PRIMARY TRIP SPONSOR FORM

ADDENDUM

QUESTION 4: Provide names and titles of ALL House Members and employees you are inviting. For each House invitee, provide an explanation of why the individual was invited (include additional pages if necessary):

See attached invitation list. This Beck's Hybrids sponsored event focuses on the importance and process of hybrid seed breeding in the agriculture industry, Practical Farm Research, and the advancement of agri-technology in modern farming. This fact-finding trip is tailored to provide information and hands-on learning for Congressional staff directly related to policy being considered by the House, the Committee on Agriculture, and related to the representative interests found in the Member's Congressional Districts. Congressional staff have been invited based on their affiliation with the Agriculture Committee, agriculture interests in their Member's district, and/or their connection to agriculture legislation being constructed in their office or considered by the House.

QUESTION 12: For each sponsor required to submit a sponsor form, describe the sponsor's interest in the subject matter of the trip and its role in organizing and/or conducting the trip:

Beck's Hybrids is the third-largest seed brand in the United States, providing high-yielding corn, soybeans, wheat, and elite alfalfa to farmers across more than a dozen states. Beck's Hybrids is hosting this event as a leader in agriculture innovation and technology development so that Congressional staff have the opportunity to learn more about the industry, hear directly from affiliated farmers, and create policy in the best interest of American agriculture. Beck's Hybrids is the sole organizer and conductor of this event.

QUESTION 13(a): Mode of travel:

Both air and car travel are permissible. Car travel will be reimbursed at the GSA rate for total mileage driven (up to 400 miles each direction). Participants who fly will be transported from airport to event by a chartered bus.

QUESTION 15(b)1: Detail the cost per day of meals:

- Wednesday total cost: \$60
- Thursday total cost: \$10

We will be catering lunch and dinner for participants on Wednesday. Breakfast is free for hotel guests. On Thursday, lunch will be provided during Becknology Days, "without regard" to congress attendance. This meal is free for event attendees, with an estimated cost of \$10.

QUESTION 15(b)2: Provide the reason for selecting the location of the event or trip:

Atlanta, IN is the headquarters and premier hybrid seed facility for Beck's Hybrids. It is also the location of the day two event which is part of a larger conference. (The first day is comprised of sessions specifically for Congressional staff. The second day is a large conference with a specialized agenda for Congressional staff built inside of the main program).

SEEDS OF INNOVATION: BRIDGING POLICY AND AGRICULTURE

Seeds of Innovation: Bridging Policy and Agriculture is designed to thoroughly explore key facets of modern agriculture. Throughout the two days, participants will gain valuable insights into seed production, delve into the latest innovations in farm equipment, and grasp essential concepts in farming economics. In Beck's Agronomy and Practical Farm Research (PFR)[®] sessions, leading experts will highlight cutting-edge projects like Root Reveal[™] and drone technology. These sessions are crafted to illustrate the interconnectedness of various agricultural topics and underscore the pivotal role of policy in shaping the future of farming.

WHO SHOULD ATTEND?

This program is tailored for legislators, legislative assistants, policy advisors, and agency staffers, whether they are seasoned professionals or newcomers to the agriculture industry. Seeds of Innovation offers comprehensive insights led by industry leaders, researchers, and subject matter experts. Participants will develop a broad foundational understanding of the current agriculture sector, focusing on seed production and farming economics while fostering valuable professional networks, offering a confidential setting to learn and ask questions.

DATE AND LOCATION:

Guests will arrive at Beck's headquarters in Atlanta, IN, on August 20, 2025. Educational sessions will begin at 10:30 a.m. EST. The return travel is scheduled for early evening of August 21, 2025. Beck's facility is situated just north of Indianapolis on the original 80-acre homestead of the Beck family. A majority of Beck's seed production occurs on-site or on nearby farms.

HOW TO REGISTER:

Please contact Kala Jenkins, Beck's Government Affairs Advocate, via email at Kala.Jenkins@BecksHybrids.com.

FOCUS AREAS FOR SEEDS OF INNOVATION:

Each session is designed to provide practical insights and foster discussions on how these advancements and practices can shape the future of agriculture. In addition, participants will go on tours and have in-person equipment demonstrations to enhance their understanding and experience.

- **Seed Production 101:** Explore the seed production process, from trait and hybrid selection to planting and harvesting techniques.
- **Economics of Farming:** Examine the financial challenges and asset management crucial to farm profitability and sustainability.
- **Equipment Innovation** Discover the latest agricultural technologies and their applications in enhancing farm efficiency and sustainability.
- **Practical Farm Research (PFR)[®] and Agronomy:** Learn about Beck's leading initiatives, including Root Reveal and on-farm studies focused on advancements in agricultural technology like the use of drones.
- **The Power of Seed Treatments:** During this session, participants will take a virtual tour of our state-of-the-art East Tower Seed Treatment facility to see first-hand how these treatments are applied to enhance seed performance and ensure optimal crop health and productivity.

ABOUT BECK'S:

Founded in 1937 by Lawrence and Francis Beck, Beck's Superior Hybrids has since established a legacy spanning five generations. Headquartered in Atlanta, Indiana, Beck's has grown into the largest family-owned retail seed company and the third-largest seed brand in the United States. Our reach extends across 20 states in the Midwest, Central Plains, and Mid-South, covering over 85% of row crop acres in the nation. The Beck family, alongside our dedicated team of employees, is committed to supporting farmers in achieving success through genuine customer experiences, diverse product offerings, and unmatched seed quality and performance.

Ms. Rebecca Salter
Office of the Honorable Adrian Smith
502 Cannon House Office Building
Washington, DC 20515

Dear Ms. Salter:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Atlanta, Indiana, scheduled for August 20 to 21, 2025, sponsored by Beck's Hybrids.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Michael Guest
Chairman
