House Staff Del Leadership Learning Mission 11.0 to Jerusalem, the West Bank, and Amman February 14-24, 2025

A constituent accompanied trip
with financial sponsorship by Rebuilding Alliance, an American 501(c)3 nonprofit organization

MISSION GOALS: The overall goal of this Leadership Learning Mission is to explore how the peaceful aspirations of all can be furthered when Palestinians and Israelis both enjoy the benefits of equal rights and how U.S. policy and aid can support those aspirations, especially exploring how to assure the health and safety of children and families. Travelers visited sites and cities of cultural, social, historical, and political significance to better understand this region of the world, and consider the implications of American policies in the region.

RELEVANCE TO OFFICIAL DUTIES: While always prioritizing safety, the Leadership Learning Mission offered senior staff the opportunity to further their understanding of this region of the world and to learn the implications of American policies in the region, to better support constituents.

This fact-finding trip:

- Provided participants with an understanding of the history of Jerusalem, the West Bank, Gaza, and Jordan
- Developed their understanding of the challenges faced by all in this time of crisis through meetings with community leaders, human rights experts, U.S. embassy officials, Jordanian and Israeli officials and decision maker, as well as front-line personnel at aid agencies including doctors to understand the challenges of assuring emergency relief especially in Gaza
- Considered the implications and impact of Israeli control of building and planning rights in East Jerusalem and the West Bank and explored successful ways to prevent the demolition of, and help in the sustainable development of, Palestinian homes, schools, water systems, clinics, and communities, especially in at-risk neighborhoods;
- Visited Palestinians and Israelis who are providing emergency response and who work for peace and justice to understand the challenges they are facing now, learn about their efforts to address those challenges, consider what Congress is uniquely able to do to support such efforts, and how this makes a difference; and
- Showed how U.S. aid and intervention benefits the health and safety of children and families in Gaza, the West Bank, and Israel. A focal point of this trip was to explore medical access in Gaza, including medical evacuations of children, availability of medicine, nutrition, and medical care.

LOCATION: The purpose of travel to Jerusalem, the West Bank, and Amman is to give Senior staff the opportunity to see the evolving facts on the ground, attend on-site meetings, and where possible, to hear from Palestinians and Israelis working together to keep neighborhoods standing and safeguard human rights.

Of Note: Both a Palestinian and an Israeli joined as tour guides for the trip for the West Bank and Israeli portions of the trip. In Jordan, a Jordanian tour guide was also on the trip.

<p>13:00-13:30 Transit to Khan al Ahmar</p>	<p>Via minibus</p>
<p>13:30-14:00 Meeting with Community leaders, Tour of village and kindergarten</p>	<p>What: Al Khan Al Ahmar, a Bedouin community standing between Jerusalem and the E1 corridor/Maale Adumim settlement bloc, has long been threatened with forced displacement. This village, which predates the settlements around it, is one of the last Palestinian villages standing in the way of connecting the massive Maale Adumim settlement bloc to Jerusalem. Our meetings with a local leader discussed the history of the area, the current legal standing of the court case filed against the community pressing for relocation, the recurring attacks by some of the settlers who live in the neighboring Kfar Adumim, and the efforts by other Kfar Adumim settlers to keep them safe.</p> <p>Why: E1 refers to the area between Jerusalem and the Maale Adumim- a massive bloc of settlements outside Jerusalem and in the West Bank. The small Bedouin community of Al Khan Al Ahmar has been at the center of court cases in Israel for years, with the State wanting the community evacuated and moved elsewhere. The vilalges of Al Khan al Ahmar have presented a professionally-developed Master Plan that is ignored by the Government of Israel who insists that forced evacuation is for the community's own good, but the skeptics say it is to remove the final barrier to making Maale Adumim part of the Greater Jerusalem area and Israel proper. This area has received international support from Europe and the U.S., which has helped keep it standing for now.</p> <p>Presenter: Eid Abu Khamees Jahalin Location: Khan Al Ahmar Assurance: The entirety of allotted time covered officially-connected activities.</p>

Contrary to the overriding narrative, there are some Israelis living in Israeli settlements who are working to help ensure that their Palestinian neighbors are able to choose their own future including the ability to stay on their land.</p> <p>Presenter: Good neighbors who live in Kfar Adumim Location: Private home, Kfar Adumim Assurance: The entirety of allotted time will be covering officially connected activity.</p>

