Ms. Laura Titus
Office of the Honorable Robert B. Aderholt
266 Cannon House Office Building
Washington, DC 20515

Dear Ms. Titus:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Mozambique,¹ scheduled for August 10 to 17, 2024, sponsored by United Nations Foundation and the Bill & Melinda Gates Foundation.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$480] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

1:45pm – 2:45pm **Meeting with Dr. Zelia Menete, Director of IIAM/DCA Institute of Agricultural Research of Mozambique/Directorate of Animal Sciences; Central Veterinary Laboratory**

The delegation will meet with Dr. Zelia Menete, General Director of IIAM, to discuss how the U.S.-Mozambique partnership is supporting core capacities required by the International Health Regulations (IHR) to prevent, prepare, and respond to infectious diseases of zoonotic origin.

The delegation will learn about the USG GHS investments in the area of animal health to strengthen veterinary laboratory capacity for the diagnosis and outbreak investigation of transboundary animal diseases, zoonotic diseases and minimize the impact of antimicrobial resistance in animals. The delegation will learn about efforts made by the Ministry of Agriculture in detecting, confirming, controlling, and containing the recent Avian Influenza outbreak, minimizing the catastrophic impact of a larger outbreak, and its severe economic losses and livelihoods of people in Mozambique.

The visit includes a tour of the laboratory facility, which is the national reference lab for veterinary services. The Veterinary Central Laboratory Directors of key technical areas will be in attendance.

Location: Central Veterinary Laboratory (by Junta), Direcção de Ciências Animais, Instituto de Investigação Agrária de Moçambique

(IIAM), Campus da Faculdade de Veterinária, Av. de Moçambique, Maputo

Participants: Jolene Nakao, CDC Associate Director GHS & Public Health Response; Ritu Singh, USAID Integrated Health Office Director; Kelly Badiane, USAID HIV, TB, and Health Threats Division Chief; Monica Dea, USAID Global Health Security Advisor; Timothy Yussuf, FAO/ECTAD International Laboratory Expert

2:45pm – 3:15pm Transit via hired car to UNICEF offices

3:15pm – 4:15pm **UN Country Team Overview**

The delegation will meet with the WHO Country Representative, UNICEF Country representative, FAO Country representative, UNAIDS Country Representative and UNHCR, for an overview of the UN portfolio in Mozambique and their work in immunization, malaria, and global health security.

Location: Niassa Room, UNICEF Office, Av Zimbabwe 1440

Participants: Yannick Brand, Deputy Representative (OIC Representative), UNICEF; Maureen Gallagher, Chief of Health & Nutrition, UNICEF; Philippe Degernier, Country Director and Representative, UNAIDS; Marilena Urso (SRHR Technical Specialist); UNFPA RRai Cheick Fall; Luis Vedor, Healthcare Infrastructure Specialist, UNHabitat; Wild do Rosario, Head of Programme, UNHabitat; Edo Stork, Resident Representative, UNDP; Sascha Nlabu, OiC/Chief of Mission; Angelica Siteo, Migration and Health Officer, IOM; Maria Salazar, Country Director, UNOPS; Dr Severin von Xylander, WHO Representative

4:30pm – 5:45pm Executive Time

5:45pm – 6:00pm Transit via hired car to Sal & Grafia, Fundação Fernando Leite Couto

6:00pm – 8:00pm **Working Dinner with IOM, UNHCR, WHO, UNICEF**

Due to the country's geography, Mozambique is highly exposed to severe weather-related events – including cyclones and flooding. Most recently, in early 2023, the country was hit twice by the same Tropical Cyclone Freddy, affecting 10 of 11 provinces, triggering health crises, spikes in water-borne diseases, and displacing nearly 200,000 individuals.

The delegation will have a working dinner with representatives from the UN International Organization for Migration (IOM), WHO, UNFPA, UNICEF and UNHCR to discuss health service delivery in the wake of humanitarian emergencies, and the unique challenges displaced populations face in receiving adequate health care – from maintaining adherence to critical medicines to routine immunization and malaria commodities.

