- GlobalWIN Innovation Events
- Career Development
- Global Partnership Building

GlobalWIN will touch on all three of its programming silos by hosting this trip to New York, NY. More specifically, this trip will bring together a group of bipartisan Senate and House staff that work on issues related to workforce development, financial services and innovation in tech for an overnight stay. During 24 hours of programming, our delegation will discuss important policy issues related to their field of work by participating in roundtables, expert panels, and learning more about the overall industry impact of innovation and rapidly evolving technology. GlobalWIN's Staff Delegation will interact with companies at the forefront of innovation, female leaders of industry, and other senior executives. Our Delegation will discuss policy issues throughout the trip, connect with peers from across the aisle, fostering an atmosphere of bipartisanship, cooperation and personal network building.
