A PROGRAM OF FMC

March 3, 2025

Dear Colleague:

On behalf of the Congressional Study Group on Japan (CSGJ) and Former Members of Congress (FMC), we are pleased to invite you to participate in our 4th Annual U.S. District Director Study Tour to Japan.

The Congressional Study Group on Japan (CSGJ), a non-partisan, non-advocacy legislative exchange conducted by FMC, has more than twenty years of history conducting successful, high-level, discussion-driven study tours for Members of Congress and senior Congressional staff, which complement an active calendar of year-round programs on Capitol Hill. Fervently non-partisan and non-advocacy, our model promotes an active, substantive discussion among all principals and the development of lasting working relationships based on mutual respect and understanding.

The 2025 Study Tour will take place from June 7 - 14 and will visit Tokyo and surrounding areas. Premium Economy airfare, lodging, ground transportation, and scheduled meal costs will be paid for by FMC, a congressionally-chartered, 501(c)(3) non-profit organization, in partnership with the generous support from the Japan-US Friendship Commission, created by Congress in 1975. We have funding for eight District Directors, and participation is available on a first-come, first-served basis. Participants are expected to attend all official meetings and programs throughout the duration of the Study Tour. This privately-sponsored travel will be reported to the House Ethics Committee and is not part of the Mutual Educational and Cultural Exchange Act (MECEA).

The Study Tour for District Directors provides an exciting opportunity to build U.S.-Japan relationships at the regional and local levels of government and civil society, beyond the traditional Washington-Tokyo relationship. Together with a variety of leading officials and experts from academia, civil society, industry, the media, and government, you will have the opportunity to discuss topics of mutual concern and areas for cooperation, including:

- Japan Overview: The US-Japan relationship, regional security, and the economic ties
- Industry and Innovation: Workforce, trade, and business
- The Future: Aging societies, disaster preparedness, and energy security

We hope that you will join us for the continuation of this vital transpacific dialogue. Should you have any questions, please contact Mr. Ty Baker, Program Manager, at 202-747-5350 or tbaker@usafmc.org. Thank you for your kind consideration.

Yours,

Ms. Ashley Wheeland
Office of the Honorable Jason Crow
1323 Longworth House Office Building
Washington, DC 20515

Dear Ms. Wheeland:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Japan,¹ scheduled for June 7 to 14, 2025, sponsored by Former Members of Congress.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$480] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov.