Location: Sal & Grafiá, Fundação Fernando Leite Couto, nº 961 Avenida Kim Il Sung, Maputo

Participants: Sascha Nlabu, OiC/Chief of Mission, IOM; Fatima Eldiasty, Representative a.i, UNHCR; Severin v. Xylander, Representative, WHO; Yannick Brand, UNICEF Representative; Maureen L. Gallagher, Chief CHN, UNICEF

6:30am – 7:40am Breakfast at hotel (*at your leisure*)

7:40am – 8:30am Transit via hired car to Instituto Nacional de Saúde (INS)

8:30am – 11:30am **Visit to the Instituto Nacional de Saúde (INS)**

The delegation will visit the National Institute of Health (INS) in Mozambique, where they will meet Dr. Eduardo Samo Gudo, the INS Director General, and select senior technical staff, for an introductory meeting and overview highlighting INS support for malaria, global health security, and vaccine-preventable diseases. The visit includes a tour of the INS facility, including the National Health Reference Laboratory, the Entomology Laboratory and Insectary. The overview and site visit will showcase efforts funded across various initiatives and technical collaborations with USG, Global Fund, WHO, UNICEF, and other key partners.

The USG has supported INS to enhance its role in public health functions, such as disease surveillance, laboratory diagnosis, outbreak investigation, public health emergency management, and workforce development including the Field Epidemiology Training Program (FETP) to strengthen the capacity of health professionals. The President's Malaria Initiative (PMI) supports the malaria parasitology and entomology labs (including the insectary) and malaria specific FETP residents. The delegation will also learn about INS's work on the health effects of climate change.

Additionally, INS receives funding from the Global Fund to support community surveillance activities and lab systems through the Community Health and Vital Events Surveillance System (SIS-COVE), complementing the U.S. Government's investment. The visit will underscore U.S. support for Mozambique's health security and highlight capacity-building efforts in the national health system.

Location: INS, Marracuene District

Participants: Irene Benech, CDC Country Director; Jolene Nakao, CDC Associate Director GHS & Public Health Response; Yari Torres-Mendoza, CDC PMI Resident Advisor; Ritu Singh, USAID Integrated Health Office Chief; Abuchahama Saifodine, PMI Resident Advisor; Kelly Badiane, USAID HIV, TB and Health Security Division Chief; Monica Dea, USAID

Global Health Security Advisor; Amos Mataruse, USAID Integrated Health Office Deputy Office Director; Adam Wolkon, CDC Epidemiology & Surveillance Branch Chief; Calu Faquir, Health Emergency Preparedness Officer, Acting EPR Coordinator Sinesia, Infection Hazard Management; Dr Maxim Berdnikov, Global Fund Portfolio Manager

12:20pm – 2:00pm **Working Lunch with Global Fund Country Coordinating Mechanism (CCM) and Implementing Partners**

The delegation will have a working lunch with the CCM and civil society organizations implementing HIV, TB, and malaria interventions to understand how the Global Fund engages with key stakeholders and partners to respond to challenges and opportunities on the ground.

Location: Azul Restaurant, Ground Floor, Residencias Building, Radisson Blu Hotel

Participants: Dr Francisco Mbofana, Chair of the Mozambique CCM and the National AIDS Council; Maria Carolina Silva, Country Director, World Vision Mozambique; Jason Befus, Resource Mobilization Director, World Vision Mozambique; Celso Varinde, Executive Director, Center for Collaboration in Health; Liaison Daniel, Technical Director, Center for Collaboration in Health; Mark Troger, PEPFAR Coordinator, State Department; Dr Severin von Xylander, WHO Representative; Nurbai Calu, HIV and TB Officer; Eva Carvalho, Malaria Officer, UNAIDS; Dr Maxim Berdnikov, Global Fund Country Portfolio Manager; Diogo Milagre, Delegated Administrator, FDC; Adelino Xerinda, Director of Program Operations, FDC; Freide César, CCM Executive Secretary, Global Fund Mozambique; Adérito Tenhane, Member of the CCM, Representative of the Key Populations Constituency; Gilda Jossias, Member of the CCM, Representative of the Civil Society Constituency

