PRIMARY TRIP SPONSOR FORM

ADDENDUM

QUESTION 4: Provide names and titles of ALL House Members and employees you are inviting. For each House invitee, provide an explanation of why the individual was invited (include additional pages if necessary):

See attached invitation list. This Beck's Hybrids sponsored event focuses on the importance and process of hybrid seed breeding in the agriculture industry, Practical Farm Research, and the advancement of agri-technology in modern farming. This fact-finding trip is tailored to provide information and hands-on learning for Congressional staff directly related to policy being considered by the House, the Committee on Agriculture, and related to the representative interests found in the Member's Congressional Districts. Congressional staff have been invited based on their affiliation with the Agriculture Committee, agriculture interests in their Member's district, and/or their connection to agriculture legislation being constructed in their office or considered by the House.

QUESTION 12: For each sponsor required to submit a sponsor form, describe the sponsor's interest in the subject matter of the trip and its role in organizing and/or conducting the trip:

Beck's Hybrids is the third-largest seed brand in the United States, providing high-yielding corn, soybeans, wheat, and elite alfalfa to farmers across more than a dozen states. Beck's Hybrids is hosting this event as a leader in agriculture innovation and technology development so that Congressional staff have the opportunity to learn more about the industry, hear directly from affiliated farmers, and create policy in the best interest of American agriculture. Beck's Hybrids is the sole organizer and conductor of this event.

QUESTION 13(a): Mode of travel:

Both air and car travel are permissible. Car travel will be reimbursed at the GSA rate for total mileage driven (up to 400 miles each direction).

QUESTION 15(b)1: Detail the cost per day of meals:

- Wednesday total cost: \$97
- Thursday total cost: \$5

We will be catering lunch and dinner for participants on Wednesday. Breakfast is free for hotel guests. On Thursday, lunch will be provided during Becknology Days, "without regard" to congress attendance. This meal is free for event attendees, with an estimated cost of \$5.

QUESTION 15(b)2: Provide the reason for selecting the location of the event or trip:

Atlanta, IN is the headquarters and premier hybrid seed facility for Beck's Hybrids. It is also the location of the day two event which is part of a larger conference. (The first day is comprised of sessions specifically for Congressional staff. The second day is a large conference with a specialized agenda for Congressional staff built inside of the main program).