We learned about the facility and met the staff to help understand their challenges and how the medical aid corridor can be reopened.</p> <p>Location: Caritas Baby Hospital, Bethlehem</p> <p>Presenters: Shireen Khamis, Marketing and Communication Manager; Raneen Al Arja, Senior Executive Administrator, Strategy and Performance Department Manager; Dr. Nader Handal, Pediatric Neurologist</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity</p>

This visit includes a walk along the separation wall and an introduction to the geo-politics of the Bethlehem area.</p> <p>Why: One of the missions of this trip is to discuss barriers to peace and the separation wall has long been considered by the Palestinians to be an Israeli attempt to create more facts on the ground, and to include as much Palestinian land on the Israeli side as possible.</p> <p>Presenter: Said Zarzar, HLT Tour Guide</p> <p>Location: Bethlehem</p>

13:15-15:15 Meeting with UNRWA	<p>What: With Congress defunding UNRWA, it is important to see and understand the scope and scale of the work that they do</p> <p>Why: Jordan is the largest of the five locations in which UNRWA works, supporting more than one million Palestinian refugees across the kingdom. It has 25 health centers in Jordan, doing 1.6 million annual medical consultations. Because UNRWA Jordan serves about 43,000 patients, a cut in funding could have a serious effect, not just on ongoing treatment but also on the prevention of health issues, especially among young mothers and babies.</p> <p>Instead of a cut in funding, if anything, the health centers need more money to deal with increased demand after the COVID-19 pandemic. In the 10 official camps across Jordan, UNRWA also provides waste management services for more than 400,000 refugees, which is essential in preventing disease.</p> <p>The UNRWA operates 161 schools, serving more than 100,000 students in Jordan. UNRWA also provides vocational training to nearly 4,000 students who cannot afford university.</p> <p>Speaker: Olaf Becker, Director of UNRWA-Jordan; Antonia Maria De Meo, Deputy Commissioner General, Operational Support; Meeting with students who were elected into UNRWA's youth parliaments</p> <p>Location: UNRWA North Amman Field Office and Health Center/School</p> <p>Assurance: The entirety of allotted time covered officially-connected activity.</p>

House Staff Leadership Learning Mission 11.0 to Jerusalem, the West Bank, and Amman February 14-24, 2025

A constituent accompanied trip

with financial sponsorship by Rebuilding Alliance, an American 501(c)3 nonprofit organization

Rebuilding Alliance is inviting Rotary Club foundations and pediatrics societies to join as additional trip sponsors

MISSION GOALS: The overall goal of this Leadership Learning Mission is to explore how the peaceful aspirations of all can be furthered when Palestinians and Israelis both enjoy the benefits of equal rights and how U.S. policy and aid can support those aspirations, especially exploring how to assure the health and safety of children and families. Travelers will visit sites and cities of cultural, social, historical, and political significance to better understand this region of the world, and consider the implications of American policies in the region.

RELEVANCE TO OFFICIAL DUTIES: While always prioritizing safety, the Leadership Learning Mission will offer senior staff the opportunity to further their understanding of this region of the world and to learn the implications of American policies in the region, to better support constituents.

This fact-finding trip will:

- Provide participants with an understanding of the history of Jerusalem, the West Bank, Gaza, and Jordan
- Develop their understanding of the challenges faced by all in this time of crisis through meetings with community leaders, human rights experts, U.S. embassy officials, Jordanian and Israeli officials and decision maker, as well as front-line personnel at aid agencies including doctors to understand the challenges of assuring emergency relief especially in Gaza
- Consider the implications and impact of Israeli control of building and planning rights in East Jerusalem and the West Bank and explore successful ways to prevent the demolition of, and help in the sustainable development of, Palestinian homes, schools, water systems, clinics, and communities, especially in at-risk neighborhoods;
- Visit Palestinians and Israelis who are providing emergency response and who work for peace and justice to understand the challenges they are facing now, learn about their efforts to address those challenges, consider what Congress is uniquely able to do to support such efforts, and how this makes a difference; and
- Show how U.S. aid and intervention can benefit the health and safety of children and families in Gaza, the West Bank, and Israel. A focal point of this trip is to explore medical access in Gaza, including medical evacuations of children, availability of medicine, nutrition, and medical care.

LOCATION: The purpose of travel to Jerusalem, the West Bank, and Amman is to give Senior staff the opportunity to see the evolving facts on the ground, attend on-site meetings, and where possible, to hear from Palestinians and Israelis working together to keep neighborhoods standing and safeguard human rights.

Of Note: Both a Palestinian and an Israeli join as tour guides for the trip for the West Bank and Israeli portions of the trip. In Jordan, a Jordanian tour guide will also go on the trip.

