12. Description of the sponsor's interest in the subject matter of the trip and its role in organizing and/or conducting the trip:

The UN Foundation (UNF) works to educate all Americans, including the U.S. Congress, on the importance of a strong U.S.-UN relationship, with a focus on interconnected issues such as global health, nutrition, sustainable development, and peace and security. This learning trip provides an opportunity for policymakers to better understand bilateral and multilateral efforts to strengthen health systems in the Philippines, respond to food insecurity and nutrition challenges, and promote economic growth and development.

The Eleanor Crook Foundation (ECF) was founded in 1997 with a single goal: to eradicate global malnutrition. ECF invests in research that proves what methods work, policy analysis to drive systems reform, and advocacy that makes the case for urgent action to address this global crisis. In 2017, the Foundation pledged \$100 million towards the elimination of global malnutrition.

UNF is organizing all aspects of the program/logistics. UNF handles all outreach to congressional offices and is the contact for planning purposes. UNF received a grant from ECF to partially support this trip. ECF has not played any role in organizing this trip and has not been involved in the selection or invitation of the trip participants.

15b2. Provide the reason for selecting the location of the event or trip:

The Philippines' development history is a story of resilience and uneven progress. After gaining independence in 1946, the country was once seen as one of Asia's most promising economies, but decades of political instability, weak institutions, and overreliance on agriculture slowed its development. The Marcos era in the 1970s brought a wave of infrastructure expansion funded by foreign debt, but this ultimately led to an economic crisis in the 1980s.

Post-1986 reforms laid the groundwork for recovery, but poverty and inequality remained persistent challenges. In the 2000s and 2010s, the Philippines finally gained stronger economic momentum and before the pandemic was one of Southeast Asia's fastest-growing economies, with annual GDP growth averaging 6-7%. COVID-19 delayed its progress, but the country is now on a recovery path. If growth stays steady, the Philippines is projected to reach upper-middle-income status between 2026-2028. As such, the UN's role in the Philippines is evolving, shifting from traditional development assistance to transformative strategic partnerships, knowledge generation, and resource leveraging by playing a strong enabling and convening role.

During the course of five full days on the ground, the delegation will meet with the UN Country Team, U.S. Embassy, and Government of the Philippines in Manila and travel to the Bangsamoro Autonomous Region in Muslim Mindanao (BARMM) to see firsthand how the UN is responding to these challenges and adapting to a changing development landscape in the Philippines and the larger region.

While in BARMM—the poorest part of the Philippines, where many communities lack access to basic education, health, and infrastructure services—the delegation will learn how the region was plagued by decades of conflict, largely due to the struggle for self-determination and autonomy by Muslim-majority communities. Following a landmark peace agreement between armed groups and the federal government in 2014, BARMM has become the Philippines' most significant peace and development milestones and has opened new opportunities for self-governance, economic growth, and social stability.

In addition, the delegation will explore nutrition and food security challenges throughout the country, which are shaped by poverty, extreme weather, and an increasingly uneven food system. Despite economic growth, many Filipino households—especially in rural areas—struggle to access affordable and nutritious food on a regular basis. Undernutrition remains a major public

health issue, with high rates of stunting among children under five and widespread micronutrient deficiencies, including iron, iodine, and vitamin A. Adding to the problem, typhoons, droughts, and floods frequently disrupt local food production and supply chains, making food security even more fragile for millions of Filipinos. The delegation will examine how the UN, U.S., and the Government of Philippines are combatting these health threats on multiple fronts, including through the delivery of lifesaving ready-to-use therapeutic and supplementary foods, as well as efforts to foster resilient food systems, reduce unsustainable agriculture practices, and increase access to nourishing diets.

Crime Commission

5:00pm – 6:00pm

Meeting with Presidential Anti-Organized Crime Commission (PAOCC) and Briefing on Efforts to Combat Human Trafficking and Online Fraud, Supported by UNODC

The delegation will meet with leaders from the Presidential Anti-Organized Crime Commission to learn about progress made in shutting down widespread criminal activities including human trafficking and online fraud orchestrated by Philippine Offshore Gaming Operators (POGO).

