Mr. Ryan Hofmann
Republican Conference
543 Cannon House Office Building
Washington, DC 20515

Dear Mr. Hofmann:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Israel,¹ scheduled for October 26 to November 3, 2024, sponsored by the Jewish Institute for National Security of America (JINSA).

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$480] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

September 1, 2024

Dear Ryan,

On behalf of the Jewish Institute for National Security of America (JINSA), it is my pleasure to invite you to participate in this year's [Congressional National Security Program to Israel](#), to be held **Saturday, October 26-Sunday, November 3, 2024**.

JINSA is a not-for-profit 501(c)3 organization dedicated to working with military and civilian decisionmakers to ensure American strategic interests in the Middle East are defended. JINSA believes the cornerstone of this defense is a robust U.S.-Israeli security cooperation relationship.

One of the ways JINSA executes its educational mission is through [unique programs](#) that promote dialogue between prominent U.S. government officials and military leaders and their Mideast counterparts. The Congressional National Security Program provides insight and understanding into Israel's security challenges, the shared threats facing Israel and the United States, the benefits of U.S.-Israel security cooperation and ways to deepen that cooperation, and insight into how collaboration between U.S. and Israeli defense industries contribute to the defense of both nations. JINSA will cover your lodging, tours, food costs, and round-trip international travel between the United States and Israel.

The program curriculum will feature visits to strategically important sites, such as Israel's borders with Gaza, Lebanon, Syria, and Egypt, where participants will be briefed by IDF commanders to better understand the security challenges Israel faces on each respective border, including its lack of strategic depth. Delegation participants will also visit the Knesset, to understand the role it plays in developing and executing Israeli national security policy, and key religious and historical sites to gain a deeper appreciation for the importance of the land to three of the world's great faiths and how this directly impacts the security environment in the Middle East.

The program will include briefings on topics such as:

- The impact of the Israel's war with Hamas in the aftermath of the October 7, 2023 terrorist attacks;

- Middle East regional security challenges confronting the United States and Israel;
- Prospects for U.S.-Israeli strategic cooperation with Abraham Accords countries;
- Perspective on how the Arab world understands and perceives Israel; and
- Linkages between Israel's "Silicon Wadi," IDF weapons technology, and the U.S. defense establishment.

Please reach out to Matt Kenney at mkenney@jinsa.org or (703) 946-8363 if you have any questions about this invitation or travel arrangements.

Information which participants will be required to submit to the House Ethics Committee no later than September 24 will be provided upon confirmation of participation.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Makovsky". The signature is fluid and cursive, with a long, sweeping tail on the final letter.