2:00pm – 2:30pm Coffee break / Executive Time;
Transition to ground floor conference room

2:30pm – 4:30pm

Vaccination campaign micro-planning table-top exercise

The delegation will participate in a table-top exercise aiming to simulate what it takes to develop a vaccination campaign microplan (based around polio outbreak response), challenging them to create their own plan that leverages limited resources to reach the maximum number of children in a community. The microplan is an important tool for health-care planning and service delivery. It identifies population location and helps with the rationalization of team workload in the delivery of immunization services. During this exercise, the delegation also will hear an overview of what a microplan is and how it has been used from experts working in Mozambique to develop/implement these plans along with local health-care workers.

Location: Conference Room, Ground Floor, Radisson Blu Hotel

Participants: U.S. Ambassador Peter H. Vrooman; Jolene Nakao, CDC Associate Director, GHS & Public Health Response; Adam Wolkon, CDC Branch Chief, Epidemiology & Surveillance; Luciana Flannery, CDC HQ Polio Expert, Polio Eradication Branch, Global Immunization Division (GID), Global Health Center (GHC); Ritu Singh, USAID Integrated Health Office Director; Emily Hillman, USAID Family Health Division Chief; Salesio Macuacua, USAID Specialist in Child Health and Immunization; Monica Dea, USAID Global Health Security Advisor; Esmeralda Karegeanes, Health/Immunization Specialist, UNICEF; Jean-Marcus, Polio Coordinator, UNICEF; Manuel Novela, Immunization Officer; Nirakar Panda, GPEI Coordinator for Mozambique

10:00am – 10:15am Walk on foot to Governo Provincial building (adjacent to hotel)

10:15am – 11:15am **Courtesy meeting with the Secretary of State, Governor, and Provincial Health Services and the Nampula Provincial Health Directorates**

The delegation will meet with Jaime Bessa Augusto Nego, Nampula's Secretary of State; Manuel Rodrigues Alberto, Governor of Nampula; and Provincial Health Authority leadership to understand how the U.S., in close collaboration with the Government of Nampula, is helping

Mozambique build a healthier, more secure, more democratic, and more prosperous country for all citizens.

Nampula Province is located in northern Mozambique and is the most populous province with over 6.6 million inhabitants. Agriculture is key for the economy of Nampula with major crops including cashew nuts, cotton, corn, and cassava. The USG investments in health include but are not limited to malaria, immunization, and health security, supporting a resilient health system for Mozambique.

Nampula has the second highest incidence of malaria in the country. In 2023 there were 2.4 million cases of malaria reported. Despite the improvements in vaccine coverage, Mozambique reported 204,863 zero-dose children in 2023. Nampula province has the highest number of zero-dose children at 46,069. According to the 2022-2023 Demographic Health Survey, only 25% of children in Nampula under 2 years old are fully vaccinated with basic antigens.

In recent years, Nampula Province has faced outbreaks of numerous diseases, including polio, cholera, measles, and COVID-19. With USG support, ongoing efforts continue in rapid disease detection and response to polio, with five cases of vaccine-derived poliovirus type 2 detected since 2021. With cholera, there have been 5,622 cases and 15 deaths recorded since October 1, 2023.