Initially established to boost economic growth through online gambling targeting foreign markets, POGOs have increasingly been linked to illicit operations. In October 2023, a significant raid in Manila uncovered a large-scale scam hub operating under the guise of a POGO firm, leading to the rescue of over 300 individuals, both Filipinos and foreign nationals. The delegation will visit the site of this former POGO, which has been converted to a base of operation for the PAOCC. POGOs have been found to be involved in cryptocurrency and romance scams, often referred to as “pig butchering,” where victims are lured into fake investment schemes through online relationships. In response to the escalating situation, President Ferdinand Marcos Jr. announced a ban on POGO operations by the end of 2024. Despite the ban, concerns remain about the persistence of POGO-like scam hubs within the Philippines.

PAOCC plays a pivotal role in the Philippine government's efforts to combat illegal activities associated with POGOs. Operating under the Office of the President, the PAOCC has been instrumental in identifying and dismantling illicit POGO operations that have been linked to human trafficking, cyber fraud, and illegal detention.

11:00am – 12:30pm Transit via hired car to Maguindanao Provincial Hospital

12:30pm – 1:00pm **Working Lunch and Nutrition Briefing led by UNICEF**

The delegation will have a working lunch and be briefed on the health landscape of Bangsamoro Autonomous Region in Muslim Mindanao (BARMM), which faces significant nutrition challenges, including high rates of stunting and chronic malnutrition, exacerbated by factors like armed conflict and natural disasters. The UN is collaborating with BARMM authorities to address these challenges and supporting BARMM’s Regional Plan of Action for Nutrition, which aims to improve food systems, build resilience, and improve social cohesion in the Bangsamoro region.

Location: Maguindanao Provincial Hospital

1:00pm – 1:30pm **Visit to Maguindanao Provincial Hospital In-Patient Treatment Center for Acute Malnutrition, Cold Room, Maternal and Child Health Program, and Immunization, Supported by UNICEF**

The delegation will tour a local integrated provincial health office to learn how UNICEF is supporting key healthcare efforts in BARMM. The delegation will observe in-patient treatment for acute malnutrition, maternal and child health programs, and ongoing immunization campaign activities.

1:30pm – 2:00pm Transit to Datu Saudi Ampatuan

2:00pm – 2:45pm

Visit to Resilient Livelihoods Development Project and Women-Friendly Space (WFS) Facility, Supported by the UN Population Fund (UNFPA) and FAO

The delegation will visit a local Resilient Livelihoods Development (RLD) Project for Women and Youth Internally Displaced Persons (IDPs) in Maguindanao, which is a joint initiative of the United Nations Population Fund (UNFPA) and the Food and Agriculture Organization of the UN (FAO), with funding support from the Government of Australia.

Now in its second phase, the project builds on the foundations laid in Phase 1 (2022–2023), which focused on restoring food security and livelihoods for internally displaced women and youth in five conflict-affected municipalities of BARMM. Phase 2 (2024–2025) deepens this impact by expanding agricultural value chains, strengthening local enterprises, and embedding enabling policies that support women- and youth-led cooperatives. Together, both phases aim to institutionalize a gender-transformative approach to recovery by integrating sexual and reproductive health, protection, and economic empowerment.

A defining feature of the project is the establishment and operationalization of Women-Friendly Spaces (WFS) in each municipality, including Datu Saudi Ampatuan. These WFS serve as safe, accessible, and inclusive “one-stop hubs” that offer GBV response services, psychosocial support, maternal health care, financial literacy, and life skills training. They also serve as launching pads for community-based organizations (CBOs) that are managing agri-enterprises and producing value-added goods under the “Bai the Best!” community brand. Through these CBOs, women and youth—many of whom are Moro, Indigenous, or Christian—are transforming from aid recipients to economic actors and community leaders, demonstrating the power of integrated interventions to restore dignity.

