Addendum B: Good Faith Estimate Travel Costs

Total Transportation: \$4,347.34

- Flights To/From the US: \$1,700 per person
- Ground Transportation per person: \$273.43
- Charter Flight per person: \$2,153.90
- In Country Commercial Flights per person: \$220.00

Total Other Costs: \$1,534.09 per person

- Interpreters: \$450.00 per person
- Security: \$381.82 per person. Security is necessary to ensure that the delegation remains safe throughout their time in the country.
- Medic: \$477.27 per person
- Airport Services: \$ 100.00 per person. Airport services will ensure an efficient arrival so that we are able to spend as much time as possible on educational activities.
- Travel Insurance: \$100 per person
- Visa fee: \$25.00 per person

Addendum C: Charter Flight Justification

On Wednesday, August 27, 2025, the delegation will travel on a chartered flight from the capital city of Hanoi to Son La Province. After some site visits, the delegation will return to Hanoi from Son La on another chartered flight on Friday, August 29, 2025.

A chartered flight is the only way to get to the Son La province and back on a cost- and time-effective manner because of the complexities listed below. We have selected a charter helicopter operated by Tructhang.vn – Vietnam Tourism Helicopter Agent at cost of \$2153.90 per person roundtrip.

A car or bus from Hanoi to Son La would take approximately 15 hours. There are no trains nor commercial flights between the two locations. Additionally, Son La does not have a local airport nor airstrip to hire a charter plane. Taking ground transportation would require the delegation to either extend their stay in Son La, therefore, either missing the opportunity to meet with more program implementors in Hanoi or extending the overall Learning Tour timeline by a day at of at least \$1,584.00 per person.

Flying charter also allows the delegation to land directly in the Son La, saving 10 hours of transfer time from Hanoi. CARE is very careful to ensure Learning Tours maximize the time of the delegation in meaningful conversations with program participants in the sites we are visiting rather than unnecessary time spent in transit.

Tructhang.VN – Vietnam Tourism Helicopter Agent’s charter flight we have chosen is the most cost- and time-effective option to Son La and the only option available for us. The province is underdeveloped and does not have a local airport.

Due to our tight schedule and the limited transportation options as explained above, a charter helicopter is the best course of action to get the delegation to and from Son La. This ensures the delegation has as much time as possible at the project sites focused on the United States’ investments in women’s economic empowerment particularly in ethnic minority groups.

Charter flight details:

- Wednesday, August 27
 - 1:30-3:00 PM – First half of delegation transfers from Hanoi to Son La
 - 4:00-5:30 PM – Second half of delegation transfers from Hanoi to Son La
- Friday, August 29

- 7:00-11:00 AM – Full delegation transfers from Son La to Hanoi

CARE and CARE Action Now Structure Explained

CARE, a 501(c)(3) organization, is a leading international humanitarian organization fighting global poverty that places special focus on working alongside underprivileged women who, equipped with the proper resources, can assist whole families and entire communities escape poverty through improved basic education, prevent the spread of HIV, increase access to clean water and sanitation, and expand economic opportunities and the protection of natural resources. CARE also delivers emergency aid to survivors of war and natural disasters, and helps people rebuild their lives.

CARE established CARE Action Now in October 2007 as a related but separately incorporated 501 (c)(4) organization. Served by a mostly independent Board of Directors, CARE Action Now undertakes a variety of programs and activities in furtherance that organizations' comparable missions, most notably directly influencing policymakers through public awareness campaigns, briefings, reports, meetings, testimony, and other areas based on CARE's experience of working with poor people around the world over more than 60 years. The two organizations share facilities and resources, allocating the costs between them based upon use, as is common in the nonprofit sector. CARE provides periodic funding to CARE Action Now using a written grant mechanism to support the range of its advocacy and lobbying activities. CARE Action Now is increasingly raising funds independent of CARE. This is a common structure for related nonprofit organizations, where a 501(c)(3) organization uses some of its limited funding on lobbying to support a related 501(c)(4) rather than doing the lobbying directly itself.

CARE serves as common paymaster for both organizations, so that all shared employees receive one paycheck from CARE for services provided to either CARE or CARE Action Now. CARE Action Now provides to CARE its allocable share of salary, benefits, and payroll taxes. All staff time that qualifies as "lobbying activity" under the Lobby Disclosure Act that is under this arrangement, although those employees may also perform non-lobbying services for CARE. CARE Action Now treats its reimbursement payments to CARE as expenditures for salary and related items on its books.

This relationship which is consistent with customary practice leads us to conclude that CARE has properly completed this form, including that it does not employ or retain lobbyists. However, we include this additional information in the interest of full transparency so that the committee may make this determination for itself.

This letter is submitted regarding two learning trips occurring in August 2025 to Zambia and Vietnam. The Gates Foundation made a grant to CARE USA on September 9th, 2023, to fund various activities, including congressional tours to provide learning opportunities on U.S. foreign assistance programs.

I send this letter to confirm that the Gates Foundation is aware of these projects and has provided support, through the assistance of grant funding, to CARE USA for this project for the purpose of providing members of Congress, Congressional staff, other key decision-makers and influential individuals with personal experience and knowledge of U.S. government programs in the developing world and to provide follow-on information to tour participants relating to countries that have a broad array of U.S. government development projects.

However, the Foundation did not play a significant role in the project or in organizing the related trip. The Foundation has also not been involved in the selection or invitation of travel participants. Decisions regarding travel participants have been controlled by and under the sole discretion of CARE USA. This funding has not been directly or indirectly earmarked to finance any aspect of this trip.

If we can provide any additional information, please contact me at mark.iozzi@gatesfoundation.org or at 206-617-2686.

Mr. Patrick Mocete
Office of the Honorable Young Kim
2439 Rayburn House Office Building
Washington, DC 20515

Dear Mr. Mocete:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Vietnam,¹ scheduled for August 23 to 31, 2025, sponsored by Cooperative for Assistance and Relief Everywhere, Inc. (CARE), Bill & Melinda Gates Foundation, and Humanity United.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$480] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Michael Guest

Patrick Mocete
Office of Representative Young Kim, CA-40
2439 Rayburn HOB, Washington, DC 20515

Dear Patrick,

We are pleased to invite you to join us on a Learning Tour to Vietnam during the upcoming August 2025 congressional recess. The trip will take place from August 22nd – 30th and will explore the life- saving impact of a wide range of development programs and will include a bipartisan, bicameral delegation of congressional staffers.

Since 2009, CARE has led educational Learning Tours around the world to give Members of Congress the opportunity to see firsthand the results of U.S. investments in global development. In Vietnam, we'll visit a range of initiatives focused on public health, economic growth, countering trafficking, and war legacy issues—many of which are in their final phases due to shifting U.S. funding priorities. You will have the opportunity to engage directly with Vietnamese government officials, U.S. Embassy staff, and civil society leaders across several provinces. Site visits will include health clinics, education and rehabilitation programs for survivors of trafficking and war, and women's economic empowerment initiatives. The trip will also explore Vietnam's evolving economic partnership with the United States and its implications in the region and around the world.

As Vietnam sits at the heart of Southeast Asia's geopolitical landscape, the trip will provide valuable insight into how U.S. investments support regional stability and strengthen bilateral ties in the face of growing global competition.

We hope you will consider joining us. Please let us know if there is interest so we can coordinate travel and scheduling. If you have questions or would like more details, I'd be happy to provide them. I can be reached directly at anne.meyers@care.org.

Sincerely,
