Question # 12

GlobalWIN highlights the important role of women in innovation through our programming. Each year, we host 40+ in- person and virtual panels, salon dinners, workshops, receptions, and trips centered around three programming silos:

- GlobalWIN Innovation Events
- Career Development
- Global Partnership Building

GlobalWIN will touch on all three of its programming silos by hosting this trip to New York, NY. More specifically, this trip will bring together a group of bipartisan Senate and House staff that work on issues related to workforce development, financial services, AI, female leadership, and innovation in tech for an overnight stay. During 24 hours of programming, our delegation will discuss important policy issues related to their field of work by participating in roundtables, expert panels, and learning more about the overall industry impact of innovation and rapidly evolving technology. GlobalWIN's House Staff Delegation will interact with companies at the forefront of innovation, female leaders of industry, and other senior executives. Our Delegation will discuss policy issues throughout the trip, connect with peers from across the aisle, fostering an atmosphere of bipartisanship, cooperation and personal network-building.

GlobalWIN is organizing and financially supporting all aspects of this trip, including all travel logistics, meetings, speakers, and panel discussions throughout the hours of official programming.