Location: First Floor meeting room, Governo Provincial

Participants: Irene Benech, CDC Country Director; Ritu Singh, USAID Integrated Health Office Director; Raju Lourenco, USAID Provincial Advisor; Vasconcelos Muetequelane, Health & Nutrition Specialist; Calu Faquir, Health Emergency Preparedness Officer; Acting EPR Coordinator Nirakar Panda, GPEI Coordinator; Florence Erb, WHO External Relations Officer; Maureen Louise Gallagher, Chief of Child Health and Nutrition, UNICEF

11:15am – 12:00pm Transit via hired car to central market entrance; walk on foot two minutes

12:00pm – 12:45pm **Visit to a Polio Environmental Sample Collection Site + AMOSTRA**

Observation and interaction with public health officers as they demonstrate environmental sampling to test for polio and discuss the polio environmental surveillance platform as an asset to refine polio response activities on the ground, disease detection and national health security. The delegation will also have an opportunity to see USG's AMOSTRA project. AMOSTRA is funded through multiple technical areas (PEPFAR, TB, GHS) to transport samples from health facilities to reference laboratories, ensuring that samples are effectively transported from collection sites to testing labs in a timely and safe manner, assuring the quality of samples during transport.

Location: Ponto de Bairro Central

Participants: Luciana Flannery, CDC Polio Expert, Polio Eradication Branch, Global Immunization Division, Global Health Center; Irene Benech, CDC Country Director; Jolene Nakao, CDC Associate Director, GHS & Public Health Response; Ritu Singh, USAID Integrated Health Office Director; Emily Hillman, USAID Family Health Division Chief; Salesio Macuacua, USAID Specialist in Child Health and Immunization; Raju Lourenco, USAID Provincial Advisor; Calu Faquir, Health Emergency Preparedness Officer; Acting EPR Coordinator Nirakar Panda, GPEI Coordinator; Florence Erb, WHO External Relations Officer; Maureen Louise Gallagher, Chief of Child Health and Nutrition, UNICEF

12:45pm – 1:30pm Pick up lunch at VIP Café en route to CMAM Regional Medical Warehouse via hired car

1:30pm – 2:45pm **Visit and Tour of Central de Medicamentos e Artigos Medicos (Central Medical Stores) Nampula Regional Medical Warehouse**

The delegation will meet with Dr. Maria Etelvina, Head of the Nampula Regional Warehouse for a guided visit through the warehouse to see first-hand the \$7.9 million USG investment made to improve the availability

and distribution of medical supplies in Nampula, Cabo Delgado, Niassa, and Zambezia. Regional warehouses are responsible for storing and distributing the medicines to provinces, and the intermediary and province warehouses distribute medicines to districts and health facilities.

The USG supported the construction of the Nampula regional warehouse, which is owned and operated by the Mozambican Government through CMAM. Global Fund collaborates closely with the USG to support Mozambique's health product supply chain, including the procurement and transport of commodities such as for malaria, HIV, tuberculosis, maternal and child health, and nutrition. This is the second largest warehouse for health commodities in the country. This meeting will help the delegation understand how the U.S., in close collaboration with the Government of Nampula and Global Fund, is helping Mozambique build a healthier, more secure, and more prosperous country for all citizens by strengthening its supply chain system.

Location: CMAM, Bairro de Murapaniua, Nampula

Participants: Dr. Maria Etelvina, Head of the Nampula Regional Warehouse; Lucilo Williams, CMAM Pharmacy Director; Irene Benech, CDC Country Director; Jolene Nakao, CDC Associate Director, GHS & Public Health Response; Ritu Singh, USAID Integrated Health Office Director; Emily Hillman, USAID Family Health Division Chief; Salesio Macuacua, USAID Specialist in Child Health and Immunization; Raju Lourenco, USAID Provincial Advisor; Calu Faquir, Health Emergency Preparedness Officer, Acting EPR Coordinator Nirakar Panda, GPEI Coordinator; Maureen L. Transit via hired car to the Cuhari community

3:45pm – 4:45pm

**Plataforma Inter-Religiosa de Comunicação para a Saúde (PIRCOM)
Community Dialogue Visit**

PIRCOM utilizes its extensive inter-religious platform – incorporating Muslim, Christian, Hindu, and Baha’i faiths – to communicate key health messages and support their communities in implementing healthier behaviors and actions. Engaging PIRCOM’s inter-religious platform is particularly important in Mozambique, where many community members turn to religious leaders for guidance on health actions connected with their religious doctrine. PIRCOM is supported by USG and for the past five years it has played a cross-cutting health communication role, receiving funding from malaria, HIV, family planning, maternal and child health, nutrition, and health security.

