COMMITTEE ON ETHICS

Washington, DC 20515

February 13, 2025

Ms. Kelsey Greenwald  
Office of the Honorable Tim Burchett  
1122 Longworth House Office Building  
Washington, DC 20515

Dear Ms. Greenwald:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Israel,<sup>1</sup> scheduled for February 16 to 24, 2025, sponsored by American Israel Education Foundation.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$480] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

---

<sup>1</sup> Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or [ohsstaff@mail.house.gov](mailto:ohsstaff@mail.house.gov). House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

9:00 – 10:00 PM                **Late – Night Visit: The City of David**

Jerusalem’s City of David, more than any other site, represents the complexity of the Arab – Israeli conflict. The City of David is the site most archeologists agree to be the ancient city of Jerusalem that later became the capital of the united Israelite tribes under King David. This area is one of the most intensively excavated sites in the wider region. To Jewish Israelis, the site represents the beginning of their physical and emotional attachment to

Jerusalem that has continued for over three thousand years. At the same time, much of the site is located in the predominantly Arab neighborhood of Silwan. The residents of Silwan, and the Palestinian Authority leadership are opposed to the archeological efforts being carried out in the City of David. In several instances, homes in Silwan were purchased and then destroyed to open up more areas for excavations. Palestinian leadership has denied the existence of any Jewish connection to Jerusalem.

9:15 AM              Depart for Mount Herzl Military Cemetery

9:45 – 10:45 AM    **The Israeli Psyche, Part I: The Price of War**  
Learn about the role of fallen soldiers in Israeli society  
– at Mount Herzl Military Cemetery

A critical piece of understanding Israeli society and culture, is the role of the Israel Defense Forces (IDF), mandatory army service, and veterans. Mount Herzl is the site of Israel’s national cemetery, named after Theodor Herzl, the founder of modern political Zionism. Israel’s leaders and fallen soldiers are buried there. Every plot section in Mount Herzl has a broad plaza for memorial services. Most state memorial ceremonies for those killed in war are conducted in the National Military and Police cemetery. This visit will highlight the way Israel remembers its fallen and relates to the role of the military in as part of the fabric of the Jewish State. Since the massacre on October 7<sup>th</sup> and the ensuing war, the cemetery has seen many funerals in recent months and visiting now will help participants understand the current Israel psyche.

In this position, he is on the front lines of many of Israel's most pressing diplomatic, legal and policy challenges. He is a veteran negotiator, and key behind the scenes representative, for Israel in a wide variety of contexts. During this session, he will address the current political climate for Israel on the international stage and discuss post war scenarios.

- 1:45 PM Depart for Yad Vashem

- 2:00 – 4:00 PM **The Israeli Psyche, Part II: The Significance of the Holocaust**  
Guided survey of Yad Vashem  
The World Holocaust Remembrance Center

One cannot understand Israel’s worldview without understanding the trauma of the Holocaust. Israelis view threats to its destruction in light of the events of the 1930s and 1940s, when the German government’s threats to exterminate the Jewish people were not taken seriously by the international community. This museum provides an important reference point as to how Israelis interpret the threat of an Iranian nuclear program and Iranian leaders committed to Israel’s destruction. Yad Vashem has become a symbol of the Jewish people and its transformation from total helplessness to self – reliance and strength. Thus, a visit to Yad Vashem provides a historical context for the Jewish state. The museum’s professional docent will guide the delegation through the main exhibit hall and the children’s memorial.

8:00 AM Depart for the North

8:30 – 9:30 AM En route briefing:  
**The Jezreel Valley and Upper Galilee**

Our tour guide will spend an hour during the drive from Israel's center to the north to provide a briefing on the Jezreel Valley and the Upper Galilee and the challenges facing these regions of the country. For thousands of years, the Jezreel Valley served as a land bridge linking Africa, Asia and Europe; as a thoroughfare for ancient caravans and; more frequently, armies. The Jezreel Valley is also home to historical and biblical sites including Tel Megiddo and Nazareth. Today it is an important symbol of Israel's complex and diverse political reality. The Jezreel Valley, together with the areas of the Lower and Upper Galilee, is home to the majority of Israel's Arab citizens. A survey of this area provides an opportunity to discuss and learn about Israel's Arab citizens – over 20 percent of the population – each of which has full democratic, social and welfare rights, the right to vote and serve in the Knesset, and the opportunity to serve on Israel's Supreme Court. The Upper Galilee is home to the largest variety of ethnic communities in Israel including Druze, Circassian, Arab Muslim and Arab Christian villages. The Galilee is also home to ancient Jewish and Christian holy sites that provide additional historical and political context to regional tensions.

10:00 – 12:00 PM      **Historical Significance of the Sea of Galilee**

Guided Survey of:

- Mt. of Beatitudes
- Capernaum

As part of the seminar's focus on the complex religious fabric of Israeli society, the delegation will be visiting several of the most sacred sites for Christians in the Holy Land. Included is a guided survey and discussion of some of the most important events in the life of Jesus by the Sea of Galilee. Just as strategic surveys in Jerusalem focused on Jewish, Muslim, and Christian history and claims to the land, the site visits to the Christian sites help provide context for the competing religious narratives for the land of Israel. For example, we will be visiting the Mount of Beatitudes, where Jesus delivered the Sermon on the Mount, the most studied and read speech of any religion in history. Our guide will also lead discussions through Capernaum.
