Office of the Honorable Paul Tonko
2369 Rayburn House Office Building
Washington, DC 20515

Dear Ms. Tibbetts:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Kelso, Washington, and Madras and Portland, Oregon, scheduled for August 13 to 17, 2024, sponsored by Foundation for Rural Service, Washington Independent Telecommunications Association, and Oregon Broadband Association. We note that this trip includes one day at your personal expense.

Committee travel regulations require that you submit your complete pre-trip approval request to the Committee at least 30 days before the commencement of the trip or it will not be granted. Despite your failure to do so in this instance, we are approving your current request. However, any future requests must adhere to the 30-day requirement or they will be denied.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

FRS Congressional Broadband Tour | Oregon and Washington August 13-16, 2024

The Foundation for Rural Service (FRS) is a 501c3 non-profit dedicated to enhancing quality of life in America by promoting a better understanding of rural issues. The vision of FRS is to harness the power of the rural communications industry to enrich lives in America.

The purpose of this trip is to educate Capitol Hill staff on the geographic and financial challenges of providing robust broadband service to remote rural areas, as well as to highlight the role rural telecom companies play in providing these essential services that support education, commercial activity, agriculture, health, and public safety. Attendees will meet with a range of small, rural telecommunications companies in Oregon and Washington as well as companies that rely on broadband to provide essential services to their communities. The group will also visit rural community leaders and discuss ways in which the state has been enhanced by broadband applications. Drive times will provide an opportunity for educational sessions on the bus, as well as illustrate the difficulty of serving “last mile” areas in rural states.

No registered federal lobbyists will attend this trip. All expenses will be paid in full by the Foundation for Rural Service (FRS) and will be subject to the daily per diem allowances for Senate and House employees—all meals, lodging, and transportation for staffers will be covered by FRS within these allowance rates.

ToledoTel provides facilities-based telecommunications and broadband services to Toledo and other communities in Washington State. In 2015 the company completed a major plant project of replacing its entire copper network with fiber optics, bringing gigabit fiber to every household and business in its service area. Broadband speeds of up to 1 gigabit are now available, providing the bandwidth customers need in the growing global market. The project will pass 2,400 unserved locations and be completed by July 1, 2025.

Visit with Wahkiakum West Telephone (WWest). Western Wahkiakum County Telephone Company incorporated in 1927, linking together about 200 subscribers from existing farmer telephone lines. In 1968, microwave technology was introduced to the WWest Communications facilities. In 1989 WWest Communications entered the digital age with an upgrade to system-wide digital switching equipment. 1998 was another big year for WWest Communications, with the installation of fiber optic cabling, central office switching equipment upgrades, and long-distance equal access. Wahkiakum West also offers Satellite

Internet services in the surrounding areas outside its network service area. Wahkiakum West has expanded its optical fiber network all the way to every home and business in its service territory.

WWest is currently planning to run fiber over a bridge to get to a small island in the middle of the Columbia River. Discussion will include the challenges of installing fiber, including funding, geography, supply availability, and permitting.

Speakers:

- Ken Johnson, CEO, WWest
- Joni Matthews, Assistant Manager, WWest
- Chris Magnuson, Operations Manager, WWest

10:00 – 10:45 a.m.

Bus to Mountain Timber Market
Market Conference Room
254 N Hendrickson Drive
Kalama, WA 98625

10:45 – 11:45 a.m.

Tour of the Port of Kalama, a six-mile-long port on the banks of the Columbia River, is the 2nd largest exporter on the West Coast, and the 15th largest exporter in the United States. Annually over 100,000 rail cars arrive at Port of Kalama and approximately 15 million tons of grain are exported from Port of Kalama each year. Other exports include soybeans, corn and wheat, coming from many states including Oregon, Washington, Idaho, Montana, North and South Dakota, Nebraska, Minnesota and Wisconsin. Approximately 1,400 employees are employed by businesses on the Port. In addition, the Port of Kalama boasts miles of riverfront playground, beaches, public parks and marina, a vibrant community of antiques, shops and restaurants, and a rich small-town culture. The port is home to more than 40 companies employing approximately 1,400 people. Manufacturing companies, storage facilities, distribution business, exporters, recycling agents, trucking companies and many others make their home in Kalama and receive broadband service from Kalama Telephone Company, a locally-owned, independent telephone company located in Kalama, Washington.

Speakers:

- Mark Wilson, Port Manager
- Rick Vitzthum, Chief Financial Officer, Kalama Telephone Company

- Stefanie Pederson, Vice President of Business Operations, Kalama Telephone Company
- Michor Hodgen, Outside Plant Supervisor, Kalama Telephone Company
- Michelle Nelson, Mountain Timber Market Manager, Port of Kalama

Lunch on the bus

11:45 a.m. – 1:00 p.m.

Bus to Bonneville Lock and Dam Auditorium
Exit 40 off I-84
Cascade Locks, OR

1:00 – 4:00 p.m.

Tour Bonneville Lock and Dam, built and operated by the U.S. Army Corps of Engineers, was the first federal lock and dam on the Columbia and Snake rivers. The project’s first powerhouse, spillway and original navigation lock were completed in 1938 to improve navigation on Columbia River and provide hydropower to the Pacific Northwest. A second powerhouse was completed in 1982, and a larger navigation lock in 1993. Today, the project is a critical part of the water resource management system that power generation, navigation, water quality improvement, fish and wildlife habitat including fish passage and recreation along the Columbia River.

