Report any purchase, sale, or exchange transactions that exceeded \$1,000 in the reporting period of any security or real property held by you, your spouse, or your dependent child for investment or the production of income. Include transactions that resulted in a capital loss. Provide a brief description of an exchange transaction. Exclude transactions between you, your spouse, or dependent children, or the purchase or sale of your personal residence, unless it generated rental income. If only a portion of an asset is sold, please choose "partial sale" as the type of transaction.

Capital gains: If a sales transaction resulted in a capital gain in excess of \$200, check the "capital gains" box, unless it was an asset in a tax-deferred account, and disclose the capital gain income on Schedule A.

* Column K is for assets solely held by your spouse or dependent child.

Name: Hon. Diana Harsbarger

Page (N) 1 of 1

NOTE NUMBER	NOTES
001	Schedule C - - Please note that the income earned in 2021 reflects deferred compensation from work conducted in 2020 prior to being sworn in as a Member of Congress.
002	Schedule A - MDI - Please note, due to a limitation in how the asset management firm provides Dividend Income Detail Reports for equities, this disclosure provides a single "miscellaneous dividend income" line item for each relevant account that captures all other dividend income that could not be itemized by specific equity assets. All assets have been properly disclosed in this report.
003	Schedule B - FB - FB changed its name and ticker to META in 2021. Transactions are listed as META. Sch A is listed under META since that is the current name.
004	Schedule A - - CHEGG does not appear in Sch A as it was sold with transactions under the reportable threshold for all accounts.
005	Schedule A - - This amendment is being filed due to an issue our compliance company identified with its report generation system. Upon review, the system failed to include a set of assets and transactions from a brokerage account. Those have been added to this report.
