UNF works to educate all Americans, including Members and Staff of the U.S. Congress, on the importance of a strong U.S.-UN relationship, with a particular focus on bilateral and multilateral global health issues such as global immunization, malaria, and child health. During the trip, the delegation will travel to Manaus, Brazil, to observe how the Pan American Health Organization (PAHO), UNICEF, and local partners are working together to protect children's health through strengthened immunization systems,

expanded access to malaria prevention and treatment, and enhanced global health security efforts.

Brazil was selected for several reasons, including the Amazon region's vulnerability to vector-borne diseases like malaria; the challenges of delivering care to remote and indigenous communities; and the opportunity to observe how bilateral and multilateral global health partnerships are advancing disease surveillance, immunization, and outbreak prevention in complex environments.

This learning trip provides an opportunity for the delegation to see the impact of global health programs and multilateral initiatives implemented in partnership with PAHO and UNICEF. In Manaus and surrounding areas, participants will learn how these efforts strengthen country-led public health capacity and help identify and stop infectious disease threats before they spread globally.

The delegation will conduct site visits to municipal and rural health clinics, a national reference center for tropical medicine, and a mobile riverboat clinic that brings essential health services to remote communities. Participants will also take part in a tabletop exercise simulating a community microplan for child immunization. Throughout the trip, the delegation will engage with local and regional health authorities, community health workers, families, and representatives from PAHO and UNICEF to gain firsthand insight into the progress and ongoing challenges of delivering care in diverse and often hard-to-reach areas.

Ms. Sarah Jacobs
Office of the Honorable Madeleine Dean
150 Cannon House Office Building
Washington, DC 20515

Dear Ms. Jacobs:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Brazil,¹ scheduled for June 14 to 20, 2025, sponsored by United Nations Foundation and Bill & Melinda Gates Foundation.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$480] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Michael Guest