Speakers:

- Jim Gross, Deputy Operations Project Manager, U.S. Army Corps of Engineers -- Bonneville Lock and Dam
- Michael Adams - Bonneville Lock and Dam, Operations Project Manager
- Hannah Dondy-Kaplan, Intergovernmental Affairs, Oregon Liaison, Bonneville Power Administration

4:00 – 5:10 p.m.

Bus to Mt. Hood Meadows Ski Resort
14040 OR-35
Mt Hood, OR 97041

5:15 – 6:00 p.m.

Visit Mt. Hood Meadows Ski Resort. Mt. Hood Meadows operates on a special use permit in the Mt. Hood National Forest. In the four decades Meadows has operated, its ownership and shareholders have invested nearly \$50 million into the ski resort, which has increased skier visits from a few thousand its first year to more than 400,000 a season. The ski area has a long history of

using “best management practices” to properly minimize the short-term environmental impact of construction and uses strategies to restore construction sites long-term. Prior to proposing a new project, the ski area first analyzes the landscape, looking to minimize impacts on vegetation, wildlife habitat, water quality, and reduce the potential for erosion. Then the projects are constructed using sophisticated techniques such as helicopter installation of chairlifts to reduce impacts on the landscape, and re-vegetation with native wildflower and grasses with seeds collected on site. Ski operations and retail sites at Mt. Hood Meadows rely on broadband service provided by Reliance Connects which can be challenging in such an extreme location.

Speaker:

- Brooke Wheeler, President and CEO, Reliance Connects
- TBD, somebody from Mt. Hood Meadows

Bus to Warm Springs Telephone
4202 Holliday Steet
Warm Springs, OR 97761

8:45 - 10:45 a.m.

Tour Warm Springs Reservation Telephone Operations. The Warm Springs Indian Reservation consists of 1,019 square miles (2,640 km²) in north-central Oregon, in the United States, and is governed by the Confederated Tribes of Warm Springs. Three tribes form the confederation: the Wasco, Tenino (Warm Springs) and Paiute. Since 1938 they have been unified as the Confederated Tribes of Warm Springs.

Warm Springs Telecom is a wholly owned enterprise of the Confederated Tribes of Warm Springs. It is the 9th tribally owned

telecommunications company in the United States and was created to serve every person, business and government agency on the Warm Springs Reservation with landline telephone service and high-speed broadband Internet. Warm Springs Telecom received an American Recovery and Reinvestment Act (ARRA) award in the summer of 2010 to build a Central Office building that houses customer service, administration and the central office, where all the equipment needed for a telephone company to work has been installed. In addition, a fiber/fixed wireless network has been built around the reservation to connect customers.

Speaker:

- Tim York, General Manager, Warm Springs Telecom

10:45 – Noon

Bus to DirectLink Data Center
207 Columbia Street
Bend, OR 97702

During the bus ride John Cannon from Rally Networks will discuss the challenges of providing broadband services in different states, with different permitting, funding opportunities, and leadership from state broadband offices. Rally Networks provides broadband services to rural communities in Washington, Oregon, Idaho, Missouri, Oklahoma, and Arkansas.

Speaker:

- John Cannon, Government Affairs Specialist, Rally Networks

Noon – 1:30 p.m.

Lunch and Tour of DirectLink Data Center. DirectLink serves businesses, government, and retail members with a wide variety of communications products including voice services, fiber optic internet, WiFi and others. DirectLink serves over 8,000 cooperative members within a nearly 100 square mile footprint between Canby and Mt. Angel, Oregon. There are approximately 260 telephone cooperatives in 31 states across the country. The independent telephone industry was developed throughout the country by farmers who were unable to receive telephone service in the small rural communities where they lived and worked. These farmers pooled their resources to establish telephone cooperatives.

Speaker:

- Paul Hauer, President, Direct Link Cooperative
- Derrick Mottern, COO, Direct Link Cooperative

1:30 – 3:30 p.m.

Bus to Stayton Cooperative Telephone Company
242 5th Street
Lyons , OR

3:30 – 4:30 p.m.

Visit SCTC Central Office, which is operated remotely from the primary office. Speakers will discuss the impact of the August 2020 Beachie Creek Fire, which ravaged multiple communities in northwestern Oregon, before it was fully contained on December 10, 2020. The Beachie Creek Fire claimed at least five lives, decimated thousands of structures and scorched nearly 200,000 acres. One focus for rural broadband providers is how to maintain communication services for first responders during emergencies as well as reestablishing service for affected customers.

Speaker:

- Erik Hoefler, President/CEO, Stayton Cooperative Telephone Company

4:30 – 5:30 p.m.

Bus to Wooden Shoe Tulip Farm
33814 S. Meridian Road
Woodburn, OR 97071

5:30 – 8:30 p.m.

Tour and dinner at the Wooden Shoe Tulip Farm facilities, a family-run business that began growing tulips in 1974. In the 1980s the farm expanded and in 2001 changed its name to Wooden Shoe Tulip Farm. In the first few years sales were printed on black and white order sheets but in 1985 it opened the fields for Easter Weekend and the farm became a destination site. Operations have expanded from taking bulb orders and selling cut flowers to now include potted tulips, gift shop items, and food and activities on weekends for visitors. This worldwide business relies on broadband service for on-line sales as well as on-site operations and sales. In addition, Barb Iverson is the chair of the Monitor Communications Cooperative Board.

Speakers:

- Geri Fraijo, GM/CEO, Monitor
- Barb Iverson, owner of Wooden Shoe Tulip Farm and Chair, Monitor Cooperative Telephone Company
- (Invited) Tina Kotek, Governor of Oregon
- Daniel Holbrook, Broadband Manager, Oregon State Broadband office
