Mr. Michael DeFilippis
Office of the Honorable Jeff Hurd
1641 Longworth House Office Building
Washington, DC 20515

Dear Mr. DeFilippis:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Midland, Texas, scheduled for February 17 to 19, 2026, sponsored by American Exploration and Production Council and Diamondback Energy. We remind you that, because the trip sponsor employs a federal lobbyist, you may participate in officially-connected activity on one calendar day only.

Committee travel regulations require that you submit your complete pre-trip approval request to the Committee at least 30 days before the commencement of the trip or it will not be granted. Despite your failure to do so in this instance, we are approving your current request. However, any future requests must adhere to the 30-day requirement or they will be denied.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$525 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Michael Guest

WHO IS AXPC?

The American Exploration & Production Council (AXPC) is a national trade organization representing the leading independent natural gas and oil exploration and production companies. For more than 20 years, AXPC has hosted Policymaker Field Tours of exploration and production operations in various basins across the US.

This spring, we will be touring Diamondback Energy's operations in the Permian Basin in Texas. The field tour continues to be one of the finest ways for energy policy professionals to view operations from drilling, to completion, to production and learn about the impact our industry makes on communities across the country.

WHAT ABOUT EXPENSES?

AXPC, in compliance with all regulations and reporting requirements, will cover all field trip travel and meal expenses with the exception of Tuesday's dinner. Or if you prefer, we will work with you on the documentation needed to self-pay.

QUESTIONS OR RSVP

To learn more or sign up for the trip, please contact Kayla Mainella at rigtour@axpc.org.
