12. The Congressional Study Group on Japan is among the largest and most active parliamentary exchange programs between the U.S. Congress and the legislative branch of Japan. The Study Group creates constant channels of communication and dialogue between American legislators,

their senior staff, and their counterparts in the Japanese Diet through regular roundtables in Washington, DC throughout the year in addition to trips such as the 2026 District Director Study Tour to Japan. It offers senior congressional staff a unique educational forum to examine issues including the U.S.-Japan security alliance, energy policy, bilateral and multilateral trade agreements, and critical issues such as workforce development and demographic change. FMC's Congressional Study Group on Japan is responsible for organizing the program, arranging meetings, and inviting expert speakers to the study tour. FMC is solely responsible for all invitations to and communications with trip participants, as well as the budget for the 2026 District Director Study Tour to Japan.

The Japan U.S. Friendship Commission (JUSFC), an independent U.S. federal agency, awards grant monies to fund the Congressional Study Group on Japan's District Director Study Tour as a part of their mission of promoting understanding and exchange between the U.S. and Japan.

Additionally, through meetings with cultural figures as well as visits to culturally and historically important locations, participants will gain a holistic understanding of Japan's rich history, culture, and religion.

Nagasaki City, capital of Nagasaki Prefecture, is a historic port city on the island of Kyushu, long known as Japan's gateway to the outside world during the country's period of isolation. The delegation will meet with local government officials and academic experts to learn about Nagasaki's unique role in international trade, its history as one of the two cities devastated by the atomic bomb in World War II, and its continued importance as a hub for shipbuilding and maritime industries. April 8, 2026

Dear Colleague:

On behalf of the Congressional Study Group on Japan (CSGJ) and Former Members of Congress (FMC), we are pleased to invite you to participate in our 5th Annual U.S. District Director Study Tour to Japan.

The Congressional Study Group on Japan (CSGJ), a non-partisan, non-advocacy legislative exchange conducted by FMC, has more than twenty years of history conducting successful, high-level, discussion-driven study tours for Members of Congress and senior Congressional staff, which complement an active calendar of year-round programs on Capitol Hill. Fervently non-partisan and non-advocacy, our model promotes an active, substantive discussion among all principals and the development of lasting working relationships based on mutual respect and understanding.

The 2026 Study Tour will take place from March 21 - 28 and will visit Tokyo and Nagasaki. Economy airfare, lodging, ground transportation, and scheduled meal costs will be paid for by FMC, a congressionally-chartered, 501(c)(3) non-profit organization, in partnership with the generous support from the Japan-US Friendship Commission, created by Congress in 1975. We have funding for eight District Directors, and participation is available on a first-come, first-served basis. Participants are expected to attend all official meetings and programs throughout the duration of the Study Tour. This privately-sponsored travel will be reported to the House Ethics Committee and is not part of the Mutual Educational and Cultural Exchange Act (MECEA).

The Study Tour for District Directors provides an exciting opportunity to build U.S.-Japan relationships at the regional and local levels of government and civil society, beyond the traditional Washington-Tokyo relationship. Together with a variety of leading officials and experts from academia, civil society, industry, the media, and government, you will have the opportunity to discuss topics of mutual concern and areas for cooperation, including:

- Japan Overview: The US-Japan relationship, regional security, and the economic ties
- Industry and Innovation: Workforce, trade, and business
- The Future: Aging societies, disaster preparedness, and energy security

We hope that you will join us for the continuation of this vital transpacific dialogue. Should you have any questions, please contact Mr. Ty Baker, Program Manager, at 202-747-5350 or tbaker@usafmc.org. Thank you for your kind consideration.

Ms. Glorianne Oliveros
Office of the Honorable Mario Diaz-Balart
8669 NW 36th Street, Ste 100
Doral, FL 33166

Dear Ms. Oliveros:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Japan,¹ scheduled for March 21 to 28, 2026, sponsored by Former Members of Congress.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$525 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$525] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Michael Guest
Chairman
