October 9, 2026

Mr. William Reynolds
Office of the Honorable Harold Rogers
2406 Rayburn House Office Building
Washington, DC 20515

Dear Mr. Reynolds:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Sri Lanka,[1] scheduled for October 10 to 17, 2026, sponsored by The HALO Trust (USA), Eleanor Crook Foundation, and The HALO Trust. This letter supersedes the Committee's letter dated October 5, 2026.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than $525 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently $525] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

---

[1] Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at https://step.state.gov.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Michael Guest

Charter Flight Justification

A charter flight is required to transport travelers between Colombo, Sri Lanka and Jaffna, Sri Lanka because no scheduled commercial flights for this route exist. Alternative road or rail options would consume approximately 14-16 hours of program time, compared to approximately 3 hours via charter flight.

The charter flight will be operated by David Pieris Aviation (Pvt) Ltd., which is a commercial operator certificated by the Civil Aviation Authority of Sri Lanka and required to be conducted under air carrier safety rules. Please see attached for the Air Operator Certificate.
