Re: Congressman Patrick Murphy

Dear Clerk:

I am writing to inform you of amendments to my Statements of Financial Disclosure for Calendar Years 2012 and 2013. Initially, I reported the growth of Coastal Construction Group of South Florida, Inc. in the value of the asset. I have now come to understand that this growth should also be reported as "unearned income." Although treated as ordinary business and interest income for tax purposes and as "unearned income" for purposes of the House financial disclosure requirements, this income was never disbursed to me by the company.

Accordingly, the last entry on Schedule III of my Financial Disclosure Statement for Calendar Year 2012 should be amended to read as follows:

Name of Asset	Value of Asset	Type of Income	Amount of Income
Coastal Construction Group of South Florida, Inc.	\$1,000,001-\$5,000,000	Ordinary business, interest	\$1,001-\$2,500

Schedule VIII of my Financial Disclosure Statement for Calendar Year 2012 should be amended to include the following additional position:

Position	Name of Organization
Vice President	Coastal Environmental Services

I am also filing today via the online reporting system an amended version of my Financial Disclosure Statement for Calendar Year 2013.

Please do not hesitate to contact me should you have further questions. Thank you for your attention to this matter.

Very truly yours,

Congressman Patrick E. Murphy
