The majority of animals raised for food in the U.S. are currently raised on conventional factory farms, where they are denied the space or enrichment to carry out even their most basic natural behaviors. The ASPCA calls for a move away from these inhumane systems and toward higher welfare and pasture base farming. The purpose of this trip is to show House and Senate staff what these higher welfare farming systems look like, how they differ from the conventional model that dominates our food system, and what can be done to support their growth and success into the future. Dear Ms. Cooper:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to The Plains and Warrenton, Virginia, scheduled for June 16, 2025, sponsored by American Society for the Prevention of Cruelty to Animals. We remind you that, because the trip sponsor employs a federal lobbyist, you may participate in officially-connected activity on one calendar day only.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Subject: You are Invited to Join the ASPCA for a tour to meet local farmers and farm leaders from across the country

Friends,

On **June 16, 2025**, we will visit two farms about an hour's drive from Washington D.C. that raise a variety of animals using regenerative and pasture-based practices

The tour will depart Capitol Hill at 9:15 AM and return by 4:00 PM with transportation and refreshments provided.

PLEASE RSVP by [May 9 HERE](#)

With our food and farm system in the national spotlight, it's critical that we take a deeper look at the role federal policies and programs play in shaping that system. At the ASPCA, we're dedicated to working with farmers and ranchers to determine how we can best support farms using more sustainable and higher-welfare practices. We want to share their stories and experiences with you, so we have organized a tour of two Virginia farms- Kinloch Farm and Whiffletree Farm.

We will be joined along the way by local and national experts on farming and farm policy to help connect the dots between on-the-ground practices and federal programs that support farmers.

This event is designed to comply with the House Ethics Committee (ethics.house.gov) rules.

- **This invitation is non-transferable.**
- Individuals must seek House Ethics approval to attend the tour. For more information regarding requirements and forms please visit: <https://ethics.house.gov/forms/travel>
- **THE ATTACHED ETHICS FORMS AND YOUR INDIVIDUAL TRAVEL FORM MUST BE SUBMITTED TO THE ETHICS COMMITTEE BY [May 19th](#)**

Please register by completing this [RSVP form](#) no later than **May 9**.

Please let us know if you are unable to attend or have any questions by emailing farmtour@aspca.org.

ABOUT THE ASPCA

Founded in 1866, the ASPCA® (The American Society for the Prevention of Cruelty to Animals®) was the first animal welfare organization to be established in North America and today serves as the nation's leading voice for animals. As a 501(c)(3) not-for-profit corporation with more than two million supporters nationwide, the ASPCA is committed to preventing cruelty to dogs, cats, equines, and farm animals throughout the United States.

ABOUT THE FARMS

Kinloch Farm: A conservation-minded farm regeneratively grazing Animal Welfare Approved, grass-fed beef cattle on over 3000 acres in Virginia's piedmont.
