Mr. Gil Thompson
Office of the Honorable Bradley Schneider
300 Cannon House Office Building
Washington, DC 20515

Dear Mr. Thompson:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Saudi Arabia, Bahrain, United Arab Emirates, and Israel,¹ scheduled for June 13 to 22, 2025, sponsored by Atlantic Council of the United States, Inc., and Jeffrey M. Talpins Foundation. We note that this trip includes one day at your personal expense.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the “Travel” schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts “of minimal value [currently \$480] tendered as a souvenir or mark of courtesy” by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee’s review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department’s Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Dear Dr. Gil Thompson,

On behalf of the N7 Initiative, I am delighted to invite you to participate in the upcoming N7 Abraham Accords Congressional Education Mission.

The first-of-its-kind education mission will take place between **June 13th and June 20th**. It will begin in Saudi Arabia, continue to Bahrain, and then to the United Arab Emirates. The mission will conclude in Israel.

The purpose of the trip is to engage with strategic foreign leaders to demonstrate continued U.S. and Congressional interest in the Middle East, Middle East integration, and Arab-Israeli normalization. The mission will explore the potential for expanding the Abraham Accords, including the prospect of normalization with Saudi Arabia, as well as the obstacles faced in developing regional ties with Israel. Through meetings with the most senior government leaders, military leaders, business leaders, and faith leaders, participants will gain valuable insights into the challenges and opportunities for regional integration. Further information on the N7 Initiative as well as a preliminary itinerary are attached.

N7 will cover all costs and expenses associated with the trip for you. Our team will follow up with you to share further details. Should you have questions in the interim, please reach out to Ryan Arant, N7 Director, at +1-202-460-6873 or at RArant@AtlanticCouncil.org. We greatly value your participation and hope that you can join us this fall for this important trip.

N7 Initiative Congressional Education Mission

Hosted by the Atlantic Council with financial support from the Jeffrey M. Talpins Foundation

June 13-18, 2025

Mission goals: The goal of this trip is to educate and inform Members of the Armed Services, Foreign Affairs, Ways and Means, and Financial Services Committees on emerging developments within the Abraham Accords and how they relate to U.S. foreign policy, trade, and defense goals. The trip includes stops to meet with the senior officials in current and potential Abraham Accords countries who can discuss the status of the Abraham Accords, the prospects for expanding and strengthening the Abraham Accords, and the impacts of current dynamics in the Middle East on U.S. and partner cooperation related to the Abraham Accords. The Atlantic Council will demonstrate through engagements with both U.S. officials based in the region and foreign government officials how the expansion and deepening of the Abraham Accords will transform U.S. policy and opportunities within the Middle East in the near future.

Relevance to official duties: The subject matter of the trip is important to Members of the Armed Services, Foreign Affairs, Ways and Means, and Financial Services Committees as they are likely to encounter future legislation concerning the expansion and deepening of the Abraham Accords.

Location: The purpose of travel to Saudi Arabia, Bahrain, and the United Arab Emirates is to meet with regional leaders and U.S. officials who are working to join or strengthen the Abraham Accords.

Please Note: On June 16 (Washington Time), the Atlantic Council notified the House Ethics Committee that it would be unable to support the Israel portion of the trip due to security concerns. In following correspondence with the House Ethics Committee, the decision to end the trip in the United Arab Emirates (On June 18) before the initially approved end-date of June 20th. In addition, due to the conflict which resulted between approval of the trip and the arrival of the delegation in the region, some meetings, confirmed in writing, had to be canceled due to officials' national security demands and new security requirements and postures at U.S. bases. Therefore, some of the meetings that occurred may be different from the approved tentative itinerary.