13:00-13:30 Transit to Khan al Ahmar	Via minibus
13:30-14:00 Lunch	
14:00-15:00 Meeting with Community leaders, Tour of village and kindergarten	<p>What: Khan Al Ahmar, a Bedouin community standing between Jerusalem and the E1 corridor/Maale Adumim settlement bloc, has long been threatened with forced displacement. This village, which predates the settlements around it, is one of the last Palestinian villages standing in the way of connecting the massive Maale Adumim settlement bloc to Jerusalem. Our meetings are with local leaders and residents to discuss the history of the area, the current legal standing of the court case filed against the community pressing for relocation, the recurring attacks by some of the settlers who live in the neighboring Kfar Adumim, and the efforts by other Kfar Adumim settlers to keep them safe.</p> <p>Why: E1 refers to the area between Jerusalem and the Maale Adumim- a massive bloc of settlements outside Jerusalem and in the West Bank. The small Bedouin community of Khan Al Ahmar has been at the center of court cases in Israel for years, with the State wanting the community evacuated, and moved elsewhere. They say it is for the community's own good, but the skeptics say it is to remove the final barrier to making Maale Adumim part of the Greater Jerusalem area and Israel proper. This area has received much international support from Europe and the U.S., which has helped keep it standing for now.</p> <p>Presenter: Eid Abu Khamees Jahalin</p> <p>Location: Khan Al Ahmar</p> <p>Assurance: The entirety of allotted time covered officially-connected activities.</p>

Contrary to the overriding narrative, there are some Israelis living in Israeli settlements who are working to help ensure that their Palestinian neighbors are able to stay on their land. Khan Al Ahmar’s lawyers joined Khan Al Ahmar in their High Court Case to overcome potential forced displacement.</p> <p>Presenter: Community leaders Eitan Lehman , Wayne Horowitz, Yonatan Bing</p> <p>Location: Metek ha-Kharuv Street 10, Kfar Adumim</p> <p>Assurance: The entirety of allotted time will be covering officially connected activity.</p>

This visit includes a walk along the separation wall and an introduction to the geo-politics of the Bethlehem area. Why: The separation wall has been called a security measure by some and a land grab by others. It has long been controversial due to its route- which cuts deep into Palestinian territory and separates Palestinian communities.</p> <p>Why: One of the missions of this trip is to discuss barriers to peace and the separation wall has long been considered by the Palestinians to be</p>

	<p>an Israeli attempt to create more facts on the ground, and to include as much Palestinian land on the Israeli side as possible.</p> <p>Presenter: Said Zarzar, HLT Tour Guide Location: Bethlehem Assurance: The entirety of allotted time will be covering officially-connected activity</p>

The tour will include Manger Square, Saint Catherine’s Church and the Church of the Nativity, with a focus on Christian history in the Palestinian Territories. The Church of the Nativity is the oldest site continuously used as a place of worship in Christianity, and the basilica, dating back to 325 is the oldest major church in the Holy Land.</p> <p>Why: This presentation is relevant to the mission of the trip and the Congressional staff’s official duties because it meets one major goal of this trip: to provide participants with an understanding of the history of the region which must include religious sites. Additionally, the tour of the Old City will discuss the issue of much of the Palestinian Christian population emigrating out of what was previously a Christian majority city, as well as the impact that tourism in Bethlehem, particularly the Old City, has on the economy of Palestine.</p> <p>Location: Manger Square, Bethlehem Tour Guide: Sana Sansour, HLT Tour Guide Assurance: The entirety of allotted time will be covering officially-connected activity</p>

12:00-14:00 Meeting with UNRWA	<p>What: With Congress defunding UNRWA, it is important to understand the scope and scale of the work that they do</p> <p>Why: Jordan is the largest of the five fields in which UNRWA works, supporting more than one million Palestinian refugees across the kingdom. It has 25 health centers in Jordan, doing 1.6 million annual medical consultations. Because UNRWA Jordan serves about 43,000 patients, a cut in funding could have a serious effect, not just on ongoing treatment but also on the prevention of health issues, especially among young mothers and babies.</p> <p>Instead of a cut in funding, if anything, the health centers need more money to deal with increased demand after the COVID-19 pandemic. In the 10 official camps across Jordan, UNRWA also provides waste management services for more than 400,000 refugees, which is essential in preventing disease.</p> <p>The UNRWA operates 161 schools, serving more than 100,000 students in Jordan.
