Mr. Tyler Allard
Deputy Legislative Director
Office of Representative Seth Moulton
1126 Longworth House Office Building
Washington, DC 20515

Dear Mr. Allard,

I am writing to invite you to attend an MIT seminar for senior Congressional staff. The seminar, “The Future of AI,” will take place on the MIT campus in Cambridge, MA from April 16-18, 2025. To allow for robust discussion, invitations are being extended only to senior Congressional staff who work on Artificial Intelligence-related policy areas.

We will cover the cost of travel and hotel accommodations and are carefully following House and Senate Ethics Committee requirements. The necessary ethics approval forms will be provided to you should you apply to attend.

As you will see in the agenda below, the seminar will cover a range of topics related to AI and its uses, with talks by MIT faculty experts and plenty of time for Q&A. The seminar will also include a tour of MIT’s nanotechnology/semiconductor lab and drone and robotics demonstrations.

The seminar, which is sponsored by MIT’s Open Learning with a grant from the Alfred P. Sloan Foundation, was organized by the MIT Washington Office and MIT Open Learning. If you would like to attend, please apply no later than close of business on Thursday, March 13 by [clicking here](#). This will allow sufficient time for filing the necessary paperwork with your Ethics Committee by Monday, March 17. Spaces are limited, so early application is strongly suggested.

If you have received this invitation in error and the seminar is not relevant to your portfolio, please feel free to forward it to a colleague who focuses on issues related to AI.

Helen Haislmaier in the MIT Washington Office will be happy to answer any questions, and she can be reached at (202) 744 5835 or at helenh@mit.edu.

Sincerely,

A handwritten signature in black ink that reads "Cyn Breal".
