Mr. Carlos Paz
Office of the Honorable Jimmy Gomez
506 Cannon House Office Building
Washington, DC 20515

Dear Mr. Paz:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Canada,¹ scheduled for August 3 to 7, 2026, sponsored by Center Forward.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$525 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$525] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

12. Sponsor's interest in the subject matter and role in organizing the trip:

Center Forward's International Chiefs of Staff Issues Conference is being held to bring together a bipartisan group of pragmatic staff and cross-sectoral representatives to focus on common-sense solutions. Center Forward's organizational mission is to provide centrists with the information they need to develop common-sense solutions and provide a collaborative space to develop actionable plans. Center Forward brings together Members of Congress, congressional staff, not-for-profits, academic experts, trade associations, corporations, and unions to find common ground.

Center Forward is the sole organizer of the trip. Center Forward is planning the conference and is responsible for the organization and execution of the event logistics as well as the programming content. Discussion topics will include bilateral trade, tariffs, and workforce development, manufacturing and tech innovation, data privacy and consumer protection, shared energy and infrastructure initiatives, regional security, and the strengthening of economic ties between the two countries' governments and business communities. Participants are expected to include congressional staff and business leaders.

15.b.2) Provide the reason for selecting the location of the event or trip:

Vancouver was selected for this trip to provide U.S. congressional staff and business leaders with an opportunity to engage with Canadian and American businesses and political leaders on issues affecting both the American and Canadian economies. As the two countries remain deeply intertwined, especially in the Pacific Northwest corridor, Canada continues to be a major business hub with many major U.S. companies setting up facilities in the country. This small, bipartisan delegation will focus on finding ways to increase shared economic growth, security, and prosperity while gaining a greater understanding of how Canadian leaders are addressing the challenges facing their nation. This visit will include programming focused on both domestic issues and international cooperation to continue strengthening the critical relationship that already exists between the two countries.
