8:30 AM Depart for Yad Vashem: The World Holocaust Remembrance Center

9:00 –11:00 AM **The Israeli Psyche, Part I: The Significance of the Holocaust**
Guided visit to Yad Vashem: The World Holocaust Remembrance Center

One cannot understand Israel’s worldview without understanding the trauma of the Holocaust. Israelis view threats to its destruction in light of the events of the 1930s and 1940s, when the German government’s threats to exterminate the Jewish people were not taken seriously by the international community. This museum provides an important reference point as to how Israelis interpret the threat of an Iranian nuclear program and Iranian leaders committed to Israel’s destruction. Yad Vashem has become a symbol of the Jewish people and its transformation from total helplessness to self-reliance and strength. Thus, a visit to Yad Vashem provides a historical context for the Jewish state. The museum’s professional docent will guide the delegation through the main exhibit hall and the children’s memorial.

- 4:45 – 5:15 PM **Israel's Quest for Defensible Borders: West Bank Strategic Implications**
Strategic briefing overlooking Israel's population center
-at the Alfei Menashe overlook

After scores of suicide bombings and daily terrorist attacks against its civilians launched following the breakdown of the Camp David II talks in 2000, Israel began construction of a security barrier near the pre-1967 "Green Line" between Israel and the West Bank to prevent Palestinian terrorists from infiltrating into Israeli population centers. Since its construction, the number of attacks declined by more than 90% and the number of Israelis murdered and wounded decreased by more than 70% and 85%, respectively. The barrier is approximately 455 miles long. To Israel, the security barrier serves as a necessary obstacle to protect its people. To the Palestinians and others in the world, the barrier represents a physical and symbolic divide. This seminar will survey the security barrier at different points along its route to see first-hand the barrier's construction, the operation of crossing points in and out of Palestinian areas, and the technology that facilitates its operation. Both en route to the barrier and at the barrier itself, the delegation will explore the competing arguments raised by the Israelis, Palestinians and the international community.

Hezbollah has a global reach and has killed more Americans than any terrorist group other than al-Qaeda.

Included is a guided survey and discussion of some of the most important events in the life of Jesus by the Sea of Galilee. Just as strategic surveys in Jerusalem focused on Jewish, Muslim, and Christian history and claims to the land, the site visits to the Christian sites help provide context for the competing religious narratives for the land of Israel. For example, we will be visiting the Mount of Beatitudes, where Jesus delivered the Sermon on the Mount, the most studied and read speech of any religion in history. Our guide will also lead discussions through Capernaum.

After a brutal civil war, Syria is now a chaotic assembly of disparate tribes, ruled by Ahmed Hussein al-Sharaa (known as al-Julani), a Syrian politician and former rebel commander serving as the president of Syria since January 2025. Shulman will discuss the implications of al-Julani's leadership on the country of Syria, Israel's unique relationship with the Druze community, and the potential for Syrian relations with Israel. He will also discuss Israel's border with Lebanon, where Israeli residents faced years of rocket fire from terror group Hezbollah.

Our speaker, Mohammad Darawshe is currently the director of planning, equality and shared living at Givat Haviva Educational Institute –a non-profit organization founded in 1949 as the national education center of the Kibbutz Federation in Israel. Traditional Sabbath Eve dinner
Hosted by the Mercer Family
-at their home, Jerusalem

Israel, the only Jewish country in the world, boasts the unique tradition of honoring the Jewish Sabbath from Friday sundown until Saturday sundown. 80 percent of the Israeli population will commemorate the Sabbath, in various forms, which typically include a family dinner and special blessings. The Sabbath is especially significant in Jerusalem, home to the holiest site for Jews worldwide - the remains of the First and Second Temple. The dinner will include a discussion on the importance of Jerusalem to the Jewish, Christian and Muslim populations; the potential for a final status agreement on Jerusalem (arguably the most sensitive final status issue); and the diplomatic challenges faced by Israel and the United States regarding Israeli urban development in the area.

10:00 PM Depart

10:15 PM Overnight at the Orient Hotel, Jerusalem

Saturday, August 23, 2025

7:30 AM Breakfast on own
-at the Orient Hotel, Jerusalem

8:15 AM Depart for the Dead Sea

8:15 – 8:45 AM **Enroute Briefing: The Strategic Importance of Jordanian-Israeli Relations**

The tour guide will discuss the Jordanian-Israeli relationship throughout the drive through the Dead Sea to explore several topics related to Israel's eastern neighbor: specifically, Israeli-Jordanian strategic cooperation, as well as the implications of the Syrian civil war on the Kingdom. The Hashemite Kingdom of Jordan became the second Arab country after Egypt to recognize Israel when it signed a comprehensive peace agreement that ended nearly five decades of warfare. Shepherded by United States President Bill Clinton, the accord signed on Oct. 6, 1994, marked the

onset of a new era of economic, cultural, and political dialogue and cooperation between the two countries.

