This bipartisan initiative will convene a select group of U.S. House of Representatives staff engaged in shaping critical policy areas, including artificial intelligence, advanced manufacturing, healthcare, female leadership, technology innovation, and the U.S.–Switzerland bilateral relationship. These staff members were chosen for their expertise, and active roles in legislative efforts that align with their portfolios. The goal is to foster deeper transatlantic collaboration, share best practices, and explore opportunities for partnership between the United States and Switzerland in areas of shared interest and mutual benefit. Switzerland plays a surprisingly important role for the United States in several key areas—diplomacy, finance, security, and global cooperation.

Question 12 – GlobalWIN – Staff Delegation Trip to Switzerland

GlobalWIN will engage all three of its core programming pillars through a dynamic and impactful delegation trip hosted in Switzerland, with visits to Zurich, Bern, and Geneva. This bipartisan initiative will convene a select group of House staff working on critical policy areas, including artificial intelligence, advanced manufacturing, national defense, healthcare, female leadership, and technology innovation.

In collaboration with GlobalWIN's network of partners and allies, the program will feature a robust agenda of corporate site visits, meetings with senior women leaders in the Swiss government and the U.S. Embassy, as well as engagements with international organizations and cultural programming that highlight Switzerland's role as a global center for diplomacy, finance, and innovation.

Participants in GlobalWIN's House Staff Delegation will engage directly with cutting-edge companies, influential female leaders across industry and government, and senior executives. These interactions will provide a platform to explore key policy challenges, exchange best practices, and foster meaningful bipartisan dialogue. The trip will promote cooperation, mutual understanding, and lasting professional relationships across party lines.

GlobalWIN will fully organize and fund all components of the trip, including travel arrangements, official meetings, speakers, and panel discussions scheduled throughout the official programming hours.

Dear Ms. Sokolov:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Switzerland,¹ scheduled for May 25 to 30, 2026, sponsored by Global Women's Innovation Network (GlobalWIN).

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$525 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$525] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,
