COMMENTS

In protest, I must refuse to acknowledge my shared housing situation in the House's Committee on Ethics Financial Disclosure filing. I see absolutely no reason for asking candidates or public officials to list their personal homes as a source of unearned income because they might have shared their personal residence with others. It is primarily low-income people who must live in shared housing situations for economic reasons. I had more to say but I am allowed only 500 characters in comment.

CERTIFICATION AND SIGNATURE

I CERTIFY that the statements I have made on the attached Financial Disclosure Report are true, complete, and correct to the best of my knowledge and belief.
