12. Sponsor’s interest in the subject matter and role in organizing the trip:

Center Forward’s Healthcare Innovation Conference is being convened to bring together a bipartisan group of senior legislative staffers from the House of Representatives to discuss the healthcare supply chain and how the federal government can incentive innovationm business growth, and further scientific progress. Center Forward’s organizational mission is to provide pragamatic offices with the information they need to craft common-sense solutions and provide support in turning those ideas into results. Center Forward brings together Members of Congress, their staffs, not-for-profits, academic experts, trade associations, corporations, patient advocates and more to find common ground.

Center Forward is the sole organizer of the trip. Center Forward is planning the conference and is responsible for the organization and execution of the event logistics as well as the programming content. Discussion topics will include the cell and gene therapy advancements, primary care incentives, intellectual property of public-private partnerships, CHGME funding, IVF treatments, sports medicine artificial intelligence applications for healthcare, supply chain onshoring, and workforce development initiatives to support sensitive and growing industries. Conference attendees will be senior legislative staffers from House member offices, and will speak with researchers, business leaders, startup founders, academics, and local government officials in the Boston-metro area.

15.b.2) Provide the reason for selecting the location of the event or trip:

Boston was selected as the destination for this staff delegation to provide participants with an on the ground view of one of America’s most established and influential healthcare innovation ecosystems. Anchored by world class academic medical centers and research universities, the Boston area has long served as a global leader in biomedical research, life sciences, and advanced therapeutics. The region’s dense concentration of hospitals, startups, and multinational companies has created a unique environment where clinical care, discovery, and commercialization are closely connected. Throughout the visit, attendees will see how sustained public and private investment, coupled with a highly skilled workforce, has positioned Boston as a critical engine of American healthcare innovation and global competitiveness.

Mr. David Steury
Office of the Honorable Diana DeGette
2111 Rayburn House Office Building
Washington, DC 20515

Dear Mr. Steury:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Boston, Massachusetts, scheduled for May 1 to 8, 2026, sponsored by Center Forward. We note that this trip includes three days at your personal expense.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$525 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Michael Guest
Chairman
