in the region impact Jordan internally, as well as relations and further potential for strategic partnership between Jordan, the United States, and Israel.

In Israel, military service is mandatory for everyone over the age of 18, with several exceptions. Most Israelis join the army right after high school and serve for three years. As such, the Israel Defense Force (IDF) is an integral part of the fabric of Israeli society. During this lunch, participants will have the chance to meet with several reservists, and hear about their experiences in the army. They will discuss the values of the Israel Defense Forces – known as Ruach Tzahal (The Spirit of the IDF). This overarching ethical code, and the guidelines and operation resulting from it, shape the mode of action applied by all IDF soldiers and units, both in peace and at war. During basic training, every IDF soldier studies and analyzes the code of ethics together with their commanders.

Some of them are living artists, some deceased – either murdered on October 7th or died during the ongoing war, while others are residents (or former residents) of the southern areas, who suffered the loss of their loved ones, their homes, or whose families were affected by the horrors of the massacre. The new exhibition wishes to frame a current situation and to record the unique creative burst that is well felt among Israelis since the war began.
