Dear Ms. Haas,

While filing my Financial Disclosure documentation for 2015 it came to my attention that I failed to disclose my interest in my family's farm when I inherited it on March 3, 1995. I'm requesting that my filings from 1995-2014 be updated to reflect the following:

"Young Family Farm: I hold a one-third interest in a family farm that was inherited on March 3, 1995. The farm is located in Meridian, CA and produces crops of walnuts, beans and grains. I do not generate any income from this property."

I assure you this omission was unintentional and I hope that this update now fulfills my obligation to amend prior year filings.

Thank you for your time and consideration.

Sincerely,

Don Young
