Briefing with Yaakov Katz
Author, Former Editor, *The Jerusalem Post*
– at the King David Hotel, Ambassador Hall

Ya'akov Katz is the former editor of *The Jerusalem Post*, Israel's most-read English news website and best-selling English newspaper. He previously served for close to a decade as the paper's military reporter and defense analyst. He is the author of "Shadow Strike: Inside Israel's Secret Mission to Eliminate Syrian Nuclear Power" and co-author of two books: "Weapon Wizards - How Israel Became a High-Tech Military Superpower" and "Israel vs. Iran - The Shadow War." Mr. Katz will provide the delegation with a synthesis of domestic political trends, current international affairs and the general state of mind of Israeli voters at this particular moment in time.

9:00 PM Depart for City of David

9:30 – 10:30 PM **Late – Night Visit: The City of David**

Jerusalem's City of David, more than any other site, represents the complexity of the Arab-Israeli conflict. The City of David is the site most archeologists agree to be the ancient city of Jerusalem that later became the capital of the united Israelite tribes under King David. This area is one of the most intensively excavated sites in the wider region. To Jewish Israelis, the site represents the beginning of their physical and emotional attachment to Jerusalem that has continued for over three thousand years. At the same time, much of the site is located in the predominantly Arab neighborhood of Silwan. The residents of Silwan, and the Palestinian Authority leadership are opposed to the archeological efforts being carried out in the City of David. In several instances, homes in Silwan were purchased and then destroyed to open up more areas for excavations. Palestinian leadership has denied the existence of any Jewish connection to Jerusalem.

10:45 PM Overnight at The King David Hotel, Jerusalem

Tuesday, August 5, 2025

7:00 – 8:00 AM Breakfast
 – at the King David Hotel, Jerusalem

8:15 AM Depart for the Old City

8:45 –11:45 AM **Strategic Survey of Jerusalem: The Holy Basin**
 ■ Old City of Jerusalem
 ■ Western Wall
 ■ Church of the Holy Sepulchre

The Old City of Jerusalem is home to the holiest shrines of the three monotheistic religions, including the Temple Mount, the Church of the Holy Sepulchre, and the Al-Aqsa Mosque. The Holy Basin is the historic location of Jerusalem and refers to the land surrounding the Old City, including the Mount of Olives, believed to be the departure point for Jesus’ final entry into Jerusalem and the cemetery where Jews have been burying their dead for 2,500 years. The Holy Basin also includes the Western Wall, Judaism’s holiest site, and the Temple Mount (Haram al-Sharif), sacred ground for Jews, Muslims, and Christians. Control over these sensitive areas remains among the largest disputes in the Middle East. The professionally guided survey will walk through all of these sites and others, educating trip participants on their historical impact and their role in today’s political discussions.

12:00 PM Depart for Botanical Gardens

12:30 –1:15 PM Lunch
 – at HaAgam

1:15 – 2:15 PM **Strategic Regional Overview**
 Briefing by Brig. Gen. (Res.) Nitzan Nuriel
 Former Director, Counter-Terrorism Bureau, Prime Minister's Office
 – at HaAgam

This strategic regional overview will be given by Brig. Gen (Res.) Nitzan Nuriel, the past director of the Counter-Terrorism Bureau at the Office of the Prime Minister, where he served until 2012. His duties included developing a national policy for border protection, cargo and aviation security, and advanced technology for public security. He is a veteran of the “Golani” Infantry Corp and held command positions in the West Bank, Gaza Strip, and South Lebanon. Today he is a Fellow at the International Institute for Counter-Terrorism at IDC Herzliya. During this session, he will discuss the strategic threats facing Israel from its borders with Lebanon, Syria, Gaza, the West Bank, and the greater Middle East.

2:30 PM Depart for Yad Vashem

3:00 – 4:45 PM **The Significance of the Holocaust in Israeli Society**
Visit to Yad Vashem, The World Holocaust Remembrance Center

One cannot understand Israel’s worldview without understanding the trauma of the Holocaust. Israelis view threats to its destruction in light of the events of the 1930s and 1940s, when the German government’s threats to exterminate the Jewish people were not taken seriously by the international community. This museum provides an important reference point as to how Israelis interpret the threat of an Iranian nuclear program and Iranian leaders committed to Israel’s destruction. Yad Vashem has become a symbol of the Jewish people and its transformation from total helplessness to self-reliance and strength. Thus, a visit to Yad Vashem provides a historical context for the Jewish state. The museum’s professional docent will guide the delegation through the main exhibit hall and the children’s memorial.

5:00 PM Depart

6:00 – 7:00 PM **Meeting with The Honorable Benjamin Netanyahu**
Prime Minister of the State of Israel
– at the Prime Minister’s Office

It is customary for members of Congress to meet with Israel’s Prime Minister, to hear the official perspective of the State of Israel on issues impacting the U.S.-Israel relationship. Prime Minister Benjamin Netanyahu is the Chairman of the Likud party. He previously served as Israel’s Prime Minister for 12 years, ending in June 2021. He is Israel’s longest serving Prime Minister.

7:15 PM Depart

Dinner and Panel discussion with:
▪ Maj. General Tamir Hayman,
 Former Head of IDF Military Intelligence, Head of INSS
▪ Professor Shaul Horev, Former head of Atomic Commission
Moderated by Yonah Jeremy Bob, Author and Journalist
– at Modern restaurant

On June 13, Israel launched a military operation to prevent Iran from acquiring nuclear weapons and to attack its increasingly dangerous ballistic missile arsenal. This operation came after the IAEA officially declared Iran was not in compliance with its non- proliferation obligations and the regime ignored President Trump’s 60-day deadline to reach a peaceful agreement to resolve the nuclear issue. During this session, an expert panel will discuss the history of the Iranian nuclear program, the 12-day war to prevent this threat, and how Israel plans to move forward.

