Mr. Quinn Ritchie
Office of the Honorable Mike Kelly
1707 Longworth House Office Building
Washington, DC 20515

Dear Mr. Ritchie:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to San Francisco, California, scheduled for August 7 to 10, 2024, sponsored by Center Forward.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Michael Guest
Chairman

12. Sponsor's interest in the subject matter and role in organizing the trip:

Center Forward's Healthcare Innovation Conference is being convened to bring together a bipartisan group of senior legislative staffers from the House of Representatives to discuss innovation and development in America's critical healthcare industries and how the federal government can foster business growth and further scientific progress. Center Forward's organizational mission is to provide centrists with the information they need to craft common-sense solutions and provide support in turning those ideas into results. Center Forward brings together Members of Congress, their staffs, not-for-profits, academic experts, trade associations, corporations, and unions to find common ground.

Center Forward is the sole organizer of the trip. Center Forward is planning the conference and is responsible for the organization and execution of the event logistics as well as the programming content. Discussion topics will include the venture capital ecosystem, innovative technologies, artificial intelligence applications for healthcare, supply chain onshoring, solutions for health disparities, new public-private partnership opportunities, and workforce development initiatives to support sensitive and growing industries. Conference attendees will be senior legislative staffers from House member offices, and will speak with researchers, business leaders, startup founders, academics, and local government officials in the San Francisco Bay area.

15.b.2) Provide the reason for selecting the location of the event or trip:

San Francisco, California was selected as the location for the conference to give attendees an on-the-ground experience in one of America's largest innovation hub cities. The Greater San Francisco Bay area has been the epicenter of healthcare innovation for decades serving as the point of overlap between the healthcare and technology industries. Coupled with a world-class university and remarkable workforce pool, some of the most innovative and successful American companies have chosen to make a home in San Francisco. Throughout the conference, attendees will see the results of investment in these industries and learn about the unique culture that attracts business growth and talent from across the country.
