

cc

Dear Madam Clerk,

As I began to experience family difficulties, I chose to withdraw from my candidacy on September 1, 2021. I did not ever file as a candidate for any election occurring in 2022. My candidacy had only been a matter of spoken intent. I am communicating with you because I continue to maintain my FEC Identification Number for potential future election campaigns.

Respectfully,

Dale K. Mensing
Scotia, CA 95565