2:45pm – 3:00pm

Transit via hired car to Pink Mosque

3:00pm – 3:15pm

Visit to the Pink Mosque

The delegation will visit the Pink Mosque, officially known as Masjid Dimaukom, which is a prominent landmark located in Datu Saudi Ampatuan, Maguindanao del Sur. Built in 2014 under the leadership of the late Mayor Samsudin Dimaukom, the mosque is uniquely painted in bright pink to symbolize peace, love, and unity among diverse communities. Unlike traditional mosques, its vivid color makes it stand out and has turned it into both a religious sanctuary and a local tourist attraction. Beyond its visual appeal, the Pink Mosque represents a powerful message of interfaith respect and harmony in a region that has faced historical

conflict, serving as a beacon of hope and cultural pride for the people of Mindanao.

- 5:15pm – 5:30pm Transit via hired car to WFP BARMM Field Office

5:30pm – 6:15pm **BARMM Background and Political Situation Briefing**

In preparation for the working dinner with BARMM Officials, the delegation will be briefed by the UN in Mindanao Regional Team on relevant background and the current political situation in Mindanao. As of May 2025, the political landscape in BARMM is undergoing significant transformation in anticipation of its first regular parliamentary elections, scheduled for October 13, 2025. These elections, postponed from their original 2022 date due to the COVID-19 pandemic and the delayed enactment of the Bangsamoro Electoral Code, will mark the transition from the interim Bangsamoro Transition Authority to a fully elected regional government.

The electoral process has been complicated by the Supreme Court's 2024 decision to exclude Sulu province from BARMM, necessitating the reallocation of parliamentary districts and the filling of seven vacant seats. Interim Chief Minister Abdulraof Macacua, appointed in March 2025, has been tasked with overseeing this transition, though his appointment has faced criticism from the Moro Islamic Liberation Front (MILF) for not aligning with their recommended list of nominees. The region is also contending with security challenges, including a rise in election-related violence and clan feuds, prompting the Commission on Elections to designate 90% of BARMM's municipalities and cities as areas of concern. Despite these hurdles, the upcoming elections are seen as a critical step toward solidifying BARMM's autonomous governance and advancing the peace process in Mindanao.

Location: WFP BARMM Field Office

- 6:15pm – 6:30pm Transit via hired car to the Office of the Chief Minister of BARRMM

6:30pm – 8:30pm **Working Dinner with H.E. Abdulraof Abdulraof Macacua, Chief Minister of Bangsamoro and Additional BARMM Officials**

The delegation will have a working dinner with H.E. Abdulraof Abdulraof Macacua, Chief Minister of Bangsamoro and additional BARMM officials to learn more about the immense progress made in recent years to bring peace and stability to this once conflict-plagued region. For more than four decades, the Bangsamoro Autonomous Region in Muslim Mindanao

(BARMM)—formerly the Autonomous Region in Muslim Mindanao (ARMM)—was in the middle of armed struggle, as the region's residents fought for the right to self-determination. The problem of violence was complicated by land conflicts, violent extremism, and inter-ethnic tensions.

In 2014, the Philippine Government finally signed a peace agreement with the Moro Islamic Liberation Front (MILF), ending decades of conflict and struggle that claimed more than 150,000 lives from both ends. The deal paved the way for the creation of BARMM in 2019, replacing the former Autonomous Region in Muslim Mindanao (ARMM). The agreement aims to address long-standing issues of marginalization, poverty, and self-determination among the Moro people by granting them greater autonomy, a regional government, and control over their resources. The peace process continues to be a work in progress, focusing on normalization, transitional justice, and inclusive governance to ensure long-term stability and development in the region.

7:00am – 8:00am Transit via hired car to Rural Health Unit of Upi

8:00am – 9:00am **Visit to Rural Health Unit of Upi, Supported by UNICEF**

The delegation will visit a rural health unit to observe out-patient treatment for acute malnutrition, provincial immunization campaigns, and other vital healthcare programs.

Location: Rural Health Unit of Upi

9:00am – 9:30am Transit via hired car to Blala Elementary School

9:30am – 10:30am **Observe School Feeding at Blala Elementary School (Brgy. Renede), Supported by WFP**

The delegation will visit a local elementary school to learn about the Farm-to-School Meals Programme—a joint initiative of the World Food Programme (WFP) and the Government of BARMM. Launched as a pilot

in 2024, the programme now benefits 10,000 elementary learners across 28 schools in ten municipalities of Maguindanao del Sur and Maguindanao del Norte.