During the site visit, the delegation will attend a PIRCOM community dialogue at the Rapale Community where they will discuss the risks, symptoms, and health-related actions to be taken when considering

malaria in pregnancy. The delegation will observe the interaction between the religious leaders and the community members. They will also have the opportunity to ask questions. The session will be in lecture format by two religious leaders, one Christian and one Islamic.

Location: Cuhari Community, Rapale

Participants: Pastor Rosario Xavier, PIRCOM; Albertina Antonio Valentim, PIRCOM; Yari Torres-Mendoza, CDC/PMI; Irene Benech, CDC Country Director; Jolene Nakao, CDC Associate Director, GHS & Public Health Response; Luciana Flannery, CDC HQ Polio Expert, Polio Eradication Branch, GID, GHC; Ritu Singh, USAID Integrated Health Office Director; Emily Hillman, USAID Family Health Division Chief; Salesio Macuacua, USAID Specialist in Child Health and Immunization; Raju Lourenco, USAID Provincial Advisor; Calu Faquir, Health Emergency Preparedness Officer; Acting EPR Coordinator Nirakar Panda, GPEI Coordinator; Florence Erb, WHO External Relations Officer; Maureen Louise Gallagher, Chief of Child Health and Nutrition, UNICEF

4:45pm – 5:30pm Transit via hired car to hotel

5:30pm – 7:00pm Executive Time

7:00pm – 9:00pm Working Dinner with Bishop Dinis Matsolo (PIRCOM)

The delegation will have a working dinner with Bishop Dinis Matsolo, PIRCOM Executive Director, to learn about PIRCOM's objectives, activities, and history.

Location: Private Room, 7th Floor Restaurant, Grand Plaza Hotel

Participants: Bishop Dinis Matsolo, Executive Director, PIRCOM & Bishop of the Methodist Church; Abdulmagid Antonio Junior, PIRCOM Vice Delegate and Sheik and Vice President of the Nampula Islamic Council; Herminio Guifutela, PIRCOM Provincial Coordinator, Faith Leader; Irene Benech, CDC Country Director; Jolene Nakao, CDC

- 6:30am – 7:15am Breakfast at hotel (7th floor)
- 7:15am – 9:00am Transit via hired car to the Office of the Meconta District Administrator
- 9:00am – 9:30am **Courtesy Visit with Meconta District Administrator, Melchior Focas Situte and SDSMAS**

The delegation will pay a courtesy visit to the Meconta District Administrator of District Melchoir Focas. The District of Meconta is located in the central-eastern Province of Nampula. As of the 2017 census, the district has an estimated population of 276,883. This meeting will serve to underscore the USG and UN commitment to support Mozambique's national health goals in Nampula province and Nacavala district in the areas of malaria, immunization, and global health security.

Location: Office of the Meconta District Administrator

Participants: Irene Benech, CDC Country Director; Jolene Nakao, CDC Associate Director, GHS & Public Health Response; Ritu Singh, USAID Integrated Health Office Director; Emily Hillman, USAID Family Health Division Chief; Salesio Macuacua, USAID Specialist in Child Health and Immunization; Yari Torres-Mendoza PMI CDC Resident Advisor; Raju

9:45am – 10:00am Transit via hired car to the Nacavala Health Facility

10:00am – 12:00pm **Visit to Nacavala’s Health Facility**

The delegation will visit the Nacavala District Health Facility (HF). The Health Facility Director, Ofélia Gracinda Diogo, will receive the delegation and provide a brief overview of the HF and a walking tour.

