Re Amendments to previously filed Financial Disclosure Statements

Dear Mr McCumber

It has been brought to my attention that my previously filed financial disclosure reports, going back to 2001 did not include the disclosure of a Massachusetts State Employees Defined Retirement Contribution Plan ("Plan") I was eligible to participate in this Plan as a result of my service as a State Representative and a State Senator, until my separation from State employment, effective October of 2001

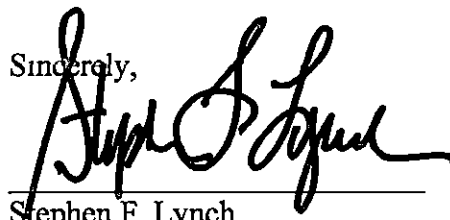

Under the terms of the Plan, from October 2001 through October 31, 2003 3% interest was credited to the account, however, since November 1, 2003 the account has been in non-interest status essentially no interest has accrued to the account In addition the Massachusetts State Board of Retirement is not required to send annual financial statements to those that separate from State employment

The following information serves to amend Schedules A for my financial disclosure reports from 2001-2025

Asset	Value	Income Type	Income
Massachusetts State Board of Retirement	\$15,000-\$50,000	Tax Deferred	Non-Interest

If you require additional information regarding these changes please contact my Chief of Staff Kevin Ryan at 202 225 8273

Sincerely,

Stephen F Lynch
Member of Congress