The delegation will observe the Farm-to-School Meals Programme in action and learn how it enhances education, health, and nutrition outcomes by delivering cost-effective, nutritious school meals sourced from local smallholder farmers and fishers. By connecting schools with farmers, the programme supports local economies and strengthens community livelihoods. Integrated with school-based water, sanitation, and hygiene (WASH) initiatives, deworming, nutrition education, and agricultural activities such as school gardens, the programme addresses the root causes of poverty and hunger. The delegation will learn how this holistic approach not only improves children's health and learning but also lays the foundation for greater employment opportunities, higher incomes, and improved well-being for future generations.

Location: Blala Elementary School

10:15am – 11:00am Transit via hired car to Joint Peace and Security Team Base

11:00am – 11:45am **Meeting with the Joint Peace and Security Team (JPST), (Brgy. Ganasi), Supported by the International Organization for Migration (IOM-UN Migration) and the UN Development Programme (UNDP)**

The delegation will meet with members of the Joint Peace and Security Team (JPSTs)—a peacekeeping force composed of Philippine security personnel and decommissioned Moro Islamic Liberation Front rebels in Mindanao. The JSPT is part of the Comprehensive Agreement on the Bangsamoro (CAB) and each JPST unit is a 30-man composite team from the Armed Forces of the Philippines, Philippine National Police, and the MILF—half of which are former combatants. The delegation will learn how the JPST in Ganasi, along with others, plays a crucial role in supporting the peace process, maintaining ceasefire mechanisms, assisting in resolving disputes, and promoting human rights.

In support to the normalization process, the Office of the Presidential Adviser on the Peace Process (OPAPP) and the UN implemented the Support to Peacebuilding and Normalization (SPAN) Project, while Japan generously provided support through the UNDP-Japan Assistance to Normalization partnership. Both initiatives aim to provide assistance in the deployment of the JPST and the support of peacekeeping stations in the Bangsamoro Region, which will serve as their base of operations.

Location: JPST Base

11:45am – 12:00pm Transit via hired car to Gian's Restaurant

12:00pm – 1:00pm

Working Lunch with UN Field Visit Team and the Office of the Presidential Adviser on Peace, Reconciliation, and Unity (OPAPRU)

The delegation will have a working lunch with the UN field visit team and OPAPRU to ask additional questions about the ongoing peace process.

OPAPRU leads negotiations and facilitates the implementation of Philippine peace agreements with various rebel and insurgent groups, including the MILF and the Communist Party of the Philippines-New People's Army (CPP-NPA). The delegation will learn how the office works on programs that foster reconciliation, transitional justice, and social healing, especially in communities that have experienced armed conflict. Through dialogue, capacity-building, and inclusive peacebuilding efforts, OPAPRU contributes to the creation of a more peaceful and cohesive society, aligned with the government's broader goal of sustainable development and nation-building.

Location: Gian's, Sinuat Ave Upi, Maguindanao

1:00pm – 1:45pm

Visit to Construction Site of Indigenous People's School of Living Traditions and Meeting with Minister Melanio U. Ulama, Ministry of Indigenous Peoples Affairs, and the Maguindanao Indigenous People Association, Supported by the UN Office for Project Services (UNOPS)

The delegation will learn more about the "Support to Bangsamoro Transition" (SUBATRA) Programme, funded by the EU and the Spanish Agency for International Development Cooperation (AECID). The project aims to build the capacity of the executive, legislative and judicial branches of the Bangsamoro Government and civil society organizations—establishing an environment where democratic governance can flourish in the region.

UNOPS and other partners are implementing the SUBATRA Programme, with UNOPS providing support in overall project management. As part of the SUBATRA Programme, UNOPS is building a new Indigenous People's School of Living Traditions in Upi. This school aims to safeguard ancestral knowledge, traditions, practices, languages, and cultural expressions vital to the identity and resilience of IP communities. The SLT in Upi will serve as a community-led learning space where culture bearers, elders, and knowledge holders transmit traditional knowledge to younger generations. This intergenerational transfer of knowledge is critical in the face of modernization and external influences that can erode cultural practices. Lastly, the delegation will meet with local IP community leaders to better understand how the UN is promoting dialogue, mutual understanding, and recognition within BARMM's peacebuilding and governance frameworks.