The Nacavala Health Facility is located 26 km away from Meconta District and 50 km away from Nampula city. The health facility serves a population of 38,752 inhabitants. Visitors will see where different services are provided within the facility and be able to talk to health care workers providing these services, including malaria diagnosis and treatment, and maternal and child health services, which include immunization services and PEPFAR-supported HIV Prevention of Mother to Child Transmission and Pediatric Treatment services. The HF visit will illustrate how different U.S. Government-supported initiatives and programs come together to improve Mother and Child Health Care. The delegation will hear how U.S. Government investments are complementary and coordinated with Global Fund’s support.

This visit will serve to underscore the USG’s commitment to supporting Mozambique’s national health goals in Nampula province and Nacavala district in the area of malaria, immunization and HIV/TB programs, and to see the demand for healthcare in the peripheral area of Nampula province.

Location: Nacavala Centro de Saúde Rural II, XMRJ+PF3, Nacavala

Participants: Irene Benech, CDC Country Director; Jolene Nakao, CDC Associate Director, GHS & Public Health Emergency; Luciana Flannery, CDC Polio Expert, GID/GHC; Arlete Tamele Mahumane, CDC Pediatric Treatment Advisor; Ritu Singh, USAID Integrated Health Office Director;

12:00pm – 12:30pm Boxed lunch while in transit via hired car to Nipurro

12:30pm – 2:30pm **Visit to the Nipurro Community to observe a Mobile Brigade (including immunization services)**

The delegation will have the opportunity to observe first-hand the implementation of a vaccine mobile brigade at the Nipurro Community. The delegation will be able to speak with vaccinators about the recent vaccine campaigns and engage with community members.

The Community Health Workers will also be available to share with the delegation what a typical day looks like and answer any questions. The Community Health Workers in Mozambique promote routine immunization, refer community members to health facilities, and test and treat some diseases like malaria.

The Nipurro community is located 11km from the Nacavala health facility. The community has around 4,000 inhabitants, of which 650+ are children under five years of age. The main source of income is subsistence farming. This community also has limited basic infrastructure, such as paved roads and an adequate transport system, that could minimize the long distances between the health facility and the community.

Location: Turnoff from the N1, Nipurro Community

Participants: Irene Benech, CDC Country Director; Jolene Nakao, CDC Associate Director, GHS & Public Health Response; Luciana Flannery, CDC HQ Polio Expert, Polio Eradication Branch, GID, GHC; Yari Torres-Mendoza, CDC PMI Resident Advisor; Arlete Tamele Mahumane, CDC Pediatric Treatment Advisor; Ritu Singh, USAID Health Office Director; Emily Hillman, USAID Family Health Division Chief; Dulce Nhassico, USAID Maternal and Child Health Team Lead; Salesio Macuacua, USAID Specialist in Child Health and Immunization; Raju Lourenco, USAID Provincial Advisor; Ossufo Namicano, Health Officer, UNICEF; Benilde Soares, Health Specialist, UNICEF; Calu Faquir, Health Emergency Preparedness Officer; Acting EPR Coordinator Nirakar Panda, GPEI Coordinator; Florence Erb, WHO External Relations Officer; Maureen Louise Gallagher, Chief of Child Health and Nutrition, UNICEF

U.S. House of Representatives Committee on Ethics
UN Foundation
Congressional Staff Delegation – Mozambique – August 10 – 17, 2024

Primary Sponsor Form – Attachment 1

A. 4. List of Invited House Staff

Caitlin Peruccio, Legislative Counsel & Senior Policy Advisor, Congresswoman Rosa L. DeLauro (CT-03).

Caitlin covers health policy for Congresswoman DeLauro, who is the Ranking Member of the House Appropriations Committee and the Labor-HHS-Education appropriations subcommittee with jurisdiction over funding for CDC and HSS global health programs.

Harsh Patel, Health Policy Advisor, Rep. Ami Bera, M.D. (CA-06).

