Dear Ms. Berro:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Atlanta, Georgia, scheduled for August 24 to 25, 2026, sponsored by Malaria No More and the Gates Foundation. We remind you that, because the trip sponsor employs a federal lobbyist, you may participate in officially-connected activity on one calendar day only.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$525 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Michael Guest

Dear Malka Berro,

Given your congressional oversight role, Malaria No More is pleased to invite you to participate in a congressional staff delegation to the Centers for Disease Control and Prevention (CDC) in Atlanta, Georgia, from August 24–25, 2026, to examine the agency's critical contributions to global malaria prevention, control, and elimination efforts.

The delegation will provide participants with a firsthand look at CDC's malaria work and broader global health activities, including briefings with senior leadership and technical experts. Staff will have the opportunity to learn about CDC's role in advancing malaria research, surveillance, outbreak response, and vector control, as well as how these efforts support U.S. global health and national security priorities. The program will also highlight CDC's work under the Department of State's new model for global health foreign assistance and showcase key operational capabilities.

We hope that you will consider joining us. A detailed itinerary will be sent in the coming weeks. If you have questions, please contact me at spencer.knoll@malariaanomore.org or (240) 626-5525.

Thank you for your consideration.

Respectfully,