Location: Indigenous People’s School of Living Traditions in Upi, Maguindanao

1:45pm – 2:00pm Transit to Agriculture-Livelihoods Project

2:00pm – 2:45pm **Visit to Agriculture-Livelihoods Project, supported by WFP**

The delegation will learn about UN-led efforts to enhance agriculture-related livelihoods and boost the climate resilience of indigenous women in BARMM. The project, which received a \$780,000 contribution from the Spanish Agency for International Development Cooperation (AECID) in February 2025, is intended to reach 28,000 people from indigenous and rural communities and aims to promote leadership opportunities for women and strengthen their skills for adapting to extreme weather conditions that threatens food and nutrition security.

Under the AECID-funded project, rural and indigenous women are undergoing training in climate-resilient agriculture and leadership skills. The project will aim at strengthening women’s cooperatives by linking their agricultural production to reliable markets. The activities will also incorporate social behavior change to improve local food and nutrition practices.

Location: Agriculture-Livelihoods Project

4:15pm – 4:45pm **Visit to Research Institute for Tropical Medicine, Supported by WHO**

The delegation will visit the Research Institute for Tropical Medicine and learn how the RITM is tasked by the Philippine Department of Health and the Philippine Government to supervise, plan, and successfully implement research programs to prevent and to control prevailing infectious and tropical diseases in the Philippines. This includes research involving the advancement of vaccines and medications used by medical professionals, such as physicians, nurses, and medical technologists, that they utilize whenever patients they handle are under the diagnosis and treatment of infectious and treatable and curable diseases.

The institute also trains medical and health workers in order to be further educated in their fields in relation to the management of tropical infectious diseases. Formulation of plans and research projects involving biological products proposed and currently utilized by the Philippine Department of Health are also covered by the functions of the Research Institute for Tropical Medicine, including the manufacture of biologic products and vaccines.

Location: Research Institute for Tropical Medicine

4:45pm – 5:00pm Transit to Putatan Health Center and TBDOTS Clinic

5:00pm – 5:30pm **Visit to Putatan Health Center and TB DOTS Clinic, Supported by WHO**

The delegation will visit the Putatan Health Center to learn about outpatient care for tuberculosis, malnutrition, maternity, and other general health interventions. Tuberculosis (TB) remains a significant public health concern in the Philippines, which ranks among the countries with the highest TB burden globally. According to WHO, the Philippines reported approximately 740,000 TB cases in recent years, with thousands of deaths annually. The disease is prevalent particularly in densely populated and low-income areas where access to healthcare, nutrition, and sanitation is limited.

A TB DOTS (Directly Observed Treatment, Short-course) clinic is a specialized clinic that provides tuberculosis (TB) treatment under direct observation, ensuring patients take their medications as prescribed and complete the full course of treatment. These clinics are crucial for

controlling the spread of TB and reducing drug resistance. One of the major challenges in combating TB in the country is the high rate of undiagnosed and untreated cases, partly due to stigma, limited health-seeking behavior, and gaps in healthcare infrastructure. Additionally, the rise of drug-resistant TB poses a growing threat, requiring more complex and costly treatment. Despite efforts such as the National TB Control Program, challenges in funding, awareness, and consistent treatment adherence continue to hinder the goal of eradicating TB in the Philippines.

| 7:30am – 9:00am | Travel via hired car to International Training Center on Pig Husbandry |
| 9:00am – 9:45am | Visit to the International Training Center on Pig Husbandry, Supported by FAO |

The delegation will visit the International Training Center on Pig Husbandry (ITCPH) in the Philippines, which is a specialized institution dedicated to advancing the skills and knowledge of pig farmers, technicians, and livestock professionals both locally and internationally. Located in the province of Batangas, the center was established through a collaboration between the Philippine and Dutch governments to promote sustainable and efficient swine production practices.