Harsh serves as the Senior Health Policy Advisor for Congressman Ami Bera, M.D., where he plays a pivotal role in shaping healthcare legislation and policy decisions. Rep. Bera serves on the House Committee on Foreign Affairs, the House Permanent Select Committee on Intelligence, and the House Select Subcommittee on the Coronavirus Pandemic.

Max Harris, Foreign Policy Legislative Assistant, Rep. Grace Meng (NY-06).

Max serves as Foreign Policy Legislative Assistant, where he covers foreign affairs issues and supports the Congresswoman's work on the State, Foreign Operations, & Related Programs (SFOPS) subcommittee of the House Appropriations Committee.

Laura Titus, Deputy Legislative Director, Rep. Robert Aderholt (AL-04).

Laura serves as the Deputy Legislative Director for Congressman Aderholt, who is Chairman of the House Appropriations Subcommittee on Labor, Health & Human Services, and Education. Her portfolio includes Labor, Health & Human Services, and Education, State and Foreign Operations, and Interior issues.

Ashley Juhn, Communications Director, Rep. Tom Kean (NJ-07).

Ashley is a communications and public relations professional, currently serving as the Communications Director for Congressman Tom Kean, Jr. (NJ-07). Congressman Kean holds positions on several key committees, including the House Foreign Affairs Committee (specifically the Subcommittee on Africa and the Subcommittee on Europe), as well as the Transportation and Infrastructure Committee and the Science, Space and Technology Committee.

B. 12. For *each* sponsor required to submit a sponsor form, describe the sponsor's interest in the subject matter of the trip *and* its role in organizing and/or conducting the trip:

UNF is the sponsor of this trip, organizing the program and logistics. UNF handles all outreach to congressional staff and is the contact for planning purposes.

UN Foundation received a contribution from the Bill & Melinda Gates Foundation (BMGF), which was made with the knowledge that congressional travel generally might be funded. The BMGF has not played any role in organizing the trip, and has not been involved in the selection or invitation of the trip participants.

The UN Foundation works to educate all Americans, including Members and Staff of the U.S. Congress, on the importance of a strong U.S.-UN relationship, with a particular focus on bilateral and multilateral global health issues such as global immunization, malaria, and child health. Participants will learn how bilateral USAID, CDC, the President's Malaria Initiative, and PEPFAR global health interventions work in complement with, and are amplified by, multilateral UN and Global Fund to Fight AIDS, Tuberculosis, and Malaria global health activities.

C. 15. b. 1) Detail the cost per day of meals (approximate cost may be provided):

Total meal cost, good faith estimate = \$430

- Sunday August 11: Dinner only, \$30
- Monday August 12: Breakfast, lunch, dinner: \$86

- Friday August 16: Breakfast and lunch only: \$56

D. 15. b. 2) Provide the reason for selecting the location of the event or trip:

During the trip, the delegation will travel to Mozambique to observe how the US and the UN are working together to eradicate polio and increase child immunization rates, reduce the burden of malaria, and improve access to HIV/AIDS interventions.

Mozambique was chosen for several reasons, including immunization as a key area of collaboration between the U.S. Government, UN, Global Fund, and Government of Mozambique; the country recently experienced a polio outbreak that required a multi-sectoral response to contain; the entire population of 33 million people is at risk of malaria; and the country continues to face a severe HIV epidemic.

This learning trip provides an opportunity for the delegation to learn about impact of bilateral global health programs led by CDC, USAID, the U.S. President's Malaria Initiative, and PEPFAR, and multilateral partnerships through UNICEF, WHO, Gavi, the Vaccine Alliance, and the Global Polio Eradication Initiative in Maputo and Nampula, Mozambique.

The delegation will conduct site visits to rural and urban health facilities, national vaccine cold storage, polio campaign monitoring, and malaria campaigns. Staff will also meet with community health workers, technical experts, public health NGOs, and families benefitting from US investments.