1:30 PM Depart

2:30 – 3:00 PM **Israel’s Narrow Waistline: The Quest for Defensible Borders**
Strategic briefing
– at the Alfei Menashe Overlook

Alfei Menashe is a Jewish community located on the western edge of the West Bank. Less than 10 miles from the Mediterranean Sea, Alfei Menashe provides a unique vantage point to discuss Israeli settlement policy, the routing of the security barrier, as well as Israel’s narrow waistline. The sliver of Israeli land west of the West Bank is often referred to as the Hadera-Gadera rectangle, with the city of Hadera denoting the northern point, and the city of Hadera the southern point. The Hadera-Gadera rectangle is home to over 50 percent of Israel’s population, as well as civilian infrastructure. The area is also home to Israel’s “silicon valley”, as well as Ben Gurion international airport. The discussion at Alfei Menashe will allow participants to see firsthand the proximity of Jewish and Arab neighborhoods in both Israel and the West Bank; as well as the strategic threats faced by the Israeli population living in Israel’s narrow waistline.

1:30 – 2:30 PM Lunch
– at Alfei Menashe

3:15 PM Depart

3:15 – 4:45 PM **En Route Briefing: History of Hezbollah in Lebanon**

During the drive north, the guide will provide a history of Hezbollah, the Iranian-backed terrorist group based in Lebanon dedicated to Israel’s destruction. The terrorist group’s influence in Lebanese politics, massive weapons arsenal and use of Lebanese civilians as human shields made the Iranian proxy a serious threat to Israel leading up to the current war. Hezbollah has a global reach and has killed more Americans than any terrorist group other than al-Qaeda.

4:45 – 6:45 PM **U.S. – Israel Strategic Defense Cooperation**
Meeting and site visit with Gideon Weiss
Vice President, International Business Development, Rafael Research
– at Rafael David Institute, Haifa

Rafael is an Israeli defense technology company, founded as Israel's National R&D Defense Laboratory for the development of weapons and military technology within the Israeli Ministry of Defense. During this session, Mr. Weiss will explain the U.S.-Israel strategic cooperation that has led to the country’s multi-tiered missile defense system. Participants will also get to see the facilities, where Rafael produces notable defense systems including the David Sling, Iron Dome and Iron Beam.

6:45 PM Depart

8:00 – 9:30 PM **Dinner and Reflections**
 – at Decks restaurant

We will use this dinner as an opportunity to discuss the speakers and topics we have been exposed to thus far. We have found giving our participants an opportunity to reflect on the topics and perspectives presented to them assists in their ability to understand Israel's complexities.

9:30 PM Overnight at the Magdala Hotel, Tiberias

Thursday, August 7, 2025

7:30 – 8:30 AM Breakfast
 – at the Magdala Hotel, Tiberias

8:45 AM Depart

9:15 – 10:45 AM **Historical Significance of the Sea of Galilee**

- Mount of Beatitudes
- Primacy of Peter
- Capernaum

As part of the seminar's focus on the complex religious fabric of Israeli society, the delegation will be visiting several of the most sacred sites for Christians in the Holy Land. Included is a guided survey and discussion of some of the most important events in the life of Jesus by the Sea of Galilee. Just as strategic surveys in Jerusalem focused on Jewish, Muslim, and Christian history and claims to the land, the site visits to the Christian sites help provide context for the competing religious narratives for the land of Israel. For example, we will be visiting the Mount of Beatitudes, where Jesus delivered the Sermon on the Mount, the most studied and read speech of any religion in history. Our guide will also lead discussions through Capernaum and St. Peter's Church.

In Israel, military service is mandatory for everyone over the age of 18, with several exceptions. Most Israelis join the army right after high school, and serve for three years. As such, the Israel Defense Force (IDF) is an integral part of the fabric of Israeli society. During this lunch, participants will have the chance to meet with several soldiers and hear about their experiences in the army. They will discuss the values of the Israel Defense Forces – known as *Ruach Tzahal* (The Spirit of the IDF). This overarching ethical code, and the guidelines and operation resulting from it, shape the mode of action applied by all IDF soldiers and units, both in peace and at war. During basic training, every IDF soldier studies and analyzes the code of ethics together with their commanders.

The Sabbath is especially significant in Jerusalem, home to the holiest site for Jews worldwide - the remains of the First and Second Temple.

8:15 – 9:15 AM **En route briefing :**
Jericho Road and the E – 1 Corridor: Strategic Concerns

Our tour guide will spend approximately one hour on the drive from Jerusalem to Qumran – including the Jericho road – to discuss the strategic importance of the area east of Jerusalem. In 1948 and in 1967, the Jordanian army attacked Jerusalem from the east – the 1948 attack resulted in the city’s division that lasted until 1967. Since then, Israel has established the City of Ma’ale Adumim east of Jerusalem, today home to some 40,000 residents. To the Palestinians, however, Ma’ale Adumim is the largest settlement on the West Bank. When Israel attempted to expand Ma’ale Adumim’s boundary, into an area known as “E-1”, the U.S. State Department stepped in and asked that no construction take place there. The issue needs to be examined with those discussing the future of Jerusalem in the context of the Israeli-Palestinian negotiations.

The Dead Sea Scrolls – hundreds of Hebrew manuscripts and religious texts – were discovered on the shores of the Dead Sea in 1947, marking one of the most important finds in modern archaeology. The scrolls have helped inform scholars about Judaism and early Christianity.

This makes it a significant site for Christians, Jews, and Muslims alike, offering a rich tapestry of faith and history.

Dear Mr. Boland:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Israel,¹ scheduled for August 3 to 11, 2025, sponsored by American Israel Education Foundation.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general.
