Mr. Shawn Rusterholz
Office of the Honorable Pete Stauber
145 Cannon House Office Building
Washington, DC 20515

Dear Mr. Rusterholz:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Knoxville, Tennessee, scheduled for October 8 to 9, 2024, sponsored by ClearPath, Inc. We remind you that, because the trip sponsor employs a federal lobbyist, you may participate in officially-connected activity on one calendar day only.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Michael Guest
Chairman

Answer to Question 12 –For each sponsor required to submit a sponsor form, describe the sponsor’s interest in the subject matter of the trip and its role in organizing and/or conducting the trip:

ClearPath has developed The Clean Energy Innovation Academy (CEIA), which is an ongoing educational series with briefings focused on conservative clean energy technology and policy. The 2024 series will feature the opportunity for Congressional staff to visit the Department of Energy’s Oak Ridge National Laboratory which conducts cutting edge research and development of clean energy and manufacturing technologies. The series will also feature an educational dinner with advanced nuclear energy stakeholders with operations in the Knoxville, TN region.

Answer to Question 15(b)(2) –Provide the reason for selecting the location of the event or trip:

Knoxville and Oak Ridge, TN is home to the Department of Energy’s Oak Ridge National Laboratory, and the Knoxville, TN region is home to numerous advanced nuclear companies and stakeholders who are developing new innovative nuclear technologies for commercialization.
