Dear Mr. Talley:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Philadelphia, Pennsylvania, scheduled for August 4 to 5, 2026, sponsored by ClearPath, Inc. We remind you that, because the trip sponsor employs a federal lobbyist, you may participate in officially-connected activity on one calendar day only.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$525 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Answer to Question 12 –For each sponsor required to submit a sponsor form, describe the sponsor’s interest in the subject matter of the trip and its role in organizing and/or conducting the trip:

ClearPath is the sole entity responsible for planning and executing this educational trip. ClearPath has developed The Clean Energy Innovation Academy (CEIA), which is an ongoing educational series with briefings focused on conservative clean energy technology and policy. The 2026 series will feature the opportunity for Congressional staff to visit the PJM Interconnection regional transmission organization (RTO) and the Constellation Limerick Clean Energy Center. The trip will also feature an educational dinner with local stakeholders who are developing clean energy innovations in their sectors. The site visits and interactions with stakeholders will highlight the importance of reliable, baseload energy like nuclear and the role that RTOs like PJM play in delivering electricity to the grid and to consumers.

Answer to Question 15(b)(2) –Provide the reason for selecting the location of the event or trip:

The Philadelphia region is home to a major regional transmission organization like PJM and the Limerick Clean Energy Center. PJM plays a major role in managing the electric grid across the Mid-Atlantic and coordinates the movement of electricity for 13 states and DC. The Constellation Limerick Clean Energy center consists of two nuclear reactors that deliver electricity to power 1.7 million homes in the region. Paired together, both facilities are cornerstones of electricity generation and delivery of power to the grid for millions of U.S. citizens in a time where the need for affordable, reliable energy is growing.