9:00 AM–10:00 AM **Antiquity and Modernity: Unearthing the Dead Sea Scrolls**
-at Qumran

During our trip to the Negev, we will visit Qumran, where the famous Dead Sea Scrolls were found. Qumran is believed to be the home of the Essenes, a Jewish, religious sect that flourished in the Negev region between 2 BCE and 1 CE. The Dead Sea Scrolls – hundreds of Hebrew manuscripts and religious texts – were discovered on the shores of the Dead Sea in 1947, marking one of the most important finds in modern archaeology. The scrolls have helped inform scholars about Judaism and early Christianity.

10:15 AM Depart

10:30 –11:45 AM **Exploration of the Dead Sea Region**
-at Kalia Beach

During our visit to the Dead Sea, our tour guide will discuss a variety of issues integral to understanding this desert region, and relations with both the Palestinians and Jordanians. For decades, Israel has been developing the agricultural potential of the desert. While the Middle East is suffering from water shortages, Israel, through modern technology and water conservation policies, including the recycling of over 80 percent of water used for domestic purposes and transferring it to agriculture, has literally “made the desert bloom.” The key regional players also face serious environmental issues in the Dead Sea region. One of the major environmental concerns is the receding of the Dead Sea and the appearance of sinkholes, which cause the earth above to collapse. Roads, fields and buildings have collapsed due to this phenomenon, and experts are concerned the tourist infrastructure along the Jordanian and Israeli shores of the Dead Sea are in danger. This issue has led to unprecedented cooperation between Israelis, Jordanians and Palestinians and serves as a model for regional cooperation.

11:45 AM Depart for Mount Scopus

11:45 AM –12:15 PM **En Route Briefing: Druze minority in Israel**

During this en route briefing the guide will discuss the history, identity, and unique role of the Druze community within Israeli society. The Israeli Druze are a unique religious and ethnic minority among Arab citizens of Israel. There are approximately 150,000 Druze living in Israel. Male members of the Druze community serve in the Israel Defense Forces (IDF), and many have attained top positions in Israeli politics and public service.

12:15 –1:15 PM **Lunch**
-at City View, Jerusalem

1:30 – 2:15 PM **The View from Mount Scopus**
Jerusalem Overlook

Overlooking Jerusalem, Mount Scopus has been strategically important as a base from which to attack the city since antiquity. During the Great Jewish Revolt, the 12th Roman Legion camped there in 66 CE. In 70, at the conclusion of the same war that led to the destruction of the Jewish Temple, Mount Scopus was used as a base to carry out the final siege of the city.

2:30 PM Depart for the Orient Hotel, Jerusalem

3:00 PM Return to the Orient Hotel, Jerusalem

6:15 – 8:30 PM **Closing Dinner: Reflections on the Week**
-at the Orient Hotel, Jerusalem

The closing dinner provides an opportunity for participants to process the scope of the week, from the religious center of the Judeo-Christian world in Jerusalem, to the bustling economic powerhouse of Tel Aviv; and the conflict plagued borders with Gaza, Syria and Lebanon. We will process the range of topics explored, including the U.S.-Israel strategic partnership, prospects for Arab-Israeli peace, the experience of minorities in Israel, as well as greater existential threats throughout the region. Participants will also have the opportunity to share their takeaways and ask any lingering questions that weren't covered during the week.

Mr. Cameron Erickson
Office of the Honorable Abraham Hamadeh
1722 Longworth House Office Building
Washington, DC 20515

Dear Mr. Erickson:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Israel,¹ scheduled for August 14 to 24, 2025, sponsored by American Israel Education Foundation. We note that this trip includes two days at your personal expense.

Committee travel regulations require that you submit your complete pre-trip approval request to the Committee at least 30 days before the commencement of the trip or it will not be granted. Despite your failure to do so in this instance, we are approving your current request. However, any future requests should adhere to the 30-day requirement.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$480] tendered as a souvenir or mark of courtesy" by a foreign

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Michael Guest
