(CARE), World Vision Inc., and the Bill & Melinda Gates Foundation. We note that this trip includes four days at your personal expense.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$480] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

This letter is submitted in regard to a learning trip beginning August 10, 2024. The Bill and Melinda Gates Foundation made a grant to CARE USA on September 9th, 2023 to fund various activities, including congressional tours to provide learning opportunities on U.S. foreign assistance programs. Additionally, the Bill and Melinda Gates Foundation also made a grant to World Vision on October 1st, 2023 to fund various activities, including congressional tours to provide learning opportunities on U.S. foreign assistance programs.

I send this letter to confirm that the Bill and Melinda Gates Foundation is aware of this project and has provided support, through the assistance of grant funding, to CARE USA and World Vision for this project for the purpose of providing members of Congress, Congressional staff, other key decision-makers and influential individuals with the personal experience and knowledge of U.S. government programs in the developing world and to provide follow-on information to tour participants, selecting countries that have a broad array of U.S. government development projects.

However, the Foundation did not play a significant role in the project, or in organizing the related trip, and has not been involved in the selection or invitation of travel participants. Decisions regarding travel participants have been controlled by and under the sole discretion of CARE USA and World Vision. The funding provided to CARE USA and World Vision has not been directly or indirectly earmarked to finance any aspect of this trip.

If we can provide any additional information, please contact me at Kim.Webber@gatesfoundation.org, or at 202.662.8195.

Hi Lindsay,

CARE and World Vision are pleased to invite you on a bipartisan Staff Learning Trip to Cambodia, where you will have the opportunity to **see firsthand how U.S. investments are working to address Cambodia's key development challenges and to improve the health of vulnerable populations.** The trip will take place from **August 10th – 17th** (including travel days) and will include meetings with the USAID and U.S. Embassy missions, representatives from the Cambodian Government, program implementers and beneficiaries.

We hope this trip serves as a valuable resource for your office as you explore the U.S. Government's involvement in international development and global health, particularly in Cambodia. During the trip, you will visit CARE, World Vision and other partner programs **centered on maternal and child health.** You will have the chance to engage with frontline health workers and observe innovative development initiatives that are transforming the lives of hundreds of thousands of Cambodians. Also, you will meet with government officials at local and national levels to discuss the implementation of these initiatives.

Cambodia has a growing and increasingly diversified economy with a population of over 17 million in Southeast Asia. The country has a youthful and motivated workforce, keen to play a role in Cambodia's ongoing development. As a significant partner in Southeast Asia's regional initiatives, Cambodia has been a notable recipient of U.S. foreign assistance. USAID has collaborated with the Cambodian government, private sector, and civil society for over two decades to foster growth and development in various sectors.

We hope that you will be able to participate in this educational and exciting trip! I will be going on the trip as well. Please feel free to reach out if you have any questions. Happy to jump on a call to discuss our potential itinerary in more detail.

Thanks for considering,

Erin

Addendum B – World Vision/CARE Cambodia Trip

Qs. 12: For each sponsor required to submit a sponsor form, describe the sponsor's interest in the subject matter of the trip and its role in organizing and/or conducting the trip:

The trip will focus on global health, specifically maternal and child health, which is a key area of focus for World Vision in Cambodia and globally. World Vision's role in the trip is coordinating invitations to staff, completion of Ethics forms, trip registration and bookings (flight/hotels), and jointly developing the itinerary with CARE.

The trip will focus on global health, which is a core focus for CARE, both in Cambodia and internationally. CARE's role in the trip is jointly developing the itinerary, planning site visits with partner organizations, providing support staff for the trip, and coordinating in-country logistics.

The Bill and Melinda Gates Foundation supports global health programs globally and has had a long-term focus on improving access to health services for women and children. While the foundation has provided general financial support for the trip through grants to World Vision and CARE, they have no role in trip planning, recruitment, or execution.

World Vision/CARE Addendum C – Charter Flight

The trip will include a short, one-way flight via charter from Phnom Pehn to Siem Reap Monday, August 12. During a preparatory trip, commercial flights were consistently cancelled and rebooking options were limited as flights are infrequent and most require layovers, adding significant time to the journey. To avoid any risk to the program and transit delays, a charter gives certainty that we will be able to complete the program as planned.

Car or bus between the two cities would take approximately 5 hours, significantly reduces the hours to meet the required programming time of 6 hours. We will be driving back from Siem Reap to Phnom Pehn with programming included along the route, eliminating the loss of programming time due to transit time.

Charter option: Flight from Phnom Pehn International Airport to Siem Reap International Airport. Estimated 60 minutes flight time. Departure time of 1:45. Estimated cost per person: \$500.

Alternate options:

There are only two direct commercial options between Phnom Pehn and Siem Reap, one that is at 7:45 am and another at 10:25 am. All other flights have layovers. The most viable alternatives for the trip are:

Angkor Air K6107 commercial flight non-stop from Phnom Pehn to Siem Reap, leaving at 10:25 am and arriving at 11:40 am. According to data on the website airportia.com, on average, 30% of all K6107 flights are delayed. The average delay is 24 minutes. Cost - \$134.

Vietnam Airlines commercial flight from Phnom Pehn to Siem Reap with a layover in Saigon, leaving at 2:10 pm and arriving at 5:30 pm. This is not a good option as the layover takes significant time away from the program and ability to see programming. Cost - \$303.

Due to the limited time available on the trip and the lack of reliable non-stop flight options, we believe a charter flight is essential for the trip and to ensure compliance with required educational programming hours on August 12th.