The delegation will learn how the ITCPH plays a vital role in combating African Swine Fever (ASF) and keeping American consumers safe through a combination of training, disease surveillance, vaccination, and community engagement. ITCPH provides specialized education on biosecurity and pig management to farmers and local government personnel, helping them adopt effective practices to prevent ASF outbreaks. It also supplies sentinel pigs for monitoring virus presence, which supports the safe repopulation of previously affected farms. In partnership with the Department of Agriculture, ITCPH participated in ASF vaccination trials, showing a 90% antibody response in pigs, which supports the vaccine's effectiveness. Furthermore, ITCPH is an active partner in the "Bantay ASF sa Barangay" initiative, which focuses on grassroots surveillance and containment efforts. By combining technical training, practical tools, and collaboration with local communities and veterinarians, ITCPH is significantly contributing to the recovery and resilience of the country's swine industry.

11:15am – 12:30pm **Expert Guided Visit to the American Cemetery in Manila**

The delegation will visit the American Cemetery in Manila, the final resting place of over 17,000 U.S. military personnel who died in the Pacific during World War II, with memorials to thousands more missing in action. The delegation will receive an expert guided visit by a staff member of American Battle Monuments Commission (ABMC), which plays a crucial role in supporting and maintaining the cemetery. The delegation will learn how the ABMC is responsible for the cemetery's upkeep, ensuring its grounds, headstones, memorials, and visitor facilities are preserved. Beyond maintenance, the ABMC provides historical interpretation and educational programs, helping visitors understand the significance of the sacrifices made during the war. Through guided tours, digital archives, and commemorative events, the commission honors the legacy of fallen soldiers and ensures that their stories continue to inspire future generations.

The delegation will have a working lunch with an expert in Filipino art history and engage in a guided visit to the National Museum of Fine Arts. The delegation will learn how the museum is a cornerstone of the Philippines' cultural and artistic heritage. Housed in the former Legislative Building, the museum plays a vital role in preserving and showcasing the country's most important works of visual art, including masterpieces by renowned Filipino artists such as Juan Luna, Félix Resurrección Hidalgo, Fernando Amorsolo, and Carlos "Botong" Francisco. One of its most iconic pieces is Luna's *Spoliarium*, a massive and deeply symbolic painting that reflects the Filipino struggle during Spanish colonization. The delegation will learn how the museum serves as a space for artistic appreciation but also as an educational resource that fosters national pride, cultural identity, and historical awareness.

Location: Emilia's / National Museum of Fine Arts

2:30pm – 2:45pm Travel via foot to Intramuros

2:45pm – 4:45pm **Expert Guided Visit to UNESCO World Heritage Site San Agustin Church and Briefing on the History of Intramuros**

The delegation will participate in an expert guided visit to Intramuros, a historic district of Manila often referred to as the "Walled City." Built during the Spanish colonial period in the late 16th century, Intramuros served as the political, religious, and military center of the Spanish government.

Today, Intramuros stands as a cultural and architectural treasure, featuring well-preserved structures like Fort Santiago, Manila Cathedral, and San Agustin Church—the oldest stone church in Manila (built in 1607) and a UNESCO World Heritage Site since 1993. The delegation will be briefed on Intramuros' cultural and historical importance and how UNESCO, via its partnerships with the Philippine government and heritage conservation organizations, is promoting the implementation of strict conservation measures at San Agustin, regular maintenance, and restoration efforts that respect the church's original architecture and materials, as well as providing guidelines for managing tourism and urban development around the site to prevent damage and degradation.

4:45pm – 6:00pm Executive Time

6:00pm – 8:00pm **Working Dinner Debrief with UN Colleagues**

The delegation will have a working dinner debrief with UN colleagues to discuss lessons learned, post-learning trip follow-up, and potential opportunities for continued engagement and coordination with the U.S. Congress and the UN in the Philippines.

Ms. Keely Thompson
Office of the Honorable Ed Case
2210 Rayburn House Office Building
Washington, DC 20515

Dear Ms. Thompson:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to the Philippines,¹ scheduled for June 14 to 21, 2025, sponsored by United Nations Foundation and Eleanor Crook Foundation.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$480] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Michael Guest
